FROM Mr Paul Jeffreys, Principal...

It has been wonderful to see children being asked to come forward and receive acknowledgements of citizenship and achievement during our assemblies. It is worth just mentioning again that these are not awards. They are what the certificates say… an acknowledgement that a child has become better at something or that a child has done something that has had a positive impact here at the school. They are not a measure of something great but simply we are saying to children, well done for getting better at that, and well done for acting in a positive way.

Someone suggested to me the other day that it was taking up a bit of time to announce and present the certificates at assembly. I thought about that, but not for long. If children want to get better at something, or they want to behave in such a way that our school and the people here benefit, then I am happy to spend a whole assembly acknowledging these young people. Every child has the capacity to get better at something or behave in a kind manner. They need to know that it is something for them to be proud of, no matter how big or small the actions or improvements. If every child gets better at something or acts in a kind manner, then we should acknowledge and encourage it. It is after all what is supposed to happen in schools. I am more than happy to hand out 104 certificates in a single week. Now there’s a challenge.

**PARENT PAYMENT CHARGES 2014**

Jemma competed in the Regional finals in Warrnambool on Friday 14 March and did really well – she knocked another 5 seconds off her time. Her qualifying time was 53.74 and she swam it in 48.30, coming in 6th overall.

Please note that Woodhouse bus will run as normal for the PREP students and the Mirrnatwa school bus is NOT required.

Please ensure that children have their school hat to wear, plenty of water to drink and sunscreen for the day and a packed lunch for your child/children. Lunch may also be purchased on the day.

All children are expected to take part in the events that are open to them. We ask that all parents support their children’s participation in this important part of the school’s curriculum. With the exception of some events – such as High Jump and Long Distance - where for safety and time constraints the number of competitors is restricted; all children will be competing in the various events in the program.

AUTHOR VISIT – 28 MARCH
Author, Ms Susie Sarah, will be visiting the Dunkeld Consolidated School on Friday 28 March and will be conducting interactive sessions with all the students. Susie’s latest book “Jumping Jack Jones” has recently been released.

PERCEPTUAL MOTOR PROGRAM (PMP)
Each year PMP (Perceptual Motor Program) runs during Terms 2 and 3 for the children in Prep. This is a terrific program that develops personal skills in terms of motor (or movement) skills and perceptual (awareness) skills.

The program runs in a half hour block with small groups rotating through 5 x 5 minute activity stations. In 2014 it will run on each Monday afternoon.

I will be looking for helpers again this year to supervise an activity station. Ideally four adults are required to help this program to run smoothly. A form is attached to this Newsletter so if you or Grandma etc would like to help you would be more than welcome (Kinder-aged children are welcome to attend with their parents and watch).

An information/training session for new PMP helpers will be held on Monday 31 March at 3.00pm in the school hall. Could you please complete and return the attached form by Monday 24 March.

The PMP equipment sessions will formally begin on Monday 28 April at 2.50pm. Could helpers please arrive at 2.45pm.

Thank you, Anne Gilbert

One book of raffle books (books of 20 tickets @ 20 cents each) will be distributed to each family shortly. Each year the Royal Children’s Hospital provides a prize to raffle. If children wish to sell more than one book of tickets could they please contact Gaylene Raymond at the office. Raffle tickets and monies will also need to be returned to school by Friday 28 March.

The raffle will be drawn on Wednesday 2 April. All raffle proceeds are forwarded to the Royal Children’s Hospital.

From the Kitchen Garden...

From the Kitchen...

Grade 3 and 4 students have enjoyed finding out about our kitchen, we discussed different pieces of equipment and the correct use. We talked about safety and correct behaviour so as to keep safe and enjoy our time in the kitchen. Importantly we talked about respect for our ‘Friends’ of the kitchen that arrive each week to help in the task of food education, respect for our equipment and respect for each other to ensure we all enjoy the preparing of food and sharing of a meal together. We harvested zucchini, rhubarb, eggs and potatoes and once again enjoyed sharing a delicious meal.

Grade 5 and 6 students enjoyed delicious Ginger & Grapefruit Curd to accompany the fluffy scones, Corn on the Cob, Crumbed Cauliflower, Zucchini & Corn Fritters with Fresh Tomato Sauce as an accompaniment, prepared and shared at the lunch table. A beautiful harvest of corn, tomatoes, zucchini and cauliflower graced the harvest table....Congratulations to our gardeners and waterers, the produce is ‘out of this world’!

