FORM/S ATTACHED TO THIS NEWSLETTER
Active After-School Communities (AASC) – Attendance form to be returned by Friday 7 August.
Reminder to please return your PARENT OPINION SURVEY by Thursday 7 August if you have not already done so.
FROM Mr Paul Jeffreys, Principal...

WELCOME AND FAREWELL
From this week, our school community welcomes Miss Christina Brown as the replacement teacher for Mrs Dee-Anne Gerring. I know that Miss Brown is excited to be with us and she now has the challenging task of forming new relationships with her students. I say challenging because that is exactly what it is when a teacher comes in behind another who leaves mid-year. Miss Brown can’t be Mrs Gerring and the children in Year 5/6 equally have the challenge of getting to know Miss Brown. They will need to be patient and accepting of a new teacher who comes with her own personality, interests, ideas, and educational beliefs. We need to support that. I invite parents to take the time to introduce themselves to Christina over the coming weeks. Meanwhile I wish Christina well in her new role.

Suffice to say, I wish to acknowledge the work of Dee-Anne Gerring at our school. Dee-Anne has been a much loved teacher and staff member. I personally will miss the opportunities of using Dee-Anne as a sounding board; common sense, knowledgeable (particularly surrounding ICT) and patient. However, as much as we would like her to stay with us, nothing that I can think of in this life can be as important and exciting as the arrival of a first child into a family. I know that the staff and community will join me in wishing Dee-Anne and Ryan the very best for the safe arrival of their baby.

PROFESSIONAL DEVELOPMENT
Thank you to our School Council who supported the request for a Pupil Free Day on Monday 4 August. Our staff spent the day with Koroit Primary School teachers, Rachael Lenehan and Mathew Buck who presented ‘all things iPad’ including: basic operations of iPads, best iPad apps, effective teaching and learning using iPads, and finally ICT and teaching in the 21st Century.

HEAD LICE
Last week children from Years Prep to Year 2 underwent a head lice inspection at the school. This has been an attempt to ‘get on top’ of a continuing spate of head lice infections over a number of weeks. Although we followed procedures in line with School Policy regarding this matter, we seemed to be chasing our tail in trying to get the problem under control. As a follow up, we will again conduct a head lice check next week on Wednesday 13 August. I ask all parents and carers to maintain a regular check of children at home and remind all that it is not just a matter of hygiene and cleanliness (head lice love clean hair). Young children are constantly in close contact with one another and head lice don’t discriminate, so it is only by regular checks and action that we can control the problem.

CONDOLENCES
Sadly, we extend our condolences to close members of our school community. Rob Smith and his wife, Sue have both experienced the passing of loved parents; Rob losing his father, Andrew ‘Andy’ Smith and Sue her mother, Elva Fitzpatrick. Our thoughts have also been with Lisa McIntyre, whose father Norman ‘Jim’ McLean passed away recently.

LOST
- Dunkeld School rugby jumper size 8 belonging to Thomas Gordon. Was last seen in the Grade 1 room.
- Dunkeld School rugby jumper belonging to Edward Williamson, which has a patch on the front.

PARENT OPINION SURVEY
A reminder that the Parent Opinion survey was due in on Friday 1 August. If you have not returned your survey could you please do so by Thursday 7 August, at the latest.

MEM FOX READS
On Friday 1 August, Grade Prep and One visited Hamilton. We started our day at Safeway for a ‘Behind the Scenes’ where we found out how the food is stored and prepared in the bakery, deli, meat, vegetables and milk sections.

A walk along the ‘sheep’ decorated street to the library followed and our day concluded with a very entertaining hour with Mem Fox explaining her inspiration for several of her books and a reading of them.

Sam Burger was lucky enough to ask Mem a question.

LAKE BOLAC COLLEGE VISIT – 15 August
On Friday 15 August Lake Bolac College Year Prep and Grade 5/6 students will be visiting the Prep room and the Kitchen Garden. The Prep students will be engage in some activities together and the Year 5/6 students will learn about our Kitchen Garden Program.

School Disco on Friday 22 August
To coincide with Book Week celebrations, a School Disco (organised by Mrs Anne Gilbert) will be held in the School hall from 7.00pm – 9.00pm for Prep to Year 6 students.

