School Traffic Guidelines
School Traffic issues (by Leading Senior Constable Bruce McNaughton)
‘Every Day Counts’ – Primary School Attendance
FROM Mr Paul Jeffreys, Principal...

‘George the Farmer’ has visited our school and children in years Prep to Year 2 were introduced to the new book in the George the Farmer series; ‘George the Farmer Shears a Sheep’. The children took part in some singing and dancing before subjecting George to a mountain of hugs on his farewell. Prior to the visit, our students have worked with an educational app and CD and all of the children were familiar with the first book of the series; George the Farmer Plants a Wheat Crop.

We thank Bendigo Bank (Dunkeld & District Community Bank) for introducing George the Farmer to our school through their sponsorship of the George the Farmer educational brand at Sheepvention. We were lucky to get the opportunity.

Many people in the school community would not be aware that the bank supports our school in other ways. The Bendigo Bank, through their manager Anna Watson and board has kindly given our school a significant financial grant for 2015. Bendigo Bank has clearly expressed that if their business grows, they would like to continue and even increase their generosity into the future. Asked when discussing in 2014 their offer of support, “What are we expected to do in return for that support?” The reply was, “Nothing. We just want people to give our business an opportunity to quote on the financial products that we offer...insurance, loans and finance.” Unashamedly then, I would like to ask our parents and friends to give that opportunity to one of our major supporters, our local Bendigo Bank.

Traffic at front of school: I would like to thank parents and friends who drop off and pick up students to and from school for cooperating with the requests made late last year and earlier this year. Your cooperation ensures greater safety for your children. It has been reported to me recently that some children have been seen exiting vehicles on the Victoria Valley Road side of cars. Please, ensure children exit vehicles only on the footpath side. The local police informed me this week that some cars heading towards town from Halls Gap were driving at up to 85 km/hour past the school (namely foreign tourists) and so the following small extract of our parking guidelines needs to be observed:

- Children to exit vehicles on the footpath side of the car only.
- Any bags or equipment stored in rear compartments of vehicles must only be removed by an adult.

The complete School Traffic Guidelines can also be viewed on the school website – www.dunkeld.vic.edu.au

Currently, all staff are undertaking an update of first aid training. This involves two 3 hour sessions beginning last Wednesday after school and then again next Wednesday. I thank the staff for their dedication to ensure we are able to deliver our best in caring for children who require medical or emergency assistance.

In Primary school, some children miss on average, three weeks of school every year. That’s half a year of school by the end of Year 6 (Department of Education and Training statistics). Please give some consideration to the attached flyer.

Drive-In Movie Fundraiser
Friday 2 October

A Working Party (under the Community and School Promotions Sub-Committee) has been formed to organise and plan this year’s main School Council fundraiser – a Drive-In Movie, which will be held on Friday 2 October. A Silent Auction and Happy Hour in the Grampians Cricket Clubrooms with children’s activities will precede the movie at 5.30pm. The movie will commence at 7.30pm sharp.

2015 SOMERS CAMP REPORT
On 14 July four girls and four boys went to Somers Camp - Zach Burgess, Will Kent, Oliver Fenwick, Liam Fenwick, Jessica Field, Julia Kelly, Lily Graham and Lucy Calvert. When we first got to Somers camp we got into our groups and huts and had a tour of the campsite. We did lots of fun activities such as the High Ropes Course, Challenge Swing, Flying Fox, Rock Climbing, Abseiling, Boating, Bike Ed, Low Ropes Course, Orienteering, Environmental Studies, Initiative Activities and bush cooking. We also made lots of friends.

Your hut had 19 people that you didn’t know. In Bush Cooking we made Tea, Damper and Banana Boats. In Abseiling we walked down a two storey building backwards. In Bike Ed we learnt skills on the bike. We also got to ride on a dirt bike track. On the High Rope Course we wore harnesses and walked around a ten metre high course that was hard. Initiative activities were all about working together.

