REVISED SAKG KITCHEN ROSTER FOR TERM 4
WORKING BEE SCHEDULE
MARKET IN THE PARK HELPERS form – to be returned by Monday 14 October
FROM Mr Paul Jeffreys, Principal...

It was wonderful to see our children return to school last Monday. It never ceases to amaze me how teachers have the privilege of being in a position whereby they are able to form close relationships with so many children and to many of us (teachers), those relationships become important parts of our lives. We do, after all, spend 6 hours a day, 5 days a week for 40 weeks of the year with each child. That’s 1200 hours associating with your child. What comes with that relationship is the fact that we teachers develop a genuine care for the children.

It is with this in mind, that it is time we consider very seriously, the happiness and sense of safety that the children at Dunkeld Consolidated School feel each and every day they walk through our gates. All children have a fundamental right to feel safe and happy at school.

I have watched carefully from a distance during my first term as principal at Dunkeld Consolidated School. We can get better at making sure children feel happy and safe. The propensity to play in an overly physical manner grates at me. There are subversive, underlying issues going on with this and I know that for some children there is a sense of intimidation occurring while at the same time, the perpetrators of the tackling, tripping, pushing and put downs claim ‘we were just having fun’. Well for others it is not fun. It is difficult. And our little kids are learning from the big kids. Time to change. Time to get better.

So that every child has an opportunity to feel safe and happy at school, a clear message has been sent to the student body at a special assembly last Monday:
• We don’t do that any more
• We don’t do that at this school

There are no consequences. Simply, children who choose intimidatory play will be asked to wait in the school corridor so that others can feel safe and happy.

The community of Dunkeld Consolidated School doesn’t have to be the best at anything; rather it has to get better at everything.

BUS TRAVELLERS
Again I remind and continue to urge parents and carers to maintain a conversation with children who are travelling on busses. There was clearly an improvement in bus behaviour towards the latter part of the third term. This is attributable to the support at home. Thank you so much; your children are safer on the bus as a result. Please continue to regularly discuss this matter at home.

POWER OUTAGE
We had our second power outage for the term during the last week of Term 3, and once again we are indebted to Barry Lowe of the Southern Grampians Shire local depot for supporting our school by supplying a generator. Without the generator, we would have had to close down our school. On behalf of the school community, thank you once again Barry.

HOLIDAY WIND DAMAGE
A thank you must also go out to many wonderful parents who not only were involved in mowing our school grounds, but who also jumped into action after severe tree damage throughout the school property during the holiday period. Most noticeable to all would have been the tree damage along the front fence line. As a consequence, the large branches basically broke our front fence. The tidy up is again much appreciated.

MOWING
As I continue to learn about the ways our school and community function, mowing by parents and Cricket Club members has become apparent to me in this the growing season. I suspect we could do with a few more volunteers, even if it just an hour of hand mowing for one single time. There is a burden carried by very few and any assistance I am sure would be much appreciated by our mowers. If you are able to offer assistance, you may contact the school or any member of our school council.

AUSSIE OF THE MONTH AWARD

The September Aussie of the Month recipient was Year 2/3 student, Sam Cullinane, for: Always being a kind, caring and courteous student. He plays well with everyone and is often heard paying nice, little compliments to people. A pleasure to have at our school.

At the final Special Assembly for Term 3, Sam was presented with his badge and certificate by Mr Paul Phillips and Mrs Sue Balkin-Mitchell from the Glenthompson Dunkeld Football Netball Club.

CLASS CAPTAINS FOR TERM 4

SAKG YEAR 4/5/6 BUSH TUCKER EXCURSION
On the last Thursday of Term 3 our Kitchen Garden day was re-scheduled as a trip to Halls Gap for lunch and a tour of the Brambuk Cultural Centre.

Clare Kennedy and her band of helpers prepared the lunch in the park, which was available on our arrival. We had hamburgers which we created the previous week. As usual the ingredients were healthy and delicious.