Four year old Kindergarten students are also welcome to attend.

The P & F will provide tea and coffee for all parents in the staffroom. Kindergarten mothers may stay with their child in the school hall or adjourn to the staffroom for a cuppa and a chat.
- Entrance fee - $2.00 per child.
- Please bring a plate of food to share for supper.
(No secondary school helpers are required.)
Children are invited to wear a ‘TOUCH OF YELLOW’ to the School Disco. All proceeds will go to the Cancer Council Victoria (for Daffodil Day).

PERFORMING ARTS NEWS
On Wednesday 27 August the Grade 2 – 6 Students will be presenting an instrumental performance at the Special Assembly. All parents, grandparents and friends are invited to attend.

PARKLANDS PRIMARY SCHOOL GOLF TOURNAMENT
The following students have been invited to participate in the Parklands Primary School Golf Tournament in Hamilton on Thursday 14 August: Jemma White, Miranda McIntyre, Jessica Field, Jesse Symes, Oscar Reynolds, Izaiah Tuhakaraina, Vincent Huff, Liam Fenwick, Josh Gordon, Zac Burgess, Will Kent, Sam Cullinane and Ben Potter.

Students from other local primary schools will also be participating. The cost for the day will be $10.00 which includes golf, equipment, barbecue lunch and prizes. Parents will be responsible for transporting their children to this event and parental assistance will also be required throughout the day. A letter will be forwarded to the relevant students regarding this event.

BOOK WEEK
A reminder for parents, friends and children that 16 – 22 August is Book Week (Connect to Reading). Students should be thinking about dressing up as their favourite book character. A parade of characters will take place at 9.00am on Wednesday 20 August. We have invited our 2015 Preps to attend the parade. Which book characters will we see this year? Parents, friends and new parents for 2015 (Kindergarten parents) are warmly welcome to watch the parade. Students are reminded to bring their school uniform to change into after the Book Parade.

RMIT REGIONAL SCIENCE ROADSHOW
The RMIT Regional Science Roadshow is a science outreach event delivered to Primary (and Secondary) School students. It brings trained University Science and Engineering students to regional areas of Victoria to inspire and mentor students using high energy interactive science demonstrations and hands on engaging practical workshops. RMIT Science Roadshow sessions will be conducted at the school on Tuesday 2 September for all students. There is no cost to the school for this program.

SCHOOL COUNCIL REPORT
The following is an update from the recent School Council meeting held on 29 July:

- From 2015, iPads will be introduced into the school beginning at Year 3. The school aims to have at least 20 iPads available for use in the Prep, Year 1 and Year 2 classes.
- Annual Implementation Plan for 2014 (based on Strategic Plan 2012-2015) was tabled and adopted.
- 2013 School Annual Report to the school community is now available for viewing on the school’s and the State Register of the Victorian Registration and Qualifications Authority’s websites.
- Year 5 and 6 students have completed their Sexuality and Puberty Education Program, which is proudly funded by the P & F Association.

- Lucinda Peterson, as a member of the Community and School Promotions Sub-Committee, has organised a group of helpers to co-ordinate the Drive-In Movie fundraiser planned for Saturday 18 October.
- Staff will be receiving Polycom training which will provide opportunities to connect beyond the school in many different ways.
- Facilities Sub-Committee are investigating the traffic and parking issues on Victoria Valley Road with a recent ‘Travel to School’ survey being undertaken.
- Community and School Promotions Sub-Committee are organising prizes for our annual School Raffle.
- The Policy Sub-Committee will be reviewing a total of twelve Policies this year. The following policies have been reviewed and ratified this year: Homework Policy, Dress Code Policy and Anaphylaxis Policy (in principle).

From the Kitchen Garden...
A Healthy Breakfast for Lunch: Year 3 - 6 students have enjoyed preparing a healthy breakfast and sharing it with a friend for lunch. Berry Smoothie, Homemade Toasted Muesli with seeds, nuts and dried fruits, and Herby Omelette with freshly cut herbs and Silverbeet from the garden served on wholemeal toast. Kitchen class was a little different with the children working in pairs and moving around three work stations to prepare and then share their healthy breakfast together. Each student was then given a copy of the recipes and was encouraged, to make at home, one or all three of the dishes for family and friends and take a photo of preparing and sharing it together. I look forward to displaying the photographs over the next few weeks.

