AUSSIE OF THE MONTH AWARD
The May Aussie of the Month recipient was Year 2/3 student, Sophie Darroch for exhibiting the following qualities:

- For settling in well and being kind and helpful.
- For being a wonderful role model in all aspects of her schooling.

Sophie was presented with her badge and certificate by Senior Leading Constable Bruce McNaughton and Sergeant Kelly McNaughton.

LUNCH TIME FOOTBALL
Last Wednesday the Year 5/6 boys planned and conducted a footy match for all students in Grades Prep to 4. Well done to the boys for organising the game. Everyone looked like they had a lot of fun and got into the spirit. Special thanks to coaches and sports captains Sam Riddle and Isaac Hanson for the effort they put in. Sam reminded me of his father as he was yelling directions from the sidelines! Next week it will be the girls’ turn to run a Wednesday lunch time sports event.

ZONE CROSS COUNTRY
The Zone Cross Country Championships were held at Albert Park in Warrnambool on Thursday 30 May. Well done to Liam Fenwick, Vincent Huf, Anna Kelly, Julia Kelly, Brendon Paterson, Sam Riddle, Sophie Schurmann and Adam Symes, for the brilliant effort they put in.

HAMILTON EISTEDDFOD
The Hamilton Eisteddfod was held on Tuesday 4 June. Mrs Macgugan and her group of Year 4/5/6 students did an outstanding job and come away with many awards for the day. Mrs Macgugan puts in hours of work on this and the finished product always sounds amazing!

HEAD LICE
We have had a few reports of head lice in recent weeks at school again. Please check your child / children’s hair regularly and treat as necessary. Please let the school know if you have treated your child’s hair for head lice.

VISIT FROM MR JEFFREYS
Mr Paul Jeffreys, our new principal to begin in Term 3, visited the school on Wednesday. He met with staff before school, then we had a whole school assembly so he could meet and give a presentation to the students. It was great to meet him and we look forward to next term when he starts at our school.

BUSES
Students have been reminded that bus travel is a privilege, not a right. Students need to behave at their best while travelling on the school buses. The bus driver and every student has the right to feel safe on the bus so if everyone does the right thing, everyone will be able to get to school and home safely each day.

Bus travellers received a note home this week to say they are allowed to bring a small hand held device (such as a DS or iPod) on the bus if they wish. The teachers and school understand it is a very long time on the bus for some people, so to have something to entertain you is ok. It doesn’t have to be an electronic device though. Students can bring a book, colouring in book, crossword etc if they like.

AUSSIE FOOTY
Aussie Footy got off to a good start last week. Mr David Fry is the coach, Mrs Fry the coordinator and Mr Field umpired on Wednesday. The students all played a great game in good spirits.

CHICKEN NAMING
The chickens now have some names! Some of our Grade 3 students gave our chickens some wonderful names last week. They worked hard, taking pictures and creating posters to display in the school.
NATIONAL BUDDY DAY

Our school participated in the National Buddy Day on Friday 7 June. National Buddy Day is an initiative developed by NAB and The Alannah and Madeline Foundation to celebrate friendship and help raise awareness of bullying in Australian primary schools. This year’s theme was “Band Together” – joining forces (or arms or legs) with a buddy, friend or colleague.

Students had an enjoyable time participating in a variety of fun activities with their buddies. One activity involved being ‘banded together’ (by crepe paper) with their buddy and working together to create a recipe about friends. The other activity was ‘Buddy Bowling.’

STUDENT REPORTS

Teachers are busily finalising student reports. They will be sent home on Thursday 20 June. You will notice some small changes to the reports. These changes will be explained in a letter included with the reports. Please read the reports before attending the Student / Parent / Teacher Conferencing on Wednesday 26 June.

STUDENT / PARENT / TEACHER CONFERENCING – 26 JUNE

Student / Parent / Teacher Conferencing will be held at the Dunkeld Consolidated School on Wednesday 26 June. A letter was sent home last week regarding allocated conferencing times. If you are unable to attend the Student/Parent/Teacher Conferencing on Wednesday 26 June, could you please contact the school to arrange a suitable time.

Please note the change of name from Parent / Teacher Interviews as held in past years, to Student / Parent / Teacher Conferencing. The school made this move last year, but decided recently that a name change is in order to reflect the nature of the meeting.

Conferencing allows an opportunity for a student to be more involved and active in the interview process. The student meets with their teacher and parent/s to discuss and demonstrate their achievements and learning goals. This process is very beneficial for the students in ‘taking control and ownership’ of their learning.