There were also table hosts that served everyone else and washed dishes. There was also canteen open every night. On the big court in the middle of Somers there was a big rock you could climb up and if you fell down it was a soft landing because the ground was squishy around the rock. There was lots of sports equipment to play with when we had free time. At night after dinner you got an option to do mini golf or a games room or you could just play outside. Every night we did diary writing in our Somers diaries. If you did really good writing you got a badge. The cleanest hut at the end got a badge which was Jessica’s hut (Hut 3). We all had a really great time! By Jessica Field, Lily Graham and Julia Kelly

YEAR 4/5/6 MELBOURNE CAMP REPORT
The Grades 4, 5 and 6 students of the Dunkeld Consolidated School travelled to Melbourne for a four day camp. First stop was Ballarat to have our recess then we jumped back on the bus and headed to the Melbourne Zoo. We saw many different types of animals such as the very cute baby hippo.
We went to the butterfly house and here is an estimated guess on how many butterflies there were - about 500-1000 butterflies. Then we were all sad to leave all the cute and scary animals.

After we departed from the zoo we went to the Miami Hotel Melbourne (the place where we were staying) and we found out which rooms we were allocated to.

Then we departed from the Miami Hotel to go to the Eureka Skydeck 88. When we got there we had groups of twelve to go into the elevator and we went up to level 88.

Craft Club

Every Friday, Miss Berry is conducting a Craft Club in her classroom from 1.40pm to 2.15pm and the children have been participating in a variety of crafts. The school would greatly appreciate any donations of wool and knitting needles, to either borrow and return or provide to the school.

SPORTING SCHOOLS

The Sporting Schools’ Term 3 program will be ‘Netball’. Sessions will be held for four weeks from 3.30pm to 4.50pm on Monday afternoon commencing on Monday 10 August and finishing on Monday 31 August. Students are reminded to please bring an afternoon snack.

If the weather is inclement, sessions will be held in the undercover area and both girls and boys are encouraged to attend these fun activities. Mrs Dee-Anne Gerring will be the Co-ordinator for the Sporting Schools program.

BOOK WEEK

Students will be engaged in multi-aged Book Week activities during the week when groups of Prep to Year 6 students will work together with each of our teachers, reading a book and enjoying a follow up activity.

A reminder for parents, friends and children that 24 – 28 August is Book Week Students (Books light up our world) should be thinking about dressing up as their favourite book character. A parade of characters will take place at 9.00am on Friday 28 August. We have invited our 2016 Preps to attend the parade and participate in a Book Week activity following the parade.

Which book characters will we see this year? Parents, friends and new parents for 2016 are warmly welcome to watch the parade. Students are reminded to please bring their school uniform to change into after the Book Parade.

School Disco on Friday 28 August

To coincide with Book Week celebrations, a School Disco (organised by Mrs Anne Gilbert) will be held in the School hall from 7.00pm – 9.00pm for Prep to Year 6 students.

Four year old Kindergarten students are also welcome to attend.

The P & F will provide tea and coffee for all parents in the staffroom. Kindergarten mothers may stay with their child in the school hall or adjourn to the staffroom for a cuppa and a chat.

- Entrance fee - $2.00 per child.
- Could students please bring a small plate of food to share for supper and their own drink bottle.
- No secondary school helpers are required.

Children are invited to wear a ‘TOUCH OF YELLOW’ to the School Disco. All proceeds will go to the Cancer Council Victoria (for Daffodil Day).

BIG BLOKES BREAKFAST on 1 September

Look out for an upcoming invitation from students to adult males who play significant roles in the lives of the students. We are hoping for a ‘BIG’ turnout at the ‘Big Blokes Breakfast’ on Tuesday 1 September commencing at 7.30am at the school. Fathers, grandfathers or other significant males are equally valued and invited to invest some time with children at our school on this morning. Your presence is supported by the teachers and it is loved by the children.

SHEEPVENTION

Congratulations to Year 3 student, Charlie Adams, who has received a book entitled “Dung Down Under – dung beetles for Australia” for the school library, for “locating lambs behaving badly and identified bare ground as the number one enemy of healthy soil when visiting the Glenelg Hopkins CMA farming display at Sheepvention.”

VICTORIAN PRIMARY SCHOOLS GOLF TOURNAMENT

Eight students participated in this year’s Victorian Primary Schools Golf Tournament on Thursday 13 August at Parklands Golf Club; Zach Burgess, Sam Cullinane, Josh Gordon, Vincent Huf, Will Kent, Jesse Symes, Sarah Symes and Edward Williamson.