We talked about what each person in the kitchen had prepared and enjoyed before coming to school on that day and the importance of having breakfast to provide our bodies with fuel to help us ‘travel’ well. Each student and Mr Smith shared a story with written word and/or drawings which are displayed in the kitchen. ‘In the kitchen today I prepared and shared a dish and this is my story…’

This is Mr Rob Smith’s story…
“Today we had a healthy breakfast for lunch. Clare asked us all what we have for breakfast. There were a lot of different things mentioned. Some have cold breakfasts and others have cooked breakfast. Some people had a breakfast from a packet, like cornflakes, and others made all of their breakfast food. We learned that breakfast gives us FUEL for our start to the day. No breakfast means we will be running on low fuel. Our menu today was made in pairs and we enjoyed Spinach and Herb Omelette, Berry Smoothie and Muesli…..we are all now fully of good fuel.”

Herby Omelette
You will need
A friend
3 eggs
20 grams of butter
1/4 cup of cold water
Salt and Pepper
1/4 cup Chopped Parsley
1/4 cup Chopped Chives
1 finely Shredded Silverbeet leaf
Sprinkle of grated cheese
A non-stick fry pan
2 plates
2 pieces of wholemeal toast with butter

Method
Prepare your herbs and silverbeet and grated cheese.
Crack the eggs one at a time into a cup then pour into a bowl.
Add the water.
Add salt and pepper.
Whisk together really well.
Heat a non-stick pan on medium heat and when it is warm add the butter.
Tilt the pan back and forth until the butter melts and covers the bottom of the pan.
Whisk egg mix again and pour it all into the pan.
Sprinkle the herbs and the silverbeet and the cheese on top.
When the cheese has melted and the egg has cooked through fold half of the egg mixture over the top of the other half and then cut in half.
Slide carefully onto each plate.
Place buttered toast onto plate and enjoy.

Could Kitchen ‘Friends’ please note that there will be no Kitchen class held on Thursday 7 August.

P & F NEWS
BOOKS & DVD’S WANTED: The P & F will have a Second Hand Book Stall at the Discover Dunkeld Market Day again this year on Saturday 18 October. If you’ve got any books or DVD’s, in good condition, please drop off in the plastic tub marked “P & F Books” located in the staffroom at the school.

ACTIVE AFTER-SCHOOL (AASC)
We had a great start to the Active After-School for Term 3. Attendance numbers are up and it is fantastic to see new participants coming along. Our leaders this week were Brendan Paterson, Jesse Symes, Sophie Darroch and Aaliyah Tuhakaraina. All four did a brilliant job as leaders, mentors and captains. Well done. Please note the AASC program can be viewed online on the school website: www.dunkeld.vic.edu.au

Attached to this Newsletter is an Active After-School’s attendance form, please complete if you expect your child to attend. This form will be used as a guide only to assist with organising activities and for catering purposes. We understand that circumstances change and that your child may or may not attend Active as listed. If your child has never been before and would like to attend, you need to complete a form which is available at the office.

For information regarding the Active After-School Communities program, please contact Ally Gordon on 0429 900 747.

FATHERS’ DAY STALL ON FRIDAY 29 AUGUST
On Friday 29 August the Social Services Fathers’ Day Stall will take place at 10.00am.

Here are some suggestions for the stall: small tools, nails, chocolates, lollies, plants, wallets, books, toiletries, socks, handkerchiefs, mugs, golf balls and tees. Things that your child might like to give to their father. Could you please wrap your gifts in clear cellophane, this makes it easier to see what the children are purchasing.

Children can bring the donations in and leave them at the front office from now onwards.

Please remember that we count the total gifts donated and divide by the number of children. This is to see how many gifts each child may purchase on the day. The more gifts that are donated, the more gifts that can be purchased by each child. All money raised is donated to charities chosen by the senior students.