It is extremely important to have good working relationships between parents and teachers. A parent is the child’s first teacher and critical to student success is the involvement of the parents. It is critical that both parent and teacher know that the goals for the child are indeed shared goals as both teacher and parent want what is best for the child/student.

Please note, students are expected to attend the conference. Parents may also request interviews at other times without your child. If you are concerned about your child's progress, please discuss these concerns with their teacher. You can contact the school for an appointment and make a mutually convenient time to meet with your child's teacher.

SPECIAL ASSEMBLY ON FRIDAY 28 JUNE

1.50pm START
The final Special Assembly for Term 2 will be held on Friday 28 June commencing at 1.50pm in the school hall. Class Captain Reports and the Aussie of the Month Award for June will be presented.

Parents and community members are encouraged to attend this assembly.

SCHOOL COUNCIL AND SUB-COMMITTEE MEETINGS

A reminder that the next School Council meeting will be held on Tuesday 25 June commencing at 7.30pm in the school staffroom.

The following sub-committees will be held on:

Wed 19 June – Finance Meeting – time to be advised.
Tues 16 July – Community & School Promotions Meeting 5.30pm
– Policy Meeting 6.30pm
– Facilities Meeting 7.30pm

THEMES

TERM 2: How do people move from place to place?
TERM 3: What is beyond my backyard?
TERM 4: Why did people settle in Victoria?

STUDENT OF THE WEEK AWARDS

Below are the awards for Weeks 7 and 8 of Term 2, beginning on Monday 27 May 2013:

Organisation: Ellen White Year 2/3.
Persistence: Lachie Phillips Year 1.
Confidence: Olivia Mirtschin Year 2/3, Reid Allen Year 1.

LANDCARE EXCURSION REPORT

On Friday 30 May the Grade 4/5/6 students visited Mr and Mrs Brendan Gordon’s farm to do tree planting. We all got into groups with five people in each group. We all had two teachers with us to show us how to plant trees properly. Our goal was to plant 1200 trees and that is what we achieved. After we planted the trees we enjoyed a free barbecue lunch and a drink. Before we left we all received two treats - a Freddo Frog and a magnet. It was a great day! By Sophie Paterson

RECYCLED MATERIALS FOR MAKING CARS

Grade 1 students would like to make small cars out of recycled materials.
If you have any of the following could you please send them to school:

- Small cardboard boxes
- Clean (and washed) plastic milk lids

These items can be left in Mrs Howard’s office.

Thank you, Ann Howard
MRS MAC’S MUSOS EISTEDDFOD RESULTS

On Tuesday 4 June we competed in the instrumental sections of the Hamilton Eisteddfod. All the students played very well:

Ben Cullineane, Isaac Hanson, Gemma Hill, Anna Kelly, Victoria Mawson, Sophie Paterson, Sam Riddle, Sophie Schurmann, Adam Symes, Merielle Encabo Patullo, Brendan Paterson, Dylan Ross, Jemma White, Jessica Field, Vincent Huf, Miranda McIntyre

They looked immaculate in their school uniform and behaved impeccably, a credit to their parents and the school. Well done kids! We had a lovely day. The results were as follows:

Large Recorder Group: 1st
Multi Instrumental Group: Honourable Mention
Group of 4: Gemma Hill, Anna Kelly, Sophie Schurmann and Victoria Mawson - 1st
Group of 4 – 10: Equal 1st to the boys and girls groups
Trio: Vincent Huf, Ben Cullineane and Isaac Hanson 1st
Trio: Jemma White, Jessica Field and Miranda McIntyre - 1st
Duet: Gemma Hill and Sophie Paterson – 2nd
Duet: Jessica Field and Miranda McIntyre – 1st,
Vincent Huf and Jemma White – 2nd
Solo: Jemma Field – 1st, Jemma White and Miranda McIntyre – Honourable Mention

Thank you to all the parents who helped with transport and who spent the entire day supporting and encouraging our students. Thanks to Mr Rob Smith for allowing me to sneak in extra practices! Also thank you to the Hamilton Eisteddfod Committee for providing an opportunity for our students to play music for an audience and to listen to the work of students from other schools in our district.

Heather Macgugan, Performing Arts Teacher

CANTEEN WORKING PARTY MEETING

A Canteen and Food Services Working Party meeting will be held at the School staff room, on Tuesday 25 June, at 2.30pm. All welcome.

From the Kitchen Garden...

How lovely is it to hear that gentle steady rain on the roof? It has been perfect on our garden, and with still a bit of warmth in the sun, things are beginning to look fresh and green again. We have started many seeds growing in recycled plastic supermarket containers, they are perfect for this job, just push some holes in the bottom, fill 3/4s full with seed raising mix, sow seeds, lightly spray with water, and put the lid back on. It’s like a mini hot house, and works well. We have sown beetroot, spring onions, lettuce, parsley, kohlrabi, corn flowers and pansies, just to name a few.