Following the lunch we chose to walk to Brambuk from the town centre. On arrival we were met by our guide who taught us some aboriginal culture and took us on a tour of the gardens which have many trees and plants which have been traditionally used for bush tucker and medicine. We tasted bracken fern and found that it was also used to relieve stings by bull ants. We tasted she-oak which was used as a mouth freshener and thirst quencher. Some leaves of a plant were rubbed vigorously in our hands with water which then became a type of soap. We all had a great time tasting and learning.

Following that we were invited to taste some samples of cooked kangaroo, crocodile and emu meat. We all had different ideas of which was the best. The crocodile tasted a little like fish with a chicken type of texture. There were some sauces as well which were made from native plants too. We hope to grow some of the trees and plants at our school garden and share some bush tucker with others at Dunkeld in the future.

It was a very interesting and enjoyable day.

STUDENT OF THE WEEK AWARDS
Below are the awards for Week 10 of Term 3, beginning on Monday 16 September 2013:

SPECIAL ASSEMBLY - FRIDAY 1 NOVEMBER
The first Special Assembly for Term 4 will be held on Friday 1 November commencing at 2.40pm. Guest presenter to be advised.

The Aussie of the Month Award for October and Class Captain Reports will be presented at this assembly. All parents and friends are welcome to attend the assembly.

SCHOOL HATS
As mentioned previously, our SunSmart Policy requires that hats are to be worn outside from September to April. Could all families ensure that children have a School hat kept at school for daily use. Bucket hats are available at the office for $8.00 each.
Well done parents, you did a great job with costuming your children. Thank you to all staff and Ally Gordon for helping with coaching and practising. Thanks to Jane Higgins and Anne Gilbert for creating the beautiful Monet artwork with the students. Annette Huf and Kay Russell spent time at school helping me with costumes, masks and props, thank you to these very creative ladies.

We look forward to another great night of performance next Thursday with our older students. Many thanks.

Heather Macgugan, Performing Arts Specialist

WORKING BEE ON 13 OCTOBER
Welcome back to all children and staff for what promises to be another action packed term. With the grass growing flat chat and the wind blowing like blazes we have already had an interesting start to the term, with plenty to do on the facilities front. Many thanks to the group of parents who helped out removing some dangerous branches and in a general clean-up to make the school look presentable for the start of term. Well done to John Mirtschin for his five hour mowing stint.

I would like to take this opportunity to encourage teachers, parents and all children to spend a couple of hours this Sunday at the school Working Bee. The social get together is probably fun enough, but to be all able to contribute to making our school grounds look great should make the time very enjoyable.

We have a lot of little jobs needing done as well as plenty of pruning, clearing, weeding etc and a great BBQ after for all. So 10.00am or earlier drop in and join in the fun. This is what makes our school community great.

Good luck to everyone for the rest of term and for our Grade 6 students leave your mark in the most positive way you can. As our principal Mr Jeffrey’s says, ‘Aim to get better.’

Stephen Field, School Council President

GRADES 2/3 and 4/5/6 CONCERT
NEXT Thursday 17 October at 7.00pm
A dress rehearsal will be held on the Thursday morning and the whole school will watch the performance as an audience. The community and parents are invited to join us.

The Grade Prep and One students will watch the concert on the Thursday morning at a dress rehearsal so do not necessarily need to come to the evening performance. We ask that all pre-schoolers and siblings not involved in the concert sit with their parents all night. The students do not need to be distracted by younger children.

A note was sent home on Wednesday of this week detailing the costume requirements. If you have any problems or queries please contact Mrs Heather Macgugan on 5577 2277. The Op Shops are a great source of clothes for dress ups!

Heather Macgugan, Performing Arts Specialist

MOWING ROSTER
More helpers required
Thank you to those parents who have offered to help on the Mowing Roster. As the old adage says "many hands make light work", more volunteers are required on the Mowing Roster. The dates are Saturday 2 November, Saturday 7 December and Saturday 25 January. Meeting time is 8.00am at the mower shed.

If you are able to assist could you please contact the school on 5577 2384.

