FROM Mr Paul Jeffreys, Principal...

Usually at this time of the year we are thinking about the coming break: needed by the children and deserved by the teachers. We look back over the first semester and recognise (at the time of writing): Lillian Glazebrook, Connor Gordon, Bonnie Jackson, Hayden Phillips, Jasmine Crawford, Alexander Prentice, Maddi Calvert, Flynn Darroch, Charlie Field, Chloe Frost, Thomas Kent, Lachie Phillips, Brodie Reynolds, Sam Cullinane, Sarah Symes, Merielle Encabo Patulo and Jesse Symes for their fantastic attendance records of 100%. This is a big deal, I think.

Not only have these people had the capacity to withstand those bugs which sometimes sweep through schools, but they have maintained their enthusiasm (I say that reservedly) to come to school. Well done to those parents and carers for supporting them to come to school every day. It’s not always easy for children to come back to school after an absence, even of just one day. They walk back into the school and ‘things’ have happened while they have been away. Something new has been introduced in the classroom. Something in the playground has happened and they are not up with the ‘news’. It can be as though the world has moved on without them.

At this time last year, five children would have had the opportunity to stand in front of an assembly to receive recognition (as an Aussie of the Month) during the first semester. To date, children have been asked to stand and be acknowledged for getting better at some area of their life at the school on no less than 195 occasions. Just last week I commissioned the printing of another 400 acknowledgement certificates. If a student gets better at something (it could be a single solitary skill) or displays acts of positive citizenship, then hopefully we can see 400 children being recognised at an assembly during the second semester. So I declare that... Semester 2, 2014 will be given the slogan... ‘Target 400’.

Sometimes in their busyness, teachers overlook a deserving student and they miss out when this should not be the case. Children should have a voice, and so I am inviting every student to make a claim to their teacher if they believe they deserve acknowledgement for getting better at something. If a student can provide evidence that they have become better, then they equally deserve to be acknowledged. To the students of Dunkeld Consolidated School... get better, work harder, care more for those around you. ‘Target 400’.

I would like to wish students and families a happy holiday period where the days are spent with one another's company. Thank you to the teachers for your work. Thank you to our School Council members, and to members of Parents and Friends who have been exceedingly busy this last semester. And thank you so much to those who have supported me in this my first year as principal. I hope I can be better over the next year.

LINKING LEARNING BIRTH-12 PROJECT

The Minister for Children and Early Childhood Development and the Minister for Education; Minister responsible for the Teaching Profession launched the Linking Learning Birth-12 Project.

FROM Mr Paul Jeffreys, Principal...
The project aims to enhance children’s learning from birth to age 12 by supporting families, educators and service providers to work together more effectively to develop a seamless, integrated approach to learning. Further information about the Linking Learning Project is available at: www.linkinglearning.ning.com

EDUCATION MAINTENANCE ALLOWANCE (EMA)
In the recent School Reform agreement signed with the Commonwealth, the Victorian Government has changed the way it helps low income families with education expenses.

From 2015, the Government will distribute the funds previously used for the EMA directly to schools. DEECD will develop the arrangements to be used to distribute these funds to schools – consultation will occur with stakeholders about this.

Why? Under the recent School Funding Reform an additional $12.2 billion will be allocated to Victorian schools.

Will my child be worse off? No. Education funding for children will increase but will be delivered to your child in a new way through their school. The new agreement provides that schools with the most vulnerable students will receive the funding they need.

The students who will benefit the most from this funds agreement are those who are the most vulnerable.

From the Kitchen Garden...

Our thanks go out to the many Friends that have been able to help us these last few weeks. Though the weather is cooler, there are still many activities we can do outside. We have begun to work with Ben Gaylard from Dunkeld Pastoral Company, constructing nest boxes for sugar and feather tail gliders. The children are making these, with guidance from their Friends. We have 60 to make!