We also made rot-able pots! Carrots do not like to be transplanted when grown in seeding trays, so we have made our own small pots from old telephone book pages (especially that edition that no one could read!!!). We just tore the page out, wrapped it around a cylinder to create the shape, folded the base and taped it, then filled with seed raising mix and carrot seed, watered, and left them in the shade house. After nearly three weeks, (and thanks to Sophie Paterson for all her watering!) the seed germinated and emerged, and as we sowed them thickly, we will gently pull out all but one in each pot. When they are larger, all we need to do is dig a hole in the garden bed and put pot and all in it. The paper will disintegrate leaving a healthy and undisturbed carrot. That’s the plan anyway!

Our canola crop has emerged well, now we need to watch for pests, especially slugs. We’ve sown a green manure crop, using old pea, bean, radish, silverbeet seed, in fact, any seed that has been around for a long time! We’ll let that grow to a good healthy height and before flowering we’ll chop it down and dig it into the soil. As it decomposes it will add a good lot of vegetative matter to the soil, improving its fertility and structure.

Over the next few weeks, I will need to organise a small roster for the holidays, as our hens in the Chook Palace will need to be checked. This would be an ideal job for local families, and would not need to be done every day. Please get in touch with me if you’re able to help us. I will also draw up the Friends Garden Roster for Term 3. If you’d like to join us, please let me know. We’d love to have you on board!

Lisa McIntyre, SAKG Garden Specialist

We are so very grateful to Mrs Elaine Schurmann, who has very generously donated her olive crop that she has grown on her trees this year, to the SAKG program. We are very excited about this, as for us, it will involve a traditional harvest and then a process of washing, brining and bottling, (following an old tested recipe) to produce beautiful brined olives. The jars will be available to use in our kitchen, and we’ll also offer them for sale, as a fundraiser for the SAKG program. Friends of the Kitchen and Garden are invited to participate in the Olive Harvest on Sunday 23 June. Thank you Elaine, you are a gem!

Another term has passed us by and we have been very busy in the kitchen. Many dishes have featured pumpkin as our gardeners have harvested and stored many varieties and also a kind donation by the Collins family saw many shaped and varying sized mini pumpkins.

Mexican Empanadas with our own pastry filled with mashed pumpkin, spinach and feta served with Roast garlic and lemon yoghurt dipping sauce, Roasted Pumpkin and Cheese ‘sausage’ rolls sprinkled with sesame seeds and Pumpkin with Sage Butter stirred through pasta served with Pumpkin and Fennel seed bread warm spread with butter just to name a few.

Pumpkin and Fennel Seed Bread recipe below – enjoy!

Ingredients (serves 6)

500g butternut pumpkin, peeled, chopped (any pumpkin is fine)
1/2 cup self raising flour, sifted
2 teaspoons fennel seeds
2 teaspoons dried oregano
75g butter, melted
1/2 cup reduced-fat milk
2 eggs, lightly beaten
2 teaspoons fresh rosemary sprigs
Butter, to serve

Pumpkin and Fennel Seed Bread

Recipe below – enjoy!
Method
1. Preheat oven to 180°C/160°C fan-forced. Grease a 9cm-deep, 9cm x 19cm (base) loaf pan. Line base and 2 long ends with baking paper.
2. Cook pumpkin in a saucepan of boiling, salted water for 8 to 10 minutes or until tender. Drain. Transfer to a large bowl. Using a fork, mash until smooth. Cool for 5 minutes.
3. Add flour, fennel seeds, oregano, butter, milk and eggs. Season with salt and pepper. Spoon mixture into prepared pan. Using a spatula, level top. Sprinkle over rosemary. Bake for 40 to 45 minutes or until a skewer inserted in centre comes out clean (cover with foil if over-browning during cooking). Stand in pan for 5 minutes. Lift out onto a wire rack to cool. Serve with butter.

Open Day for Education Week saw many guests in the Kitchen and I thank Katie Calvert for her help in answering questions about the program. A few parents on their first visit to the kitchen chose to stay and prepare and share with the children, which was very special.

Each week before we share our meal together a student will read a piece they have written titled “We Give Thanks”. This piece shows appreciation and thanks to all involved in helping to get our meal on the table - From the Sunshine and Rain, to our Friends of the Kitchen Garden. The students should be congratulated on some beautiful works these will be published over the next term. They are in a display book on the harvest table if you would like to have a read anytime.