Welcome and thank you to Geraldine Featherston, Di Dewan and Dot Callander for helping for the first time I am very grateful to you that you are new ‘Friends’ of the SAKG program, and to Kathy Young, Melissa McIntyre and Mrs Gerring for your skills and patience. Thank you to the Collins family for the cucumbers which have been pickled with onion and spices thanks to Merelie Encabo Patullo and Lily Graham. We attempted the same recipe with cabbage!! Successful experiment? The answer will be in the taste test!

If you have any surplus produce we would gladly take it off your hands. Please leave it on the harvest table or in the fridge each Wednesday with your name on it, in the SAKG Kitchen. Thank you.

Roster for the next three sessions:
Thursday 20 March: Year 5 & 6 - 11.15am – 1.30pm
Val Peters, Sandy Roache, Sally Graham, Kerren Collins

Thursday 27 March: Year 3 & 4 - 11.15am – 1.30pm
Geraldine Featherston, Kelly McNaughton, Melissa McIntyre, Pat Cullinane, Elaine Schurmann

Thursday 3 April: Year 5 only - 11.15am – 1.30pm
Kathy Young, Melissa McIntyre, Sandy Roache, Dianne Dewan

Happy preparing and sharing together.

From the Garden...

We received some very welcome news last week – we’d like to sincerely thank the Southern Grampians Shire Council’s Sustainability Group for granting the school funding to install a watering system in the garden. This funding, together with that received from the North Hamilton Rotary Club in 2012, will mean we can extend our pipelines and install a dripper system. We will use less rainwater, and lessen the time taken for our volunteer waterers over the holidays. We still intend for the students to hand water during the school term, as it’s important they learn how plants need and use water, and the correct and most efficient ways to keep their gardens alive.

It’s been a hive of activity in the garden these last few weeks. We have been busy pruning fruit trees, sowing seeds, watering, making sheep poo tea, harvesting tomatoes, potatoes and delicious sweet corn. The garden beds are getting a make-over – we are collecting and storing seed, removing old spent plants, lightlyforking the soil and adding both home-made and Hopkins River compost – beautiful! The Berry Walk has been pruned, the sensory garden (now called “The Memory Garden”) looks magnificent, and the Paddock has been “ploughed”, ready for sowing the next crop.

“Garden Friends are settling into their roles, and while the weather is good to us, all is well!”
Lisa McIntyre, SAKG Garden Specialist

**DISCOVER DUNKELD**

The Discover Dunkeld committee is planning another sensational weekend from 17 - 19 October, with an exciting list of events in the pipeline. All will be revealed in months to come, but it’s looking to be a jam packed program of events with major contributions from the Grampians Cricket Club, Dunkeld Kindergarten, Dunkeld Consolidated School and Dunkeld Adventure, all anchored by the annual Market in the Park. If your group is keen to be involved, please get in touch early to discuss your ideas.

The committee is also in the early planning stages of another event, this time focused on the history of this pioneering town and the myths and legends that raise the hairs on the back of your neck. A Winter Solstice Ghost Tour is on the cards for June in collaboration with the Royal Mail Hotel, and with the kind assistance of the Dunkeld Museum. We’re really eager to hear from anyone with an eerie story or spooky experience, as well as to learn more about the colourful Dunkeld & District characters. If you have personal experience (or have heard about) any strange happenings or close encounters (especially with the famed Grampians big cats), we’d love to hear from you. Call Belinda on 0447 857 337.

We’ll keep you posted as these events take shape for 2014. Discover Dunkeld Committee discoverdunkeld@gmail.com

Our next meeting is on Wednesday 19 March at 7.30pm.
ON THE BEAT
I would like to start by saying a big thank you to the Dunkeld Community for the very warm welcome my family and I have experienced since arriving in Dunkeld. It has made the settling in process so much easier. Dunkeld is a town blessed with an abundance of natural beauty but what I have found is that the true measure of a community lies in its people and their values.

The determined willingness and commitment of people living in Dunkeld constantly working to improve the community for all is amazing.