Congratulations to Vincent Huf and Josh Gordon who have qualified to compete in the Logical Staffing Victorian Primary Schools Golf Championship to be held at Warnambool Golf Club on Monday 16 November.

DRAFT LANDSCAPE PLAN IS READY FOR YOUR FEEDBACK!!

Thanks to students, teachers and parents for ideas for upgrading our school grounds. A Draft Landscape Plan has been prepared by the Facilities Sub-Committee and Working Group to progressively improve the school grounds over the coming few years.

The Vision: “The grounds of Dunkeld Consolidated School fosters children's creativity, celebrates our natural environment, stimulates the senses, fosters a sense of pride in children, staff and the wider community and contributes to the landscape character of Dunkeld.”

Based on the principles of Affordable, Maintainable and Sustainable; projects include front fence and gateway upgrade, pathways, rock and wood sandpits, enchanted forest space, shade improvements, new plantings, signage, memorials and artwork.

Check out the draft Landscape Plan on the school website at www.dunkeld.vic.edu.au or at the school office. Feedback or additional ideas are very welcome - please send to lucindapeterson@hotmail.com by Friday 28 August.
FATHERS’ DAY STALL ON FRIDAY 4 SEPTEMBER

On Friday 4 September the Social Services Fathers’ Day Stall will take place at 10.00am.

Here are some suggestions for the stall: small tools, nails, chocolates, lollies, plants, wallets, books, toiletries, socks, handkerchiefs, mugs, golf balls and tees. Things that your child might like to give to their father. Could you please wrap your gifts in clear or coloured cellophane, this makes it easier to see what the children are purchasing.

Children can bring the donations in and leave them at the front office from now onwards.

Please remember that we count the total gifts donated and divide by the number of children. This is to see how many gifts each child may purchase on the day. The more gifts that are donated, the more gifts that can be purchased by each child. All money raised is donated to charities chosen by the senior students.

We will sell the gifts in price range from 50 cents to $3.00. A raffle is also held, at the cost of 50 cents per ticket, with the larger donated gifts making up the prize list. If you are unsure of how much money to send with your child, $5.00 will generally buy two gifts and raffle tickets.

Could all students please bring a bag to place their purchases in on the day of the stall.

For this to run smoothly we need some help from parents! We’ll need about 4 – 6 parents to help on Friday morning at 9.00am to collect the donations as children arrive, price them, lay out and serve at the stall to make it all run smoothly. Please consider helping, it is really a rewarding experience, and good fun! We really appreciate the time, donations and effort that you provide.

P & F NEWS

SECOND HAND BOOKS – THREE PEAKS FESTIVAL ON SATURDAY 17 OCTOBER:

Do you have any second hand books or DVD’s you would like to donate to the Parents and Friends Committee?? Our annual second hand book stall will take place at the Three Peaks Festival on Saturday 17 October. If you have any books, please leave them at the school.

NEXT MEETING: Monday 17 August commencing at 7:30pm at the school. Please feel free to come along and join us. Ally Gordon, Secretary, P & F Association

AUSSIE FOOTY LIGHTNING PREMIERSHIP

On Wednesday 12 August, Miranda McIntyre, Sophie Darroch, Lucy Calvert, Jessica Field, Julia Kelly, Vincent Huff, Zach Burgess, Oliver Fenwick, Will Kent, Josh Gordon, Liam Fenwick, Ben Potter, Sam Cullinan, Charlie Adams, Charlie Field, Flynn Darroch, Lachie Phillips and Tom Kent played Aussies Footy at Pedrina Park, Hamilton. We won two games and lost two. The teams we played against were North Hamilton, St Mary’s, Hamilton College and Good Shepherd. The weather wasn’t looking great in the morning but actually turned out not too bad except for the mud on the oval. At the end the players all ran and skidded into the mud. Everybody got the ball and had a good time. Some people were just caked in mud. A few people kicked goals and lots got marks. The STAR TEAM of the day was Dunkeld. We all shared the ball around. By Lucy Calvert, Sophie Darroch and Miranda McIntyre

WOOLWORTHS EARN AND LEARN PROGRAM

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school and all you need you to do is shop for your groceries at Woolworths.
Close the Loop – Cartridges for Planet Ark

Students from the Dunkeld Kindergarten have been learning about how we can reduce the amount of rubbish that goes into the rubbish tip.