I was very lucky to have my sister Maryann Jenkins visit from Echuca on the weekend and she spent a day in the kitchen painting a permanent mural on the kitchen blackboard, depicting lovely produce from all seasons. Please call in to have a look.

Maryann has also kindly donated another painting for the SAKG Committee to raffle to help raise funds for purchasing kitchen equipment. The painting is on display at ‘The Old Bakery’ thanks again to the kindness of Pauline and Paul. The Old Bakery Dunkeld donates a percentage of all bread sales to the SAKG Program and we are very appreciative of this ongoing support. Paul invited Maryann to exhibit some of her works and they are also displayed at The Old Bakery. Raffle tickets may be purchased at the bakery or at the front office of the school for $1.00. The raffle will be drawn at the end of term 3. I thank you in advance for your support.

Happy Preparing and Sharing!
Clare Kennedy, SAKG Kitchen Specialist

EPICURE LIFT OUT – THE AGE (Tuesday’s)
If anyone receives The Age newspaper on a Tuesday could you please keep the Epicure lift out for the SAKG Kitchen at the school.

P & F NEWS

P & F Event Calendar 2013:

TERM 3
Safeway Sausage Sizzle (fundraiser) Date to be confirmed
Father’s Day Stall (students’ Social Service) Fri 30 August
Bloke’s Big Breakfast (social) Fri 30 August

TERM 4
Discover Dunkeld stall (fundraising) Sat 19 October
Christmas Stall (students’ Social Service) Monday 16 December

P & F Association: The P & F committee very much appreciates all the support we receive from our school families. The above dates could change or new catering opportunities may come up, please check the calendar regularly for any such changes and be on the lookout for the forms for helpers attached to the newsletter. Our next fundraising event is the SafeWays Sausage Sizzle. The date has yet to be confirmed so please keep an eye out for a form or email asking for help. Holding a BBQ at SafeWays is a great way to get money from outside Dunkeld and it is a fun, sociable fundraiser.

Serra Terror Catering: The P & F cannot thank enough the 23 lovely ladies and one very helpful young man who helped to ensure that we had the vegetables prepared (in record time, an hour!), the tables arranged and set, chairs moved, the food cooked and served. This was followed many hours later with the dishes washed and returned to their homes and the Grampians Retreat Rec room cleaned up. To the 23 ladies and our helpful lad, who gave up their time, your help and support is truly appreciated.

Our efforts for the night raised $1,992.00 for the P & F coffers. P & F will be contributing $1,000.00 to the cost of the bus hire for the whole school excursion to Ararat in Term 3.

Second-hand Uniforms: Please remember that there is a wide range of second hand uniforms available at the school. Winter has started and with the drizzly rain we have had it is always handy to have spare clothes available. Donations for items and any queries can be made at the school office.

Next Meeting: Please note that the next P & F meeting will be held on Monday 15 July at 7.30pm, in the school staff room. The P & F committee greatly appreciates the contributions of all parents and all parents are warmly invited to attend. The P & F Association is for the school community and aims to benefit our students and our school.

Emma Gordon, President and Kellie White, Secretary

AUSSIE FOOTY
We have 20 players registered to play Aussie Footy with the “Grampians” this year, four from Cavendish Primary School and the rest from the Dunkeld Consolidated School.

Thanks to Stephen Field for the great work he has done in marking our oval, umpiring our game last week and making sure we’re good to go! Thanks also to Shane Arnold - goal umpire and to Bella Morganti - oranges for our first game. We played in Hamilton this Wednesday (12 June) then again at Dunkeld on Wednesday 19 June.

It was great to see so many supporters there last week; our team played a fine game and showed good sportsmanship! Well done!

WOOLWORTHS EARN AND LEARN

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thank you to everyone who supported our school and to Mrs Trish Symes for coordinating the program.

We’re now at the important stage of the program where Points Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week please send in your Woolworths Earn & Learn Points Sheets and any loose Earn & Learn Points Stickers you may have. Remember to check your handbag, the car glove box or they may be stuck on the fridge. Every little bit helps.

If anyone has any Safeway cash register dockets that they didn’t receive stickers for, could you please bring your docket to school. We will be able to redeem stickers for them when we send them away. Please send your stickers in by Thursday 27 June. Thanks again for all your support!

DUNKELD PUBLIC LANDS COMMITTEE

Caravan Park: The Committee are looking into purchasing a new unit. There is a need for more of this type of accommodation. We are also purchasing a new industrial clothes drier. The barbecue area is to be altered to provide more shelter from the wind and some screening of the cabins completed. Gary and Mavis are holidaying from this week – have a good time. You deserve it. Kaye Griffin has been our capable backup for some time. Kaye is not well. Get better soon Kaye. We may need some help with cleaning and laundry. Talk to Prustie or myself if you could help. Norm Schwarz is collecting while Gary and Mavis are away.