As I write this, Police have just concluded a long weekend traffic operation. Fortunately, the Dunkeld area has had a relatively good record despite the considerable traffic numbers coming through. However, a lot of people still feel that they can continue to drink and drive. This is an incredibly dangerous situation and what a lot of people don’t think about is that they will in most cases, not have any TAC insurance or their own insurance coverage if they are involved in a collision. This can have serious long term financial costs for medical treatment.

Some of the Dunkeld community has complained to me about trucks speeding through Dunkeld. Recently, two trucks have been issued with penalty notices for speeding up to 75 km/h in the 60 km/h zone which I’m sure you’ll agree is too fast. I need to say though that as a police officer you try to be fair at all times. Trucks are necessary for the transport of our goods and truckdrivers are trying to make a living like most of us, however, speeding through Dunkeld is not an option whether it is a truck, car or otherwise.

I would like to close by saying thanks to the volunteers at the CFA and SES for helping in the recent fire threatening Dunkeld near the Freshwater Lake. A lot of hours were worked in hot sticky conditions and you’ve done the community proud as always.

If you need police assistance please feel free to call into the Police Station or ring 5577 2260. If I am unable to get to the phone the phone will divert to Hamilton Police Station which is manned 24 hours and they will pass on a message to contact you.

DUNKELD PUBLIC LANDS COMMITTEE INC.

Caravan Park
It was pleasing to have some forty people attend the handover of the keys for our new cabin. Teachers from both Monivae and Baimbridge, Councillor Peter Dark and some of the boys’ parents attended to see the handiwork of the VCAL Students. Some of the boys, who had helped build the cabin, were also present.

Hamilton District Skills Centre (HDSC) manager, Tony MacGillivray handed over the keys to the committee, and paid tribute to the boys, and their instructor Roger Kennett, on the work done.

From the DPLCI’s point of view this has been a great project for the boys and the community. We hope to continue with further improvements to the park and involve the HDSC boys this year. To do this we will have to attract outside funding.

The cabin was completed at a cost of $47,000 all funded by the Caravan Park. Furnishings have been completed and the first clients were very impressed with the accommodation.

CALL IN AND CHECK OUT OUR IMPROVEMENTS SOMETIME.

If you haven’t heard of HDSC, it is in Mt Baimbridge Road, next door to the Secondary College. It houses, in a modern building, facilities to train Year 10 and 11 students from district schools in hospitality, automotive, building and hairdressing towards their first year of apprenticeships, while still attending secondary schools.

Salt Creek
A meeting with members of the Conservation Volunteers has been held. Also present was Hayley Glover of Dunkeld Pastoral Co. It is planned, to shortly, involve a number of school students on work, along the creek. Larger numbers could be involved, and to help, we may need a few adults to supervise. Keep a watch on the newsletter, if you are interested.

A separate project for Salt Creek has seen Hayley successfully applying for funding, through the DPLCI, for weed removal along the upper reaches of Salt Creek. The Pastoral Company has done much work, where the creek flows through their land, and to ensure the work is not wasted we have applied for funding along the upper reaches. The Southern Grampians Shire Council, through the Capital Works and Facilities granted $1000 for the project. All work along the creek through Dunkeld Pastoral’s property was funded by the company, but they will now assist us with the upper reaches.

Thank you to the Australian Conservation Volunteers, the SGSC and the Dunkeld Pastoral Company for their support in cleaning up the creek.

Our chairman Smithy has taken a break for few days, we hope he has a great time in Tasmania and comes back full of ideas for our Caravan Park.

DUNKELD MUSEUM UPDATE

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 17 March commencing at 8:00pm at the Dunkeld Museum.

Guest Speaker Meeting on Monday 7 April: Our next Guest Speaker Meeting will be held on Monday 7 April commencing at 8.00pm. Our guest speaker will be Mr Chris Simpson from Hamilton and his subject will be “Those Polywhatsnots”.

Chris was born during, and as a result of, a bombing raid on London in the 1940 ‘Blitz’. He was educated, both at School and University, at Oxford UK, emerging with a Doctorate in Chemistry.