ACTIVE AFTER-SCHOOL – TERM 4
The first Active-After School session for Term 4 will be held on Monday 21 October and the last session will be held on Monday 9 December. A reminder that all students are welcome to attend these free sessions which are held on a Monday and Wednesday from 3.30pm to 4.50pm. Afternoon tea is provided. If you have any queries please contact AASC Co-ordinator, Mrs Karen Kent on 5577 2502.

RAFFLE
The Dunkeld Consolidated School Council has organised a major raffle to raise money for the School Camps and Excursion Program. The Blast From The Past event in August, though profitable, did not quite make the full amount required, and so further fundraising must take place to make up the shortfall. Every year the School Council subsidises the program to ensure that every child can attend school camps with costs remaining affordable.

Every family with a child attending Dunkeld Consolidated School is expected to sell one book of raffle tickets. Tickets are $2.00 each. Raffle tickets will be sent home with students on Monday 14 October, so please check your child’s bag.

There is an incentive prize of a $100.00 TOYWORLD VOUCHER for the family that sells the most books before the end of Term 4! The raffle will be drawn at the last Special Assembly on Friday 20 December.

We have four fantastic prizes which will be on display at the school shortly:
- 1st Prize: Asus Vivo Tablet
- 2nd Prize: Luggage Set
- 3rd Prize: Olympus Digital Camera
- 4th Prize: Portable Barbecue

A sincere thank you to Harvey Norman Hamilton and Scullions in Hamilton for their generous support.

From the Kitchen Garden...

The Dunkeld Consolidated School’s Stephanie Alexander Kitchen Garden (SAKG) program will be holding a stall at the Discover Dunkeld ‘Market in the Park’ on Saturday 19 October. If any SAKG Friends are able to help out on the day could they please contact Clare Kennedy on 0427 823 308.

Please find attached to this newsletter the REVISED Kitchen Roster for Term 4. Please note the following dates:

- Thursday 14 November: Year 5 and 2 students will be working in the Kitchen as part of the Leadership and Induction into the SAKG program.

WORKING BEE
SUNDAY 13 OCTOBER 10.00am – 1.00pm
A reminder that a Working Bee will be held at the Dunkeld Consolidated School on Sunday 13 October from 10.00am – 1.00pm. If you are attending the working bee and haven’t returned your form could you please advise the school on 5577 2394 so that we have accurate figures for lunch catering.
• Thursday 12 December: A special Kitchen class for Year 6 students only.
• Friday 13 December: Cleaning-up and packing-up the Kitchen from 8.00am to 10.00am. All welcome!

Clare Kennedy, SAKG Kitchen Specialist

Many, many thanks to Emma Gordon, Bec Riddle, Anna Topia, Annette Huf, Ally Gordon, Helen Spencer, Jo Aaron, the McIntyre's and their families, for looking after the Chook Palace over the holidays. It is such a comforting thought to know that someone is keeping a close eye on our chooks, and that they are happily waiting for the children's return this week! Thanks girls, we all really appreciate your effort.

I've circulated a roster for this term, amongst the "Friends" for them to check. We would love some more help in the Grade 1 and Preps time slots (11.30am-12.15pm, 12.30pm-1.00pm), if you can help, please let me know.

We are getting ready for the Discover Dunkeld Market, where we hold a stall to showcase the program to the community, as well as trying to raise some money for the program (for items like chook food and potting mix, flour and milk), by selling produce, plants and eggs. If you have an abundance of any of these things, that you would like to donate, we will happily and gratefully receive them!

Thank you to all those families that have returned the Sensory Garden plant form. By now, I will have responded to you via your email address to confirm your plants. We will be planting them next Thursday 17 October, during the garden sessions. All children will get to plant something special. It will be a great day and we'll create a beautiful garden!

Lisa McIntyre, SAKG Garden Specialist

P & F Event Calendar 2013:

TERM 4

Discover Dunkeld Stall (fundraising) Sat 19 October
Last P & F meeting for 2013 at "109" - 7.00pm Fri 29 November
Christmas Stall (students' Social Service) Mon 16 December

P & F Association: The P & F Association Committee very much appreciates all the support we receive from our school families. As we begin fourth term, we would like to thank all school families for their help throughout the year. Our last fundraising event for 2013 is the stall at the Discover Dunkeld Festival on Saturday 19 October.