Memorial Park: It is great to see that it gets plenty of use. Of course the more it is used, the more maintenance needed. The Shire does a great job, but we need to have a working bee at times. At the end of winter we will have a working bee. We may need to prune the roses before that.

Sawmill: Thanks to David Gordon, we have been able to relocate 7 possums from the Sawmill. Hopefully the building is now secure and we are able to have a major clean-up. It has been one of our aims to promote the Sawmill by having an opening day each year. We have offered to have this day in conjunction with the Mosaic Festival in October. The mill would be open for viewing and timber cutting and working activities could be done as well. More about this later.

Blood Bank: From time to time I try to promote the value of attending the Blood Bank in Hamilton. We always get a good start, but then it drops off. I ask all donors to renew your enthusiasm – you are needed. If you want to become a donor, please talk to me and we can include you on our next trip.

Hall Donations: Our Committee is planning to make a substantial donation to the Hall Appeal. We have to get special permission from the Government, because we can only use money raised on areas we control. This should not be a problem – only red tape. Please support the Hall appeal. We will only get one chance at building a new Centre. If everyone throws their weight behind this, Dunkeld will get something it needs urgently. It will make Dunkeld a better place.

The Queen’s Birthday long weekend saw the fourth annual Serra Terror hike through the Grampians. Course designer Doug Craig must have been in a devilish mood when he created this year’s course, which traversed the Major Mitchell plateau, Mt William and Mt Rosea, which most participants said was the ‘hardest course yet’. But with the hard work came the rewards of magnificent views and stunning scenery, which made up for the punishing course.

This year we had 22 teams, with 130 people walking or running the course, the biggest year yet! Participants ranged from 12 to 65 years old, showing that this really is an event for all ages. Some teams were extremely competitive, running about half the course, while others were there to enjoy the scenery and take their time. There were a number of local teams in the mix, helping to support not only the Serra Terror, but the Dunkeld Community Centre Appeal.

There was a lot of stress and worry on Saturday night as news came in that two women were missing from the hike. Doug Craig and Doug Fleming did their best to find the women, but when they were unable to locate them, our emergency action plan was put into place and the emergency services were called. A big thank you to Rex Beveridge, who volunteered to stay the night at the Sheepills track checkpoint, in case the women found their way. The women were located by the SES the next morning, and were walked out of the national park, with no injuries. The pair had been quite comfortable for the night with a fire and thermal blanket, as they were very well prepared. They even had more sleep than the two Dougs! A huge thank you to the Stawell SES and the Ararat Police, their professionalism and demonstrated experience were very impressive.

Winners for the weekend included:
- The Royal Mail Fastest Team Challenge winners, a Warrnambool team – The Heavy Hitters – who were awarded with the Blackwell Perpetual Trophy and an accommodation package with the Royal Mail.
• The Southern Grampians Shire Council Fastest Relay Challenge winners, who were the Greater Hamilton Hikers SGSC. They were awarded a Grampians Rock climbing and Abseiling half day experience for all team members.
• The Bendigo Bank Fundraising Prize will be determined at the beginning of July, with winners being notified and published on www.dunkeldadventure.com.au

As a result of the weekend, approximately $20,000 has been raised for the Community Centre Appeal. Thank you to our sponsors for your support, and thank you to our volunteers, without whom we would not be able to run such a successful event. In the next edition of the newsletter, we will acknowledge all of our sponsors and volunteers.

DUNKELD RSL SUB-BRANCH

RSL Membership
We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. Annual membership fee is $40.00. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Application forms are available from the Secretary/Treasurer, Mrs Terrie Nicholson on 5573 3353.

The Veteran Community Story Writing and Art Competition 2013: Victorian veterans have the opportunity to show off their creative talents in the 51st annual Victorian Veterans’ Story Writing and Art Competition (Patron: Maj Gen David J. McLachlan AO). The competition, which began as a therapy exercise for returned veterans at the Heidelberg Repatriation Hospital, is now open to ex-servicemen and women (including peacemakers and peacekeepers), their spouses, widows, eligible children and grandchildren (over the age of 18), who reside in Victoria.

Categories for the competition include story writing, poetry, art/painting, craftwork and photography. The competition welcomes all entries, regardless of skill level. The special writing category for 2013 is titled “Stories from the Middle East”. Stories are to be based on fact, but not necessarily firsthand account and once again will be limited to 1,500 words.