The children have received a ruler that used to be a toner cartridge - "An ink thing", as they called it.

They learned that we can collect "ink things" in the box at kinder instead of putting them in the rubbish and then they get made into new things. Everyone can save "ink things" for the box, family, friends, everyone.

The children decided they would teach other people in Dunkeld about saving "ink things."

They walked to all the businesses in Dunkeld teaching them about the recycling of "ink things" and gave them all a ruler and a poster.

The children went to the Post Office, Only Ewe, The General Store, Kelly & Henson, Café 109, Royal Mail Hotel, Bendigo Bank, Mountain View Cafe and the Tourist Information Centre. “Karl at the Royal mail even gave us our first ‘ink thing’ for our box.”

The reclaimed toner in the photocopy machines is used by company, Downer as an additive to asphalt. The steel becomes fridges; the aluminium becomes cans and other things. The plastics are collected and made into new cartridges, e-wood products, pens and rulers. Any ink left is used in Enviroliner pens.

Since 2012 – 28,000,000 cartridges have been collected.

Materials recovered by Close the Loop – 27,691 tonnes.

That weighs the same as 92017 hippos, or 5063 elephants or 1070 trams or 445,461 average people.

DONATIONS

We rely on donations to the Community Newsletter to offset all expenses relating to producing it. Please send in your donation to the Dunkeld Consolidated School office where it will be receipted and an acknowledgement made via the Newsletter. A receipt will be provided.

Please make cheques payable to the “Dunkeld Consolidated School.”

DISCOVER DUNKELD

Have you heard the exciting news? Dunkeld Consolidated School will again stage its Country Drive-in Movie, on Friday 2 October 2015. Building on the success from last year’s event, the new date will offer a great school holiday activity for local families and visitors, and the opportunity to showcase the wonderful facilities available at our school.

Gates will open at 5.30pm for two hours of fun, food and children’s activities, as well as happy hour and silent auction in partnership with the Grampians Cricket Club. The feature film – Dreamworks’ animation ‘The Croods’ – will commence at 7.30pm. It’s the story of a prehistoric family on a road trip to an uncharted and fantastical world. It’s a family comedy as well as being visually amazing and perfect to watch on the big screen in the shadows of the Grampians.

Tickets are $25 per car if purchased in advance and will be available online at www.dunkeld.vic.edu.au - numbers are limited, so get in quick!

This is a great way to kick-off the month of October, which is sure to be a busy one with a host of excellent Dunkeld events including Lost In Sculpture, the 3 Peaks Festival, WheelFun, the Sawmill Open Day and The Lost WW1 Diary performed by Damian Callinan.

If you’d like further details on any of the events, visit www.discoverdunkeld.com

DUNKELD PUBLIC LANDS COMMITTEE

Memorial Park  The Hamilton District Skills Centre has kindly donated a small building, made by the students completing the building course. We thank Tony McGillivray and Roger Kennett for the kind donation and delivery last week. It is sitting at the Sawmill. We need to paint it soon. If anyone has some spare time, please contact John Prust. At this stage we plan to place it in Memorial Park for the children to play in. Our park is very popular with visitors and should add to the playground.

Sawmill  Our next working bee will be on Saturday 12 September. It will be held to rebuild Strachan’s Hut in Victoria Valley. We will meet at 8.30am and load the timber. We will then proceed to the site and hopefully build the hut. Parks Victoria is very pleased that we are rebuilding this icon of the Valley. They are providing lunch for the workers. To help with catering, could those attending please contact me before September 8th. I will be away until late August.

NOMINATE AN INSPIRATIONAL VICTORIAN WOMAN

Do you know exceptional woman who has made a significant and lasting contribution at a local, state, national or international level?