Discover Dunkeld: This year at the Discover Dunkeld festival, P & F’s stall will be mainly child orientated. P & F will be selling show bags, lucky dip prizes and lucky cups. Thank you to the many families who have already returned their cups. There are some fantastic ones that have been on display at the front office. If you are unable to fill all your cups, could you please return the empty ones to the school ASAP. The P & F Committee will fill these and ensure that we have at least 200 to sell on the day. If you have any questions, contact Emma Gordon 5577 2660 or catman22@bigpond.net.au

A thank you is also needed to the teachers that handed out the cups and notes, ensuring that they all went home. P & F truly appreciate the support of all school staff.

Please support us this weekend as P & F are aiming to raise funds to install a new PA system in the school hall, which will benefit the whole school community. P & F understands that this is busy weekend for not only our school community but also for the wider community so we are trying to keep our stall fun and simple. There will also be second hand books for sale and P & F will be helping promote our Stephanie Alexander Kitchen Garden Program as well.

Peter’s Project Catering: On Saturday 21 September, P & F catered for the horse riders from the Mount Leura Riding Club who were riding from Dunkeld to Moyston raising money for Peter’s Project. A very big thank you goes out to Sarah and Amy Crawford, Angela Field, Fiona King, Ally Gordon, Donna and John Mirtschin, Rebecca and Maddie Riddle, Rob Fry and Lindy Cullinane who helped prepare and serve the meal to the hungry riders. A big thanks you to Kellie White for her delicious cake and to Karen Kent for shopping for the night. Hopefully the riding club had a successful and enjoyable ride. With expenses paid to date, an approximate profit of $620.00 has been raised.

Second-hand Uniforms: Please remember that there is a wide range of second hand uniforms available at the school. Donations for items and any queries can be made at the school office.

Principal’s Afternoon Tea: Thank you to all the families who attended the P & F’s Principal’s Appreciation Afternoon Tea last term. It not only provided a chance for parents to meet Mr Jeffreys but also to show our appreciation for his hard work that he has put into our school in his first term as principal. If you left behind a plate you will find it in the canteen.

Next Meeting: Please note that the last P & F meeting for 2013 will be held on Friday 29 November at 7.00pm at Café 109. An email will be sent out with further details soon. The P
& F is for the school community and aims to benefit our students and school.

Discover Dunkeld – A Mosaic of Experiences
Market Day on Saturday 19 October 2013

Dear Parents,

This year’s Mosaic Festival looks to be even bigger and better than previous years, there are great activities for all ages with a variety of stalls. This is an annual fundraiser for the P & F Association and it is a great way to get some ‘outside money’ into our school as well as promote our wonderful school.

This year we are having 3 different stalls and we need your help!
- Stall 1: SAKG Produce Stall
- Stall 2: Book Stall
- Stall 3: Children’s show bags, lucky dips and mystery cups

Each stall will require at least 3 people for each time slot listed below, students are most welcome to help on the stalls also.

**PLEASE NOTE:** The SAKG Produce Stall is welcoming donations of baked goods (ingredients must be listed), fruit, vegetables, eggs, preserves and plants. These are all greatly appreciated and very sort after by market visitors!

Please indicate where you are able to help by completing and returning the attached form to the school **BY MONDAY 14 OCTOBER.**

Thank you for your continuing support!

DISCOVER DUNKELD
With less than 2 weeks to go until the Discover Dunkeld - A Mosaic of Experiences weekend, the committee is gearing up for one huge weekend of fun for the whole family!