Entry forms are available by calling Siobhan Hodgins 9496 2290 or 1800 134 864. Entries for the competition close on Monday 31 July.

Ballot Arrangements for Attendance at ANZAC Day Commemorations, 25 April 2013 – Gallipoli Peninsula, Turkey: The ANZAC Commemorative Site can safely hold 10,500 people, and in 2015 this will include places for 8,000 Australians, 2000 New Zealanders and up to 500 official representatives of all countries that served in the Gallipoli campaign.

The Government carefully considered options for the ballot, drawing on feedback received from members of the public, the Veteran and Defence communities, tour operators and other key stakeholders, as part of a public consultation undertaken in 2012.

Some of the places available to Australians will be reserved for special representatives including:
• Widows of Australian First World War veterans – they do not need to participate in the ballot and will be included as part of Australia’s official representatives, with a companion if fit to travel.
• Five percent of places allocated through the ballot will be reserved for Australian direct descendants of veterans of the Gallipoli campaign with preference being given to the sons and daughters of Gallipoli veterans (600 passes in total).
• Five percent of places allocated through the ballot will be reserved for Australian veterans qualifying service or who have been deployed on operations outside of Australia, whether they are warlike, non-warlike or peacetime operations (800 passes in total).
• Five percent of places will be sent aside from the ballot process for representative secondary school children and their chaperones, to be allocated and managed through the states and territories (400 passes in total).

The remaining (3000 double passes) will be available to all Australians who meet the eligibility criteria for the ballot. The following criteria will apply to the ballot:
• Applicants must be an Australian citizen or permanent resident of Australia to register, but do not need to be living in Australia at the time of registration.
• Applicants must be a minimum of 18 years of age on, or before, 25 April 2015 to register.
• Applicants can only register once.
• People successful in the ballot will be issued a double pass – the accompanying pass holder does not need to be an Australian citizen or permanent resident of Australia.
• No additional passes will be provided to an individual that is successful in the ballot.
• Pass holders must make all arrangements for their travel and cover all costs including flights, accommodation, transport and travel insurance etc.

The ballot is expected to be open for registrations on 1 November 2013 and close on 31 January 2014. Further information on the ballot arrangements is available on the Gallipoli 2015 website at www.gallipoli2015.dva.gov.au

Obituary – Dunkeld Museum Foundation Member, Mr Don Dickie: Donald Richard Dickie was born at Glenthompson...
Hospital on 24 January 1937. He was proud to be one of the last babies to be born in the Bell Street Hospital. His parents were William Egbert Dickie and Hilda Marjorie May Dickie nee Cameron. His father was a general merchant in Dunkeld. He had two older siblings, a brother William who was known as Bill and a sister, Joan. Bill was 8 when Don was born and his sister was 4.

Don grew up in Dunkeld and attended the Dunkeld State School as it was in those days at the school in Parker Street. He was able to identify much of the site for the Museum members when we had an evening at the old school site and indicated where the Maypole was located in the playground. Along with this location came the information that he was not impressed with maypole dancing as he did not really see the point, however he also pointed out the large tree down the back of the block which they were banned from climbing but which he proudly indicated that he and a number of the other boys did climb fairly frequently to “have a quiet smoke”. Unfortunately they were caught one day which resulted in them receiving “Six of the Best” and he refused to go home and tell his parents as he was sure he would have received more punishment from that quarter.

When he finished at Dunkeld he transferred to Hamilton High School to complete his formal education. When he was not quite 17 years of age he was apprenticed to R.I. King who owned Dunkeld Motors to commence training as a Motor Mechanic. This apprenticeship was transferred to Claude Taylor at Sturgeon Motors a year and a half later when Mr King sold his business. Don worked for the remainder of his life at Sturgeon Motors. By the mid 1950’s he began driving the school bus. One story goes that as Claude Taylor was on the local council which met once a month he had a Wednesday off. It appears that Don got his licence one day and the next day being council day was his first experience of driving the school bus. During this time Don would drive the school bus for Claude. In about 1964/1965 one of the school bus drivers, Mr Jim Dark, broke his leg and Don filled in as the driver on the Mirranatwa bus run.

In those days there used to be four school bus runs – Mirranatwa, Karabeal, Woodhouse and Nareeb and there were only three sets of school holidays held during the year – May, August and December. When student numbers dropped at the Dunkeld Consolidated School, it changed to two school bus runs – Mirranatwa/Karabeal which he operated and Woodhouse/Nareeb which he transferred to at a later time.