We have also taken plant cuttings and divisions from mint, chives, pineapple sage, rosemary, ornamental grape, geraniums and daisies. We’ve planted and sown cauliflowers, broccoli, cabbages, spinach, onions, lettuces, carrots, parsley, “micro greens” – to harvest when only a few centimetres high, garlic, peas, snap dragons, and aconums. Molasses has been sprayed onto the brassicas (to deter white butterflies – and produce beautiful sweet crops!), lime been spread on the onions and rhubarb, and Hopkins River Compost and straw placed around the rapidly growing potatoes (we obviously missed a few last harvest!). Our paddock has been sown – Echidna oats this year, and the seedlings are just emerging now. Sheep poo tea is still being watered on everything, and “Rocket Fuel” is thrown far and wide. The first feijoa harvest happened – we had 8, they were lovely! The chooks legs are looking slim and shiny, thanks to their regular washing and oiling to get rid of the scaly mite problem. And Annette’s work with the children and their art looks fantastic! All is good.

My thanks goes to all those very kind people that have helped us this term, either by donating something (plants, seeds, bulbs, manure, hay etc), those that have helped us through fundraising, and those Friends who have taken time out of their busy lives to come in and help us run the program each week. You know we couldn’t do it without you.

Please remember to bring coats, hats and boots to school on Thursdays – it can get pretty cold out there!

Happy Holidays!
Lisa McIntyre, SAKG Garden Specialist

PS: If anyone can help keep an eye on the Chook Palace over the holidays please let me know.

So far the Dunkeld team has played terrific games against St Mary’s, Hamilton North and Gray Street Primary Schools.

Each week has shown tremendous improvement from the Dunkeld team, with our endeavour in the area of ‘1 per centres’ being phenomenal, especially our smothering and protecting the ball carrier.

Each week, players are awarded achievement certificate for showing team work and giving their best efforts. So far awards have been handed out for the first two games and the recipients are:

SERRA TERROR A HUGE SUCCESS

The mountains were alive with the sound of hiking feet as a record two hundred and thirty competitors made their way across the Victoria, Serra and Mt William Ranges during the Serra Terror Endurance Challenge held on the June long weekend.

The competition tested the physical endurance of all participants, whether their team was running or hiking the entire eighty kilometres or as part of a relay event.

Georgina Mann, who was one of the event co-ordinators, alongside Keri Ross from Penshurst, said, “Everyone had a good time and the event went off without incident. It was a really happy and positive atmosphere and the weather was really kind to us. We have received lots of positive feedback which we will be able to use for the planning of next year’s event.”

“Two hundred and thirty people was the right number for the course to handle, so we were pleased with the event numbers,” Georgina said.

“It was great to have our ambassador, football legend and men’s health advocate David Parkin, on board. He walked some of the track with a team of girls and there was a real buzz about him,” Georgina added.

Over the past five years the annual Serra Terror challenge event has raised $100,000 towards the Dunkeld Community Centre project which is currently under construction.

“The funds we raise will always go back into the Dunkeld community,” Georgina said.

COMMUNITY NEWS

DUNKELD RURAL FIRE BRIGADE

The Annual General Meeting of Dunkeld Rural Fire Brigade on 10th June reviewed the eventful fire danger period of 2013/14, which saw another long, hot and difficult summer, with a sudden and intense heatwave in mid-January. Fire restrictions commenced on 23rd December and were lifted on 5th May. There were 11 days of Total Fire Ban. The Brigade received a total of 17 calls for the year ending 31st May 2014. Several of these were significant, and many involved supporting other Brigades. The period between 15th and 24th January saw almost continuous action, due to many fires caused by lightning, especially the major fires in the northern Grampians which burnt for some weeks and consumed some 55,000 hectares. All these fires started on Wednesday 15th January, and the one of most concern to Dunkeld was the 50 hectare fire between Freshwater Lake and Mt Abrupt. Excellent work was done by many crews and Brigades over several days of extreme heat, blacking it out. The Dunkeld Tanker was also away on strike team duties at Laharum and Stawell from 18th to 24th January. The other major incident during the year was on 31st October, when the conference centre at the Royal Mail Hotel was destroyed by fire.