This year we are delighted to have the return of events such as the Mosaic to Mountain fun run hosted by the Dunkeld Kindergarten as well as Lost in Sculpture, a biennial outdoor sculpture exhibition. We welcome the Grampians Cricket Club to the program, with the Victorian Welsh Male Choir at Devon Park taking place Friday 18 October. Tickets must be purchased before the night and are available from Café 109 in Dunkeld and Hamilton Real Estate in Hamilton or alternatively online by visiting: http://gccwelshchoir.eventbrite.com.au/

This weekend marks the official kick off to the 2013 event with the newly renamed Grampians Regional Producers Harvest Dinner hosted by the Royal Mail Dunkeld, highlighting produce from Regional Growers as well as goods from the Royal Mails’ very own kitchen garden which will be turned into amazing dished by the new chef Robin Wickens.

Start your day Saturday morning by entering the Mosaic to Mountain fun run individually or with this year’s team challenge! Put a team name on your registration form and if your team has the fastest four to finish either the 5km or 10km you will win great prizes, thanks to the Bunyip Hotel and Parkgate Grampians Resort.

The Market in the Park kicks off from 10am and is full of fun for the whole family! There’s an abundance of kids activities such as a jumping castle and if you fill out the kid’s passport you’ll go into the chance to win a gift voucher kindly donated by Toyworld in Hamilton. Entertainment will also be provided for the “big kids” with live music starting at 11am by local musicians James Huf, Terang band Hollow Scene and Requiesence. Sample food, wine and beer by local producers whilst you marvel at fine art, crafts, clothing and sculpture exhibitors.

Award presentations for Lost in Sculpture will be held at 1pm in the Dunkeld Memorial Park, followed by a guided exhibition walk led by the 2013 judges Liza McCosh and Anton Hasell.

Sunday will be another day of family fun with Dunkeld Adventures “Wheel Fun” bike ride taking place. This 60km bike ride will take in the spectacular views of Dunkeld, Karabeal and Victoria Valley whilst raising money to fund the new Community Centre. The ride will kick off and conclude at the Dunkeld Arboretum with a barbeque at the completion of the ride in conjunction with the Old Sawmill Open Day, registration begins at 8am and prices can be found by visiting the Dunkeld Adventure Website.

The Dunkeld Museum will also be open to the public from 10am to 4pm on Saturday 19 October and from 10am to 5pm on Sunday 20 October.

The committee would also like to take the time to thank the wonderful businesses who sponsor the weekend as well as those who volunteer during the day. Without their generous support and help the weekend would not be able to go ahead. We will have a small working bee on Friday 18 October at 5.30pm. A final check of the sawmill, putting up photos, preparation for the demonstration site will be done. lot of time and effort to this renovation, your generosity has been greatly appreciated. To the tradesmen of Dunkeld that have worked on this renovation, we thank you for your professional approach to making this a very modern and stylish facility. You are all invited to come to Saint Pat’s on Sunday 20 October 10.00am onwards for a BBQ lunch, and of course, all are welcome to come to the Mass starting at 9.00am.

On Tuesday mornings, weather permitting, we will be meeting socially in the Dunkeld Park, at the playground. This will be an informal gathering with no payment or formal structure but Mum’s or Carer’s catching up for a chat.

For any queries please contact Paula Kelly 5577 2591 or Emma Gordon 5577 2660.

PANNYABYR, MIRRANATWA AND GLENTHOMPSON LANDCARE

EUROPEAN WASPS
It’s that time of year again - when queen wasps emerge from hibernation and look for sites to build their nests. A number of local farmers have reported an increase in wasp sightings, especially under wood piles. So it could be a sign of a bad wasp year. Now is the time to act! If you find a large European wasp, safely destroy it, as one queen has the potential to raise 1000’s of wasps. It’ll save a lot of discomfort later on.

“Grampians Ark” and “Grampians To Grasslands” FOX CONTROL PROGRAMS
Participants, residents, landholders and visitors please be advised that the latest Fox Baiting Pulse begins Monday 7 October and will run to Sunday 8 December 2013. Baits can be picked up at Kelly and Henson, you will need to provide your ACUP and note which program you’re involved in. Please also fill the bait data form provided. We need to provide some data and evidence of bait take as part of the program requirements. We are also very interested in hearing of other fox control methods, if you have numbers of foxes caught spotlighting or on day shoots etc, we’d be very interested to hear of them. Every bit counts! If you are interested in joining this program, please contact me.