From 1966 to 2008 he worked for an International Safety Products Company, first in England, moving to Sydney in 1969, effectively as an engineer. He was concerned from the start with Gas Detection Systems (such as he designed for the Sydney Harbour Tunnel) and portable Gas Detectors. Over the years he also became involved with the design, testing, and compliance testing of Automatic Fire Fighting Systems, Filter Respirators, Ear Muffs, Safety Helmets, and a whole range of equipment for the Royal Australian Navy (RAN). The latter included the Emergency Life Support Respiratory Device (ELSRD) air hood escape system, Open Circuit Compressed Air Breathing Apparatus (OCCABA - a

specialised self-contained breathing apparatus), and special gas monitoring for their recompression chambers.

He was also involved with the internal design of plant and equipment for production, test, and maintenance support of such equipment, as well as training staff in its use. This included becoming qualified in the inspection and testing of gas cylinders, and in achieving the high degree of cleaning required by the RAN without the use of special chemicals.

A light supper will follow the meeting and everyone is welcome to attend.

Annual Excursion on Saturday 22 March: The Dunkeld Museum’s annual excursion will be held on Saturday 22 March. This year the Museum shall be travelling to the Gunditj Mirring Traditional Owners Aboriginal Corporation at Heywood where we will view a short film about the reclamation of the Condah Swamp before travelling to the Lake Condah Aboriginal Mission which includes the aboriginal refurbishment program of the eel traps at Lake Condah and then to the Bessiebelle Sheep Wash, which is on aboriginal land.

Cost of the excursion is $30.00 per person which goes to the aboriginal community to further develop the Lake Condah mission area and the lake.

You may choose to bring your own lunch or purchase lunch from the standard lunch menu at the Macarthur Pub.

We plan to car pool and will meet at the Dunkeld Museum at 9.30am on 22 March (and at 10.00am at Coles Carpark in Hamilton if there are any passengers to pick up).

VOLUNTEER WANTED URGENTLY

From the Kitchen Garden...

Serra Terror V – 6 to 9 June

Grade 3 and 4 students have enjoyed finding out about our kitchen, we discussed different pieces of equipment and the correct use. We talked about safety and correct behaviour so as to keep safe and enjoy our time in the kitchen. Importantly we talked about respect for our ‘friends’ of the kitchen that arrive each week to help in the task of food education, respect for our equipment and respect for each other to ensure we all enjoy the preparing of food and sharing of a meal together. We harvested zucchinis, rhubarb, eggs and potatoes and once again enjoyed sharing a delicious meal.

Grade 5 and 6 students enjoyed delicious Ginger and Grapefruit curd to accompany the fluffy scones, Corn on the Cob, Crumbed Cauliflower, Zucchini and Corn Fritters with Fresh Tomato Sauce as an accompaniment, prepared and shared at the lunch table. A beautiful harvest of corn, tomatoes, zucchini and cauliflower graced the harvest table...Congratulations to our gardeners and waterers, the produce is ‘out of this world’!

Welcome and thank you to Geraldine Featherston, Di Dewan and Dot Callander for helping for the first time I am very grateful to you both that you are new ‘friends’ of the SAKG program, and to Kathy Young, Melissa McIntyre and Mrs Gerring for your skills and patience. Thank you to the Collins family for the cucumbers which have been pickled with onion and spices thanks to Merielle Encabo Patullo and Lily Graham. We attempted the same recipe with cabbage! Successful experiment? The answer will be in the taste test!

Roster for the next three sessions:
Thursday 20 March: Year 5 & 6 - 11.15am – 1.30pm
Val Peters, Sandy Roache, Sally Graham, Kerren Collins

Thursday 27 March: Year 3 & 4 - 11.15am – 1.30pm
Geraldine Featherston, Kelly McNaughton, Melissa McIntyre, Pat Cullinane, Elaine Schurmann

Thursday 3 April: Year 5 only - 11.15am – 1.30pm
Kathy Young, Melissa McIntyre, Sandy Roache, Dianne Dewan

Happy preparing and sharing together.
Clare Kennedy, SAKG Kitchen Specialist

From the Garden...

We received some very welcome news last week – we’d like to sincerely thank the Southern Grampians Shire Council’s Sustainability Group for granting the school funding to install a watering system in the garden. This funding, together with that received from the North Hamilton Rotary Club in 2012, will mean we can extend our pipelines and install a dripper system. We will use less rainwater, and lessen the time taken for our volunteer waterers over the holidays. We still intend for the students to hand water during the school term, as it’s important they learn how plants need and use water, and the correct and most efficient ways to keep their gardens alive.