A major roadside burning programme was again undertaken by the Brigade this season, most of it in conjunction with neighbouring Brigades. However, burning did not commence until February, as the roadsides were green until mid-January, when the heatwave and fires immediately followed. The most significant burns achieved were on the Glenelg Highway from Mill Road through to “Glenrondal” east of Glenthompson, Old Ararat Road, Penshurst-Dunkeld Road, Blackwood-Dunkeld Road and Bundol Road. The Brigade sincerely thanks all volunteers, across several Brigades, who worked so hard on this burning programme, and also in preparing the graded breaks in advance.

The Brigade also assisted at the two burns conducted by DEPI/Parks this year, at Mt Sturgeon and the Piccaninny. The Brigade is pleased that cooperation between the two organisations is improving in this important work.

The meeting decided to maintain the suggested level of voluntary donations to the Brigade at $50 per landholder and $30 per household in the town for 2014/15. The Brigade is extremely grateful to the Dunkeld and district community for their continuing financial support, which builds the funding base over time to allow the purchase or replacement of a major item of equipment, for example the Brigade-owned Isuzu tanker (“Dunkeld Suzi”), which is now 24 years old.

The changeover to digital radio for the VicFire despatch channel ONLY (from channel 53 to 505) in District 5 is expected to occur shortly. Current procedures in Serra Group will remain the same, including the use of channel 11 as the primary fireground channel. Those with listening sets will still be able to hear VicFire on channel 53, as well as all fireground channels. The full change to digital radio will not occur in the short term, and until such time as new digital listening sets are available at a reasonable price.

The Brigade again sponsored its annual fire prevention poster competition at Dunkeld Consolidated School, which has been organised by Helena Flinn for the past 30 years. Prizes (book vouchers) were presented to the winners in each grade by Captain Mike Gordon and member Flick Gordon at the school. An article and photo on this presentation appeared in “The Fireman”.

The Brigade is pleased to welcome the following new (or transferring) members during the year:

Michael Innes, Tim Burton, Glen Darroch, Craig Williamson, Geoff Potter, Andrew Huf, George Nichols, David Lomas, Marc Fitzpatrick, Simon Cullinan, Tristan McMahon, Von Gordon, Anthony Graham, Mick Alderman, Cam Morris, Lee-Ann Gordon.

DIABETES RESEARCH

Parenting children with type 1 diabetes

Children With Type 1 Diabetes - Are You Challenged by Your Child’s Diabetes?

The University of Queensland is conducting research into parenting children with type 1 diabetes. Parenting a child with diabetes presents many challenges (everything from the regular blood glucose monitoring and insulin intake, to more general parenting tasks). The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult, and to use this
information to develop strategies that might assist parents in managing their child’s diabetes.

If you are a parent of a 2 to 10-year-old child with type 1 diabetes, we would love to hear from you! By sharing your experiences (confidentially), you will be making a valuable contribution to the development of much-needed childhood diabetes management strategies for parents.

To complete the online survey, please log on to: https://exp.psy.uq.edu.au/type1diabetes

For further information about the project or to request a survey to be posted to you, please email Aditi Lohan (aditi.lohan@uqconnect.edu.au) or call (07 3365 7689) at the Parenting and Family Support Centre in the School of Psychology at the University of Queensland, St Lucia Q 4072 (Fax: 07 3365 6724). Thank you for your time and participation.

FROM THE LIONS DEN

Again this year we had the honour of assisting Serra Terror run their very successful weekend. God was kind to us with the weather and the Shire men had the park looking great. Our congratulations to the committee for the work they put in and also to all the other helpers. A great event that Dunkeld can be proud to be associated with.

Occupational humour

The Undertaker
This is a true story that happened here in Dunkeld in the days of the horse drawn coffin carriage. This was black in colour with glass sides so that the coffin could be seen with flowers placed around it. The horse had a black tassel on its head gear and the undertaker and his assistant were in black and wore high hats.

It was a routine that after the burial in the Dunkeld cemetery the undertakers would stop off at the Royal Mail Hotel before heading back to Hamilton. On one occasion they stopped off and went inside and were having refreshments when one of the locals started making fun of them and even went as far as knocking the hat off the undertaker’s assistant. At this the undertaker took out his tape measure, moved behind the comedian and started to measure the width of his shoulders with the tape measure. As he did this he said, “You know don’t you that we will end up with you?” That stopped any more smart remarks or any fights and our local left there a very different man.