5000 POPPIES: From its association with poppies flowering in the spring of 1915 on the battlefields of Belgium, France and Gallipoli, the poppy has become a symbol of both great loss in war and hope for those left behind. Between 2014 and 2018 Australia will commemorate the Anzac Centenary, marking 100 years since Australia’s involvement in the First World War.

The 5000 POPPIES project gives people of all persuasions an opportunity to contribute to a wonderful craft/art project to create a field of 5000 poppies which will be publicly displayed in Melbourne on ANZAC Day 2015 as a community tribute for more than a century of service by Australian servicemen and women in all wars, conflicts and peacekeeping operations.

Contributors are asked to hand make one or more poppies. They can be crocheted, knitted, felted or sewn from any materials, provided they can be displayed temporarily outdoors. Any shade of red can be used and poppies should be no more than 15cm in diameter. There is no entry fee and contributors are asked to provide their own materials. There is no barrier to involvement and no limit to the amount of poppies that can be submitted by any one contributor. Each contributor should print out and complete the submission form and send with their contribution. For more information please visit the 5000 POPPIES project online: http://5000poppies.wordpress.com/about/

Poppies may include a small dedication by the maker (25 words or less – maximum size of a business card) to be securely attached to the back of the poppy by the maker. There will also be an opportunity for dedications to be posted on the blog for those contributors who wish to have their dedication published and they hope there will be many.

Poppies submitted will not be returned.
There will be an initial display of the poppies in Federation Square, Melbourne in November 2013 to commemorate Remembrance Day. The plan is to display 500 poppies to help raise awareness for the longer term project. Ms Lynne Berry from Melbourne and Ms Margaret Knight from Mornington are the combined driving force behind this project.

The Hamilton Library is involved with this project and on Friday 11 October there will be an informal class held at the library from 2.00pm to 3.00pm for anyone who wants to learn how to knit a poppy.

FROM THE LIONS DEN

Since the last newsletter the Lions supplied a sausage sizzle at the Dunkeld Consolidated School to help the students celebrate Australian Rules Football by wearing their club colours to school. It was interesting to see that there were several Victorian clubs well represented e.g. Cats, Hawks and Bombers etc. But it was also great to see some Melbourne and Western Bulldogs jumpers among the students. As always it is a privilege to be involved with the school to see our next generation coming on. Parents you can be proud of the children, they are a very well-mannered group.

Different lifestyles

I was at a working bee at the Dunkeld Catholic Church a couple of weeks ago and one of the men there started talking about how bad the fogs have been of a morning, “Yesterday morning the fog was that thick that at 6.30 I could not see the railway line.” I said, “At 6.30 I could not see the pillow because of my wife’s hair.”

DUNKELD MUSEUM UPDATE

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 14 October commencing at 8:00pm at the Dunkeld Museum.

Guest Speaker Meetings: The guest speaker at Dunkeld Museum’s Monday night meeting was Mr Mal Eales from Hamilton Legacy. Mal joined Hamilton Legacy in 1989 and has held various positions during this 24 year period.

Mal spoke about Legacy (including historical information about Hamilton Legacy), which is a charity providing services to Australian families suffering financially and socially after the incapacitation or death of a spouse or parent, during or after their defence force service. Legacy currently cares for 100,000 widows and 1,900 children and disabled dependants throughout Australia.

Our next Guest Speaker Meeting will be held on Monday 4 November commencing at 8.00pm at the Dunkeld Museum. The guest speaker will be former Port Phillip Sea Pilot, Mr Brian Lewis. The meeting will be followed by a light supper and everyone is most welcome to attend.

Council on the Ageing (COTA) Victorian Senior Achiever Award 2013 – Mrs Barbara Dohle: The 2013 Victorian Senior of the Year Awards were recently presented honouring the extraordinary contribution of inspirational senior Victorians during an official ceremony at Government House in Melbourne. On behalf of His Excellency the Honourable Alex Chernov AC QC, Governor of Victoria and Mrs Elizabeth Chernov: The Honourable Chief Justice Marilyn Warren AC, Lieutenant-Governor of Victoria, welcomed the recipients and audience to the official reception.