The Victorian Honour Roll of Women acknowledges and celebrates the outstanding achievements of Victorian women. The 562 inductees to date have contributed to lasting change in Victoria, Australia and the world, in many fields of endeavour. Nominations are now open for the 2016 Victorian Honour Roll of Women.

The categories are:
- Arts/Media
- Government
- Police/Emergency Services
- Business Industry
- Human Rights/Law
- Prevention of Family Violence
- Community Advocacy
- Health
- Rural/Regional
- Education
- Indigenous Affairs
- Science/Research/Engineering
- Environment
- Justice/Corrections
- Sport/Recreation
- Disability
- Planning/Architecture

Southern Grampians Shire Mayor Peter Dark said Council is proud to support this important initiative.

“The Victorian Honour Roll of Women is critical in ensuring that these women receive the recognition that they deserve and may not otherwise receive. If you know an inspirational woman who you think deserves recognition for her contribution, leadership and achievements, I urge you to please nominate her for this important honour”.

Nominees must be either born in Victoria, have spent a considerable part of their life in Victoria, or have made a significant contribution to Victoria. Posthumous nominations are also accepted. The successful nominees will be inducted at a special event held in March 2016, to coincide with International Women’s Day celebrations.

Closing date for nominations is 5.00pm Friday 21 August 2015.
DONOR BOARD

Following the opening of the Community Centre in March this year, several people contacted members of the committee to tell us that their names were not listed on the donor board.

Donations of $500 or more, in cash or kind, are eligible to be listed on the donor board.

If you or your family made a donation of $500 or more and would like to be listed on the donor board, would you please contact me. Our intention is to rectify these omissions in the immediate future.

The Committee apologises for these omissions and again thanks the Dunkeld community for their generous support of the Centre.

Veterans Film Festival: Veterans Film Festival showcases films about serving and ex-serving military personnel and the impact war has on society. The festival is giving filmmakers around the world the opportunity to submit stories on film that explore diverse perspectives, outcomes and influences. We encourage freedom of expression.

The Veterans Film Festival (VFF) is the first of its kind to be held each year on 11 November as part of Remembrance Day (also known as Armistice Day and Veterans Day) which marks the end of World War I in 1918.

The festival is now accepting films produced during and after 2013, from around the world and is open to all ages. Regular submissions close on 23 August 2015, late submissions close on 20 September 2015. As part of the Australian Commemorations of 100 years of ANZAC's the festival is inviting filmmakers to submit short films that remember, celebrate the outstanding service and sacrifice of our men and women.

The 30 Day Tour short film challenge is giving filmmakers 30 days to write, shoot and produce a short film. People wanting to participate in the 30 Day Tour have until 21 August 2015 to register a team. Filmmaking begins 7.00pm on 21 August and ends midnight on 20 September 2015.

The Festival Awards Ceremony will be held at Parramatta RSL Club, New South Wales and will be screening the best films from around the world and announce the ‘Best of’ films in each category.

My Aged Care: My Aged Care represents an important part of the Australian Government’s aged care reform. It will provide a central, identifiable entry point which will make it easier for older people, their families and carers to access information on ageing and aged care. The changes to aged care will give more choice, more control and more of the services to help clients stay in their own home for longer and remain independent. For further information call 1800 200 422 or visit www.myagedcare.gov.au

- A nationally consistent screening and assessment process, with home support assessments undertaken by the Regional Assessment Service and comprehensive assessments undertaken by Aged Care Assessment Teams.
- A client record to allow client information to be appropriately shared with assessors and service providers.
- An enhanced service finder.
- Electronic referrals managed via the My Aged Care online portal
- Service providers being able to self-manage their own service and availability data using the portal.

The changes outlined relate to the broader aged care system and do not affect veteran-specific aged care services funded by the Department of Veterans’ Affairs (DVA). The My Aged Care contact centre staff may talk to you about whether you are a veteran or war widow, and you can talk to them about being referred for veteran-specific services administered by DVA, if required.

FROM THE LIONS DEN

Our club was represented at Sheeprvention to spread the word about our District Portfolio of Farm Safe. A few farmers were spoken to and showed interest but there was only one from in our district. A couple of the farmers said that they would see their local Lions to see if they ran this sort of thing. Hopefully this will lead to the Farm Safe project being started in other areas. We were also represented at the District Cabinet meeting last weekend to let Cabinet know about what is happening with the portfolio.