Soldier On – Helping Our Wounded Warriors: The trauma of war does not end when the guns stop firing. Some survive a traumatic event,
like a car accident, with nothing but a few bumps and scratches, but we all know sometimes these experiences can have lasting effects. It’s the same for our servicemen and women. The majority of the men and women who serve in our Army, Navy and Air Force may never feel the negative effects of service and are able to continue living their lives unafected. However, just like those who come out of a car accident with broken bones and shattered lives, some of our military heroes are also broken physically and psychologically.

You can help us to make their journey easier by supporting Soldier On. Your generous gift can go towards providing rehabilitation and support for them to overcome the obstacles caused by their injuries; enjoy happy, fulfilling lives; and feel proud for the sacrifices they have made. DUNKELD PUBLIC LANDS COMMITTEE

Salt Creek
We have had a very busy start to 2014. The work done at Salt Creek was extensive and important. We hope that the weed problem is contained. Ben Gaylard from Dunkeld Pastoral Company is erecting nesting boxes along the creek. It is hoped that this will protect and encourage gliders. The Fire Brigade was planning a limited burn along the creek, but the weather has been against this happening.

Caravan Park
We recently had a visit from Worksafe. Prustie asked them to come and check the Park. Apart from a few minor things we passed with flying colours. Gary does a great job keeping the Park safe and clean. Winter is our quiet season. We plan to upgrade the original cabin soon.

Tourist
Prustie has gone bush again. If you need to contact our committee during the next 2 months, I am the first port of call.

Part Time Caretaker
We need to look for someone who would like to do some part time work for us. There are times that Gary has to go away and he deserves a break. Norm Schwarz has been great helping us, but he could move at any time. We need to be prepared. If you would like to discuss this, please contact me 5577 2397.

Volunteering
After being involved in another very successful Serra Terror, the subject of volunteering came to mind. Small communities would not survive without the huge number of volunteers that work tirelessly to improve their community. Congratulations to all who give up their time to help.

Do not be afraid to offer your help in some way. Volunteering does take some of your time, but you meet lots of people and usually have some fun. Dunkeld has many committees that need to function well for our community to thrive. If you have some time, put your hand up - I am sure you will not regret it.

HOST FAMILIES NEEDED IN JUNE/JULY 2014
EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS IMPROVE YOUR LANGUAGE STUDIES AT HOME

Student Exchange Australia New Zealand is a not-for-profit organisation that is registered with all state and territory Departments of Education around Australia and with the Ministry of Education in NZ. We are the first and only secondary exchange organisation in Australia and New Zealand to be certified to ISO 9001 (Quality Management System) and we ensure the highest standards of care and support to our participants.

In June-July we will be receiving exchange students from Europe, the USA and Latin America. Our new arrivals will live with a host family and attend a local school for 2 or 10 months. As we plan for their arrival, we are looking for host families across Australia to welcome these students into their home. Our students originate from a variety of countries. Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. You might even make a friend for life!

"GRAMPIANS ARK" and "GRAMPIANS TO GRASSLANDS" FOX CONTROL PROGRAMS

Landowners, residents and visitors pleased be advised that the current fox baiting pulse runs from Monday 2nd June to Sunday 10th August 2014, covering Mirranatwa, Vic Valley, Karabeal, Moutajup, Warrayure, Lake Lilingow, Croxton, Dunkeld, Woodhouse and Glenthompson areas.

Free baits can be collected from Kelly & Henson, Dunkeld. The cost is covered by funding from the DSE and "Caring For Our Country" grants. Remember, you need to show your ACUP in order to collect your baits.

Even though we are now in Winter, it is still quite dry and mild, and baits will still be eaten. Many ewes are lambing. Baiting now will work and save lambs lives. If you are not a sheep farmer, baiting will help the chook, small mammal, bird and reptile survival, as well as helping your neighbours' lambs - this is a great community program. If everyone works together, we will make a difference. Baiting is also occurring in the National Park at the same time.