It’s been a hive of activity in the garden these last few weeks. We have been busy pruning fruit trees, sowing seeds, watering, making sheep pooh tea, harvesting tomatoes, potatoes and delicious sweet corn. The garden beds are getting a make-over – we are collecting and storing seed, removing old spent plants, lightlyforking the soil and adding both home-made and Hopkins River compost – beautiful! The Berry Walk has been pruned, the sensory garden (now called “The Memory Garden”) looks magnificent, and the Paddock has been “ploughed”, ready for sowing the next crop.

Our Garden Friends are settling into their roles, and while the weather is good to us, all is well!
Lisa McIntyre, SAKG Garden Specialist

FROM THE LIONS DEN
At the last dinner meeting the club invited our local shire workers and a representative from the council so that we could publicly thank the men for the work that they do in both Dunkeld and Glenthompson. There is no doubt that one of the reasons that our area looks so good is because of the hard work and dedication of these men. So from the Lions and the wider community, thank you.

Lead up to Anzac Day
The qualities of the Digger
Courage; Both physical and moral is a core element. It comes from many forms, from the sustained inspirational bravery of men like Albert Jacka in World War 1, who by all accounts won his VC many times over, to the timeless valour of Bruce Kingsbury, who charged into immortality on the Kokoda Track. But most Diggers recognise the crucial value of moral courage and accord it a respect, albeit often underplayed, that surprises many observers.

In our time and for all time we will remember them.
Please support the Anzac Day dawn service and breakfast afterwards.

Evolution; I was having a discussion with one of our local thinkers about evolution and he started quoting Darwin’s theory and scientific facts to support his belief in evolution. But I was able to floor his argument with one simple question. “If evolution really works, how come mothers still have only two hands?”

“GRAMPIANS ARK” and “GRAMPIANS TO GRASSLANDS” FOX CONTROL PROGRAMS
Landowners, residents and visitors please be advised that the next round of fox baiting will occur from Monday 3 February to Sunday 13 April 2014 in the Mirranatwa, Vic Valley, Karabeal, Moutajup, Warrayure, Lake Linlithgow, Croxton, Dunkeld, Woodhouse and Glenthompson areas.

Baits can be collected from Kelly & Henson, Dunkeld. Ben Holmes (Parks Vic) is unfortunately unable to personally deliver them this round. These baits are at no cost to the landowner; this cost is covered by funding from both DSE and “Caring For Our Country” grants. Remember, your ACUP needs to be shown in order to collect the baits.

It has long been proven that baits laid this time of year bring increased results, and if the majority of landholders participate, a great dent will be made to the fox population. As baiting is also occurring in the National Park, we have a real chance to make a difference.

I will endeavour to contact all registered participants over the next few days, however, if you have any questions or queries, please don’t hesitate to call. We also warmly welcome any new participants. Lisa McIntyre 5574 9235.

SAINT PATRICK’S CHURCH DUNKELD
I wish to thank the volunteers whom have been attending the working bees, from clearing away trees and shifting fences to renovating the toilet block and extending the footpath, our committed team of volunteers (approximately 882 volunteer hours) have proven that anything is possible with a lot of enthusiasm and a fair bit of faith. All of these projects have been a success due to the guiding hand of Andy Gordon, who has been the cornerstone of all the work done at the church. Thank you all.

The team have been busy again, painting the doors and sanding and painting the fascia boards while the new spouting and drainage was completed by Peter McDonald Plumbing.

Water sitting around the church and the block has created many issues for us over the years. So now with the spouting fixed and the weather changing, we are about to tackle the largest job of all, that of levelling the area surrounding the church, while allowing for a slight fall away from the buildings. This will include a small cement path along the east side of the church, along with several loads of soil, a plough, a laser level and lots of time, all this should result in a very presentable area around the church. We also plan to modify access to the church with changes to the footpath into the church and a ‘driveway’ to allow some vehicle access to the buildings.

This marks the third consecutive year the Bank has received the accolade, after being judged best in business at the inaugural awards in 2011 and again in 2012. Branch Manager Anna Watson says the award was recognition of the significant investment the Bank had made in the business space throughout 2013.

“Over the past 12 months we have invested heavily in staff training, and looked at innovative ways to engage with our business network. Our team works hard to ensure that for businesses, big and small, banking with Bendigo Bank is easy.”