Over the years he worked for Claude Taylor then Graham Kelly from 1978 and then Peter Pickering from Swan Hill Bus Lines in 1999. This gave him a career of about 46 years as the local school bus driver, a great achievement and in some cases with multiple generations of students from the same families.

At one time the students were arriving at school well after the bell which concerned the Principal at the time and Don was questioned as to why they were late as this disrupted the commencement of the school day for both the students and the teachers. Don in his usual blustery manner tried to sidestep the issue but when it was sorted out it appeared that his friendly chatty nature got the better of him as he stopped to chat to the parents on the run. His family also remember him coming home with eggs and vegetables from the parents at various times. These chats were what delayed the bus by up to twenty minutes a day so he had to rein in his chats in the morning to get the pupils to school on time!

As a teenager he was heavily involved in the local community with Scouts on a Friday night, pictures during the week, football on a Saturday and even he was even an altar boy at the Catholic Church on a Sunday. It appeared that these were all places, except for the scouts, where girls attended and his diary of those days list his exploits even to detailing that he had managed to “get a kiss from a named young lady”.

One of his early vehicles was a Ford Freighter Utility. This was the means of transport for Don, Billy Waldron and Johnny Riddle to get up to all sorts of things. One memorable trip was after the Saturday footy game a group of them turned up at the Royal Mail which in those days closed at 6:00pm and they consumed as much beer as they could before closing time then a large number of the local lads filled the ute, both front and back and went to the dance at Hamilton. Here there was more alcohol consumed and there was not one of the group who could remember how they got home but it appears that it was without mishap.

There were many events in his teenage years that involved his two mates - Billy Waldron and Johnny Riddle. These included rabbiting trips when rabbits were prolific and it is reported that one night they managed to catch 1000 pair overnight. These they loaded onto the train and sent them to Melbourne the next morning. For this they received 6 pence a pair and in later years he would often complain about the price of rabbit in the shops and compared the price to his 6 pence a pair. These rabbiting trips often meant he missed school the following day as he was too tired.

His attention to ladies was narrowed down over the years and in September 1967 he married Anne Van Kalken. They had three children, Karen, then Pam and then Alan. The children remember their father as teaching them many things they needed to know and despite the fact that he expected them to do what they were told he was never really strict and his discipline seemed to be all talk rather than seriousness. Karen remembers that on her 18th birthday he suggested that she was now old enough to have a beer with her old man and he couldn’t understand why she knocked him back on the offer until he asked if she had already been drinking and she had to confess that she had a horrible hang over. Unfortunately he had no suggestion as to how to solve the hangover. He had a great love of animals and hated to see one injured. This meant that if he saw an injured animal on the road after he had completed his bus run he would drive back, collect the animal and bring it home till it recovered. This resulted in quite a menagerie at home as the kids were growing up. He also had his cow Daisy in the paddock behind the house and he milked her morning and night, before and after the bus run.

In the years when the family was young they enjoyed many fun times with parties, picnics and BBQ’s for a variety of reasons or even just to have a party. Those he enjoyed most often involved fancy dress and he would go out of his way to create innovative themes or costumes.

Don’s sense of community has seen him involved on the planning committees for the Dunkeld Back To in 1989, the 150th Committee in 2004 and the schools combined 150th Anniversary and 50 Years of Consolidation in 2006. He has been a member of the Fire Brigade for 59 years, the SES in excess of 10 years, the Museum for 30 years and the local Hunters and Collectors Group for approximately 20 years. He was a foundation member of the SES, the Hunters and Collectors and the Museum where he has been on the Committee from the first meeting, which was held in the Dunkeld Consolidated School Library in 1983, until his death. He has truly given great service to his community in a variety of ways over the years.

Over time he became a keen shooter hunter and fisherman and when the local Hunters and Collectors Group was formed
Don's love of hunting and responsible shooting came to the fore. He was involved with the establishment of this group to educate young people about safe shooting and to assist farmers who needed vermin eradication. Last year he was presented with a plaque in recognition of his service to this group. During many of the shooting trips, especially the duck season shooting trips on Roger Burger's swamp he would complain bitterly that he had ducks disease, meaning that his legs were too short or his bottom too close to the ground and therefore he had problems with waders and getting through fences. Even though he was a duck hunter and hated Laurie Levy Pam remembers him going back after duck opening was over and collecting the injured ducks so he could put them out of their misery. Duck and lead dinners were often a feature of the family menu after duck hunting and it was often thought that an old boot may have been more tender but Don loved his duck dinners.

As the girls were growing up Don also threatened to shoot any boys who came round after them and at times the girls thought it was a pity he didn't stick to his word as it would have been an easier way to get rid of some of those they wished would go away.