Please collect "Bait Take Data Sheets" when you collect your baits, and I will collect the information at the end of the pulse. New participants are welcome, please contact me with any queries. Lisa McIntyre 5574 9235

From the Kitchen Garden...

Our thanks go out to the many Friends that have been able to help us these last few weeks. Though the weather is cooler, there are still many activities we can do outside. We have begun to work with Ben Gaylard from Dunkeld Pastoral Company, constructing nest boxes for sugar and feathertail gliders. The children are making these, with guidance from their Friends. We have 60 to make!

We have also taken plant cuttings and divisions from mint, chives, pineapple sage, rosemary, ornamental grape, geraniums and daisies. We've planted and sown caulis, broccoli, cabbages, spinach, onions, lettuces, carrots, parsnley, "micro greens" – to harvest when only a few centimetres high, garlic, peas, snap dragons, and acorns. Molasses has been sprayed onto the brassicas (to deter white butterflies – and produce beautiful sweet crops!), lime been spread on the onions and rhubarb, and Hopkins River Compost and straw placed around the rapidly growing potatoes (we obviously missed a few last harvest!).

Our paddock has been sown – Echidna oats this year, and the seedlings are just emerging now. Sheep pooh tea is still being watered on everything, and "Rocket Fuel" is thrown far and wide. The first fijioa harvest happened – we had 8, they were lovely! The chookis legs are looking slim and shiny, thanks to their regular washing and oiling to get rid of the scaly mite problem. And Annette's work with the children and their art looks fantastic! All is good.
My thanks go to all those very kind people that have helped us this term, either by donating something (plants, seeds, bulbs, manure, hay etc), those that have helped us through fundraising, and those Friends who have taken time out of their busy lives to come in and help us run the program each week. You know we couldn’t do it without you.

Please remember to bring coats, hats and boots to school on Thursdays – it can get pretty cold out there!

Happy Holidays!
Lisa McIntyre, SAKG Garden Specialist

PS If anyone can help keep an eye on the Chook Palace over the holidays please let me know.

The struggles have continued on the footy field, with disappointing losses for our Senior and Reserves footballers against Hawkesdale Macarthur and Penshurst. The Senior team has played patches of good football, being competitive for periods in both games, but have not been able to sustain the effort for the full four quarters. Our younger players continue to improve, with Dylan Golding in particular playing another encouraging game against Penshurst last weekend.

Our reserves have struggled for numbers, and the effects of injuries in the seniors have been there for all to see in the reserves games. Several veterans have made guest appearances to help out, and the club appreciates their efforts to wind back the clock. The Under 16’s had another fantastic win against Hawkesdale Macarthur, but with a couple of key players unavailable were given a reality check by Penshurst.

The netballers have been going quite well, but they too struggled against arch rivals Penshurst last week. The B Graders got up for a tight win with Naomie Phillips leading the way, and the Under 13’s fought out a tough draw, but all other grades were defeated. The A Grade game was particularly disappointing, with the Rams overrun by a determined Bombers team in the last quarter. The senior grades and Under 17’s remain in the Top 5 and should contest finals if they can maintain their early season form.

Auskick finished up last Thursday night with the annual Parents vs Kids game and pie night. The club is very grateful for the efforts of Brad Mawson and Sally Beggs in organising and running Auskick, a tough task when there are almost 50 kids participating each week.

Off the field the RAMS Ball at Devon Park woolshed on 31 May was a huge success with over 130 people attending. It was great to see so many people from the broader community joining us for the evening. Our next big social event will be the “Bogan Bingo” on July 12 at the Glenthompson Hall. Stay tuned for further details of what is sure to be a great night.

Please return completed feedback form to the Dunkeld General Store by Monday 14 July 2014

*We are currently seeking thoughts from the community about this project. We hope we have taken on two to three months worth of consultations and feedback. We are excited about the opportunity to work as a sub-committee of the Dunkeld Progress Association and see our role as helping to promote the space and to work towards the betterment of this town.*

The OT Collective feels that the old station is an obvious choice for an arts and creative space. The OT Collective has encouraged our small collective to put together a proposal and minutes plan outlining a sustainable and viable operation that has local and wider community benefit.

The first step towards re-establishing the OTR has begun!