We will sell the gifts in price range from 50 cents to $3.00. A raffle is also held, at the cost of 50 cents per ticket, with the larger donated gifts making up the prize list. If you are unsure of how much money to send with your child, $5.00 will generally buy two gifts and raffle tickets.

Could all students please bring a bag to place their purchases in on the day of the stall.

“OFF THE RAILS” IS GETTING BACK “ON THE RAILS”

There is an opportunity for the historic Dunkeld Railway Station to be restored and fitted out for a community use, thanks to VicTrack’s “Community Use of Vacant Rail Buildings” program.

The Station remained vacant and unused for many years until 2007 when a community group of local artists leased the space and established “Off the Rails Gallery”. The gallery ran successfully until 2011 when, given the state of the building, the use was unable to continue.

The “Off the Rails” group comprising a group of local artists, small business people and supporters has re-established. The group are working on a nomination to VicTrack to get this enterprise “back on track”.

A working and learning space (the Studio)

- Providing opportunities to share space with creative groups and other groups who require a “messy” space.
- Studio space for professional, tertiary arts students, amateur artists and anyone interested in getting creative to design, invent, build, create and share their work.
- A location for workshops for travel groups, school holiday workshops over winter/summer and weekend workshops for all ages.
- A work “Hub” for individuals and community groups.

A discovery space (the Gallery)

- An exhibition space.
- A destination for the heritage trail in Dunkeld.
- Building on other tourism offers in the town.

“Off the Rails” will:

- Provide opportunities for people within Dunkeld and surrounding towns to participate in artistic activities without having to travel long distances.
- Encourage visitors to explore Dunkeld beyond the main street.
- Be an additional tourist destination for Dunkeld.
- Provide opportunities for individual artists to build their profile and build professional development.
- Broaden the experience of local children and children across the region in appreciation of arts and culture.
- Improve exposure and appreciation of the town’s heritage through the restoration of the Railway Station building.
- Improve health and wellbeing of residents of all ages by encouraging participation in affordable and accessible creative activities.
- Provide opportunities for local small businesses and creative types to connect.
- Build a network of “Friends” to support the project.

This project is still in the very early stages and if we are successful in being selected in the VicTrack program, a planning permit will need to be applied for which would ensure all the practical details are covered to make sure the use of the Station fits in with the surrounding residences.

If you have any other ideas or suggestions about this venture, and would like to “get on board” and get involved in “Off the Rails”, please email trevor.flinn@bigpond.com

COMMUNITY NEWS

DUNKELD PUBLIC LANDS COMMITTEE

Sawmill We plan to meet on Saturday 16 August at 9:00 am. A tidy up at the sawmill will be our aim. The most important part will be future planning. Where do we go next? What do we do to improve the building? When do we hold the timber cut?

All interested are invited to attend and over a cuppa, we can discuss the future. If you have something interesting to show, bring it along. Hope to see you there.

Caravan Park Winter is always our quiet time. The grounds are very wet. Cabins have been going OK. We are still looking for part-time help with the Park. When Gary goes away, someone to answer the telephone and keep a check on things. Norm won’t be here to help us forever. When he sells his house we will lose a great helper. Please ring me (5577 2397) if you may be able to help. We can discuss what is involved and remuneration.

Trees I have asked the Shire to check the health of trees along the walking track. Big branches can fall with no notice. It is no use being sorry later.

John Smith President

FROM THE LIONS DEN

Although our Lions are fairly quiet at the moment, other Lions are busy. Recently the Runaway Lions Club (Gold Coast) gave a donation of $3,000.00 to Trinity Disability Support Services to assist men living with an intellectual disability. The program covers all aspects of health and wellbeing including dental health, nutrition, hygiene and relationships. A successful all female program was recently held.

The humanitarian Albert Schweitzer was once asked by a young person at a gathering for his advice on life. He replied, “I don’t know what your destiny will be, but one thing I know; the only ones among you who will be really happy are those who have sought and found how to serve.”

The Dunkeld Lions Club is one of the smallest clubs in the Lions 201V2 District and we really do need new members to give us fresh ideas and muscle power to do more for the community, and at the same time enhance our own lives. If you would like to know more about the Lions please give me a call on 5577 2460.