As mentioned earlier there were only two colours in Don's life - Red and Black. He was the ultimate one eyed Essendon supporter you could imagine. Friday night football was a reason to complete the bus run as quickly as possible and he was a foundation member of Hamilton Bombers Group which was a group of Essendon fans who travelled to Melbourne to watch them play for about the last 14 years. He was instrumental in getting membership tickets for many of the locals in the area especially as presents. Footy Days at the school saw Don in his Essendon gear and he enjoyed nothing better than to get dressed up and go to Windy Hill for a presentation night or for a meal at their Bistro. As all Bomber fans do, he hated Collingwood and so the ANZAC Day match was one which he looked forward to with relish. He attended all the events that the Hamilton Bombers held until his illness prevented him from attending but it didn't stop him watching the games and the replays to live the events again.

In recognition of his service to the Dunkeld Fire Brigade he had been made a Life Member. His fire fighting goes back pm at the church followed by Afternoon to the building as a place of Worship after this service. The Dunkeld Congregation extends an invitation to all to attend a Service of Thanksgiving to commemorate 100 years of worship in the Anglican Church. The service is to be held on Sunday 23 June at 2.00pm at the church followed by Afternoon Tea, lots of chat and catching up with old friends. Both Don and his family appreciated all the hours of work and the wonderful care and attention he received. After his change of mind there was a time when he was ready to go to the Grange, however once he got there he absolutely loved the wonderful care and attention he received. After his change of rooms he became even more settled as he looked out over the street and was able to chat to many of the staff when they took their breaks. Both Don and his family appreciated all the care and attention that he received while in the Grange and the family would like their thanks expressed not only for the care they gave to Don but for the care and consideration they showed to the family over his last weeks.

Don passed away in his own inimitable way, when he was ready on Tuesday 28 May 2013. He will be greatly missed by the community and by those organizations he has given so much time to over the years. Our sincere sympathy is extended to Don's family.

**Grampians Ark** & **Grampians To Grasslands** Fox Control Programs

Participants, residents, landholders and visitors please be advised that the latest Fox Baiting Pulse began Monday 3 June and will run to Friday 9 August 2013. Baits can be picked up at Kelly and Henson. You will need to provide your ACUP and note which program you're involved in. Please also take a note of the baits you replace, and at the end of this pulse, let Gab Lanman (0400 883 014) know. We would like to provide some data and evidence of bait take. We are also very interested in hearing of other fox control methods, if you have numbers of foxes caught spotlighting or on day shoots etc, we'd be very interested to hear of them. Every bit counts! If you are interested in joining this program, please contact us below.

**SERVICE OF THANKSGIVING**

The Dunkeld Congregation extends an invitation to all to attend a Service of Thanksgiving to commemorate 100 years of worship in the Methodist building, now the Uniting Church. The service is to be held on Sunday 23 June at 2.00pm at the church followed by Afternoon Tea, lots of chat and catching up at the Dunkeld Bowling Club (opposite the church). We hope to have many returning ministers and parishioners.

After many years of deliberation by the congregation the church building has been sold. The cost of repairs to the building was beyond the financial income of the small congregation. The decommissioning of the building as a place of Uniting Worship will be a significant feature of the Worship. This all coincides with the birthday of the Inauguration of the Uniting Church in Australia.

Mr and Mrs Allan Myers have purchased the building and have a passion for preserving the history of Dunkeld. The Myers Family intend to restore the building as the Dunkeld Methodist Church with the bell, pews and furniture remaining. The congregation are happy that the building will be used for concerts and available for special events in our community. The congregation is looking forward to using the Anglican building for Worship after this service.
We look forward to you joining us for this significant event in the life of the Dunkeld Congregation and town’s history.

FROM THE LIONS DEN
Locally, our Lions supported the Dunkeld Adventure ‘Serra Terror’ fundraiser, and were very proud to be involved in such a well run event. Our congratulations go to the organisers and participants.

Nationally, eminent businessman, philanthropist, adventurer and entrepreneur Dick Smith AO, together with his wife Pip, has donated $1 million to the Australian Lions Foundation (ALF) to help people in need. The funds will be used to support the ALF Compassionate Grants Program which helps everyday Australians in crisis. The program funds urgent medical treatment, critical support for people with a disability and crisis services of all descriptions.

More about the Dunkeld Adventure weekend
Apparantely after the contestants finished the walk they had use of the change rooms at the swimming pool. A little boy wandered over to the swimming pool and ended up in the women’s change room. When he was spotted, the women burst into shrieks, with ladies grabbing towels and running for cover. The little boy watched in amazement and then asked, “What’s the matter, haven’t you seen a little boy before?”