Occupational humour - The bank teller

Isn’t it strange what you hear when you are standing in a queue waiting to be served. I was standing in line recently in a bank and heard the man in front of me say to the bank teller that the credit card that his wife and he have had been stolen.

The teller asked him how long it had been stolen and if he had reported it to the police and to the bank. He replied, “No, because whoever stole it is spending less than my wife was.”

Another Hope Children’s Ministries Uganda Stall

Dunkeld CWL and Hamilton Uniting Church will be holding a stall in the Hub to raise money for Another Hope Children’s Ministries (AHCM) in Uganda.

AHCM currently houses 50 children in the Wakiso District of Uganda who are orphaned due to HIV/AIDS, abandoned or abused.

If you are able to contribute items to sell on the day such as cakes or biscuits, please drop them off on Thursday 20th August to Barbara Dohle who lives directly behind Izzy’s Mountain View Café.

We also have a raffle. Your choice of 3 prizes –
- metre load of wood
- $50 cash
- a hand-sewn native bird cross stitch.

Tickets will be available in the General Store and Post Office.

For more info on AHCM visit their website www.anotherhope.org or Facebook page.

Any enquiries telephone Lynna Sheahan 0438 087 432 or Heather Napier 5574 9232.

**COUNCIL LAUNCHES ONLINE MAPPING TOOL**

The Southern Grampians Shire Council has launched a new online mapping tool for use by the community.

Available through Council’s website, the IntraMaps online mapping tool allows users to access relevant and accurate information in a simple and intuitive manner. It allows current or potential residents’ access to publicly available neighbourhood information such as the location of nearest parks, schools, public transport and council services. It also offers more detailed information on planning and waste zones, road management, land title details and aerial photography.

Acting CEO of the Southern Grampians Shire, Kevin O’Brien said "IntraMaps is a powerful web based GIS data viewer, which we have used internally for many years. "That we can now share the use of this technology with our residents and potential residents and offer them a vast wealth of useful information about their own property and the wider municipality is a wonderful step forward. "Together with the recently released digital maps that show land use capability in the Shire for eight different agricultural commodities, the launch of the public IntraMaps demonstrates that Council is working hard to ensure our residents are able to interact effectively and productively in the digital space" Mr O’Brien said.

To use Councils new online mapping tool, visit www.sthgrampians.vic.gov.au and click on ‘Intramaps Public’ or for further information please contact Council’s manager of Business systems, Russell Bennett on 5573 0455.

SUPERANNUATION THAT IS 5 STAR FOR QUALITY AND VALUE!

When you think Superannuation you don't usually think of your Bank. If it crosses your mind super is where you cup your hands and say you have “one of those”, aka an industry super fund. To be honest though, most people don’t even think of it at all which is a shame. Super is ‘something’ you have that your employer contributes your 9% into and you hope you have enough to retire to the Gold Coast when you are actually able to touch it.

The reality is if you don’t think about it and plan for it this will never happen.

Having a conversation with us could be the first step in the right direction. Not only are we here to help you build your future wealth so that the dreams of sunshine become a reality, we have the award winning products to prove it.

Our **Bendigo SmartStart Super®** has recently been labelled ‘outstanding’ and awarded the highest rating of 5 Quality stars in the MySuper category by the Heron Partnership. They assess industry super funds, master trusts and multi-employer funds.

The **Bendigo SmartStart Super®** default investment option has also been awarded Morningstar’s top accolade of 5 stars for its three year performance. The 3-year performance for the default investment for under 55’s is 17.81% p.a and the 1 year performance is 14.05% p.a as at 31 May 2015.

Further to this **Bendigo SmartStart Super®** is one of the most affordable super funds on the market. What does this mean for you? You can have a cost effective future savings plan that is award winning for performance and like all Bendigo Bank products and services, benefitting your local community.

Call us on 5577 2488 to talk about your super today!

SHARING THE LOVE 107,000 TIMES

Dunkeld & District Community Bank® Branch is proud to have given back over $107,000 across our local communities. It is a massive achievement and the wonderful indicator that our customers understand the power of banking locally and what it can do in the community.