Occupational Humour

Self-Funded Retiree

Recently one of our local self-funded retirees was having his breakfast and watching the morning news. His wife said, “What are you going to do today, darling?”

He replied “Nothing.”

She said “But darling, you did that yesterday.”

He said, “Yes, but I never finished.”

Peter Hinchey

ON THE BEAT

As I write this the wind is howling and the weather bureau is talking of snow down to 600 metres. A couple of good frosts recently have knocked the “winter” vegetables around. June was fairly wet and July is keeping things that way. Despite this Dunkeld recently experienced a small fire in Recreation Road, Dunkeld. Thanks to the Dunkeld CFA crews for their prompt attendance and quick work to extinguish the fire.

Winter weather can make driving on our roads more hazardous than we normally expect. Ruts worn into road surfaces that then fill up with rain can be particularly dangerous. It would be nice if the road surfaces were all in great condition but it’s obvious that they’re not. How do you deal with it? Take a little more care, drive a little slower, particularly if you know it’s a bad section of road and good tyres.

Tyres are the only thing in your vehicle that touches the road and there’s not a lot of the tyre that does that. It’s so important to have good tyres on your vehicle, especially in bad weather. It’s a bit of a cliché but good tyres really do save lives.

There has been a bit of publicity recently about the high number of collisions at Dunkeld involving kangaroos. I would just like to give you some general advice if you’re suddenly faced with a kangaroo or other animal, bird etc that pops out on the road, leaving you with no time to avoid the object. I emphasise that this is general advice but something for you to consider and offered in the interests of your safety.

Realistically, you have two options. One is to run off the road to avoid the animal etc. The second option is to stay on the road in a straight line and brake knowing you’re more than likely to hit the animal in front of you. As a driver, you are better off to take the second option. Why? If you can stay straight and brake you won’t go into a skid. If you end up hitting the object you’ll hit it with the front of your car which offers the most protection for you as a driver.

It will take a bit of courage because no-one wants to hit the animal and your natural instinct is then to swerve to miss it but understand that I’m talking about this as a last resort. So many people swerve off the road to avoid the animal and then try and brake. The car will often go into a skid with potentially life
threatening consequences. It's very hard to control what happens next in a skid and so often the animal just moves off the road anyway. At the end of the day you are the driver and you'll make your own decisions, but food for thought with the best of intentions for your safety.

There's been a little bit of firewood going missing from the west end of Martin Street, Dunkeld. If anyone has any information regarding this please ring the Dunkeld Police Station on 5577 2260.

DUNKELD MUSEUM UPDATE

Guest Speaker Meetings: Guest Speaker Meetings are not held during the winter months. Our next Guest Speaker Meeting will be held on Monday 1 September.

Annual Membership: A reminder that annual membership of $10.00 is now due.

Deductible Gift Recipient status: The Dunkeld Museum has been endorsed as a Deductible Gift Recipient (DGR). Donors can claim a tax deduction on any donations made to the museum.

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 11 August commencing at 8:00pm at the Dunkeld Museum.

Dunkeld Railway Station: The Museum recently forwarded a letter of support to the 'Off The Rails' group in support of their application to the Victorian Government's 'Community Use of Vacant Rail Buildings Program'.

The Ararat and Dunkeld railway stations opened on 25 April 1877 and the Hamilton connection was made in October. The celebrations in April were riotous. An aboriginal dressed as a guard and collected fares but little pain was felt by the travellers when he vanished with the takings. The opening of the Dunkeld-Penshurst line in 1890 saw more wild celebrations. In August 1914, the first shot fired in anger in the British Empire declared war. As a result, Australia also entered the First World War, a conflict that would cost over 60,000 Australian lives and affect so many more.

DUNKELD RSL SUB-BRANCH

RSL Membership: We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Dunkeld RSL Sub-Branch members are reminded that annual subs are now due. Application forms are available from the Secretary/Treasurer, Terrie Nicholson on 5573 3353.