The Minister for the Ageing, Mr David Davis, presented the COTA (Council on the Ageing) Victorian Senior Achiever Awards with Mrs Barbara Dohle from Dunkeld being one of the recipients of this prestigious award. (Barbara was nominated by the Dunkeld Museum Committee).

Barbara’s three daughters travelled from three different states (Lyn Dohle from Kangaroo Island, South Australia; Joy Wearn from Holbrook, New South Wales and Kay Dohle from Brisbane, Queensland) to be present and to celebrate this special occasion with their mother. Mr David Koch MLC, Member for Western Victoria, was in also attendance and personally congratulated Barbara on her award.

Earlier this year, Mrs Dohle was awarded a Southern Grampians Shire Council Australia Day Community Recognition Award. In 2009, she received the Dunkeld Australia Day Citizen of the Year Award, in recognition of her service to the Dunkeld community: “Barbara spends many hours working for the organisations that she is involved in, but on top of that, she also helps out individual people but is never after the limelight.”

Age is no barrier to Barbara, a modest and tireless volunteer with many organisations in the Dunkeld community. As the garden curator at the Dunkeld Museum, Barbara lovingly tends the heritage garden, keeping plants alive with extra care during the long, dry, hot summers. She also willingly assists as a volunteer on the museum roster and shares her extensive knowledge of local history with museum visitors.

Barbara also volunteers with and is an active member of the Dunkeld Red Cross, Dunkeld Arboretum Development Group, Dunkeld Visitor Information Centre, Dunkeld Gardening Group, Dunkeld Progress Association, Hamilton Pastoral and Agricultural Society and is a Friend of the Dunkeld Consolidated School’s Stephanie Alexander Kitchen Garden program. (Barbara is a Life member of the Hamilton Pastoral & Agricultural Society and received a 15 year long service award in 2011 from the Dunkeld Rural Fire Brigade).

In her spare time, she keeps an eye on locals in need of care, visiting them with fresh produce from her garden and providing assistance when she can.

Mrs Barbara Dohle is a very worthy recipient of a COTA Victorian Senior Achiever Award as she works tirelessly as a volunteer for Dunkeld, without expecting any accolades or recognition - she is a valued and respected member of our community. Well done and congratulations, Barbara!

The Museum will be open from 10.00am to 4.00pm on Saturday 19 October and from 10.00am to 5.00pm on Sunday 20 October. It would be appreciated if members could provide some baking or produce for our stall. Please deliver your items to the Museum stall before 9.30am on Saturday 19 October. If you have any queries please contact Terrie Nicholson on 5573 3353.

SPORTS REPORTS

The Club conducted its season opening on Sunday 15 September with Ladies Committee Secretary Dorothy Williams rolling the kitty and Club Secretary Geoff Hinchliffe the first bowl. A Pairs match was conducted with Frank Raymond (s) and Elaine McArthur winning the trophies.

The Men’s Club 100 Up Competition was conducted during September and the two finalists are Frank Raymond and Angus Jackson. That final is yet to be played.

Ladies weekday pennant has commenced with Dunkeld successful in their three matches to date against Coleraine, Casterton and Grangeburn. We hope to continue this good form against Macarthur this Friday. Results are printed in Hamilton Spectator Bowls Reports.

Saturday Pennant had their first round last Saturday, going down to Grangeburn. After a slow start on all three rinks, it was pleasing to see the teams led by Darren Gordon and Angus Jackson peg back their opponents and only lose on the last ends of their matches. A trip to Portland this week will see all players determined to get onto the winning list.

The Club was represented at the Region Opening at Warrnambool on Sunday 6th by President Heather McIntyre and Committee Member Peter Maclean.

Social Bowls – Played each Tuesday. Names in by 1.00pm. Also on Saturday afternoons. All “old” and new bowlers welcome. Names to club by 1.00pm. Club phone number: 5577 2282.