Dunkeld & District Community Bank® Branch is happy to receive sponsorship application requests from all local clubs and organisations who are looking to build and improve our communities however one of the unfortunate difficulties we face is finding a way to satisfy the large number we receive and ensuring that as many organisations as possible get a share of the funds we have at our disposal. Another difficulty is that as per our sponsorship application we require at least 40 days’ notice to be in a position to consider all applications. Do not short change yourselves or your organisation by something so simple. Get your applications in early so that they can be assessed appropriately.

**Superannuation.**

The feeling of freedom.
Though the weather has been very cold, we’ve achieved much in the garden these last few weeks; we’ve planted many vegetables we’ve grown from seeds – red and spring onions, leeks, cauliflowers and parsley. We’ve (or rather Archie Gordon, Fingal Jackson and Thomas Calvert) produced some of the best compost ever in the tumblers, and we’ve put up a loose kangaroo fence around the fruit trees.

The chooks are looking healthy as Sarah Crawford and her team have trimmed their toenails, and the paddock has finally been sown with barley.

The shade house has been tidied up and pots been stacked in their new custom made home on the south side (thanks Iven!!), and the colourful painted tins are being hung up around the garden (hopefully their clanging will disturb the roos’ nightly visits!).

The Grade 3’s had a lovely visit to the Royal Mail Hotel’s Kitchen Garden, and saw how their plants were grown (and don’t we all want an igloo now!!).

Our thanks go to Kirra Parsons for showing us around, and Kylie Schurmann for organising the excursion.

The children also met Alice Zaslavsky and Anna Webster past contestants of “MasterChef”, and even enjoyed, and we’re looking forward to some great informative sessions and even relaxing sessions around it.

Please feel welcome to contact me, come into the garden, and join us to see what we’ve done.

Lisa McIntyre, SAKG Garden Specialist

ON THE BEAT

Moving about the town lately a frequent cry I’ve heard is for relief from the grey skies overhead and the chilly winds. It’s perhaps harder to be an optimist at this time of year but I still think we should try our best. I mean if all we’ve got to worry about is a grey sky we’re doing okay. Besides we still live in the best place in the world!
I appreciate those people who’ve let me know they’re away from home for a while. I can keep an eye on their property whilst they’re away and the best thing about this is it’s an absolutely free service to you and I’m happy to do it. So if you’re heading away for a while then feel free to let me know. You can just ring the Police Station or let me know when you see me around town.

On the whole things have been tracking fairly well around the Dunkeld and Glenthompson areas. Winter is still about so it’s appropriate to mention the usual suspects at this time of year: tyres, wiper blades, lights. Be prepared is the underlying message and when conditions turn bad, slow down.

One just for the parents that are dropping off their kids at the Dunkeld Consolidated School. The school has done a lot of excellent proactive work towards making the drop off and pick up times safe. I thank the School and Principal, Paul Jeffreys, for their efforts in this regard.

It is timely though to remind parents that the biggest danger I see is from International Tourists who drive through the 40 km/h school zone at speeds often in excess of 80 km/h. Now I can obviously catch up with the tourist but this is only after they’ve already sped past the school. I’ve had two tourists in a week speed past the school at 40 km/h above the speed limit. I can tell you that if your child was to run out on the road, even by accident, a driver driving at this speed would not be able to stop in time. So please remain alert and keep your children safe. Bottom line is I want your children to be safe. I intend to raise this issue of speeding by International Drivers with the Assistant Commissioner Traffic, Victoria Police; however, I believe this issue will be ongoing for some time to come.

Well done to the organisers of the Mosaic to Mountain (M2M) who ran a very successful event. An enormous amount of planning went into this event which showcased the Southern Grampians around Dunkeld and brought the highest numbers of competitors for the event to date. It was very pleasing to see Alison Prentice and Lea McArthur without any worry lines post event. Congratulations ladies and no doubt to all of the usual anonymous workers behind the scenes!

Finally, a big thank you to all the workers at the Dunkeld Tourist Information Centre for the work and hours you spend in assisting tourists and promoting the wonderful area in which we live!

Stay safe everyone!