ANZAC Centenary Commemorative Week: The Victorian Government invites you to take part in the following official events:

- Wreath laying ceremony to mark the start of the First World War on Monday 4 August at the Melbourne Shrine of Remembrance at 2.00pm. At 11.00pm on 4 August 1914, the British Empire declared war. As a result, Australia also entered the First World War, a conflict that would cost over 60,000 Australian lives and affect so many more.
- Melbourne Town Hall Commemorations on Monday 4 August from 6.00pm to 7.30pm - registration: www.anzaccentenary.vic.gov.au/commemorative-week
- Following the declaration of war, a meeting was held at the Melbourne Town Hall to garner support for the war and encourage men to enlist and others to support their enlistment.
- First Shot Commemoration on Tuesday 5 August commencing at 11.00am at the Parade Ground, Quarantine Station, Point Nepean National Park. At 12.45pm on 5 August 1914, the first shot fired in anger in the British Empire in World War One was fired from Victoria’s Point Nepean.

Back to Caulfield PB Lawrence Stakes Day on Saturday 16 August: To commemorate Back to Caulfield and the 100th Anniversary of the beginning of WWI, Melbourne Racing Club will be holding the 20th Legacy Lone Pine Ceremony, as well as various Military and WWI displays including stories of the ‘first shot’ from Fort Queenscliff Museum. A Military Band will be performing on the day, including the Australian National Anthem. Admission is free to Veterans and Defence Force organisations including Melbourne Legacy and the RSL. Gates open at 10.30am with the Legacy Lone Pine Ceremony being held at 11.00am followed by morning tea. For further information visit: www.caulfieldracing.com.au/backtocaulfield or phone Melbourne Racing Club on 9257 7200.

THE READING ROOM

Tom Keely's reputation is in ruins. And that's the upside.

Divorced and unemployed, he's lost faith in everything precious to him. From his seedy highrise flat Keely looks down at a society from which he's retired hurt and angry, well past caring. But he cannot avoid entanglement with the neighbours: a woman from his past, a boy the likes of which he's never met before. Two strangers leading a life beyond his experience and into whose orbit he falls despite himself.

What follows is a heart-stopping, funny, exhilarating and haunting. *Eyrie* asks how, in an impossibly compromised world, we can ever hope to do the right thing.

'A superb tale of disillusionment and redemption, loss and beauty, this is Winton in top form . . . [He] has rarely been funnier.' *Michael Williams, The Guardian Australia*

'Outstanding . . . From the opening pages you know you are in the hands of a master.' *Stephen Romei, Weekend Australian*

'Tim Winton's Doris is a gem . . . The characterisations are a joy.' *Lyn Mills, Canberra Times*

PHOTO COMPETITION

My Name is Michael Enderby, and I am currently studying a Diploma of Youth work here in Hamilton. I recently completed a Youth Survey of Hamilton in regards to its services and needs which has been very beneficial in developing a broad picture of Hamilton in this sector.

I am now running a photo competition for the Youth of Hamilton, to find out what they see as the things they value and what they don’t like about Hamilton. These photos will form a graphic picture of our community, and from that a project will be launched to help with some of the issues found.

The competition is open to all youth aged 8 to 25 who either live, work, study or are involved in a program in Hamilton.

To enter, they simply take up to 5 photos of what they see as something/somebody they value or don’t like about our community and message them to Young Citizens of Hamilton Facebook page with a caption describing what/why they have taken them. These will then be filtered and displayed on the page.

Entry categories are based on ages:

- 8 – 10 years
- 11 - 13 years
- 14 - 16 years
- 17 - 19 years
- 20 - 22 years
- 23 - 25 years

If people wish to remain anonymous simply state that when sending the photos. Once the competition is over at midnight on Saturday 30 August, the 10 best photos based on age will be selected and prizes awarded.

From the Kitchen Garden...

A Healthy Breakfast for Lunch: Year 3 - 6 students have enjoyed preparing a healthy breakfast and sharing it with a friend for lunch. *Berry Smoothie, Homemade Toasted Muesli* with seeds, nuts and dried fruits, and *Herby Omelette* with freshly cut herbs and Silverbeet from the garden served on wholemeal toast. Kitchen class was a little different with the children working in pairs and moving around three work stations to prepare and then share their healthy breakfast together. Each student was then given a copy of the recipes and was encouraged, to make at home, one or all three of the dishes for family & friends and take a photo of preparing and sharing it together. I look forward to displaying the photographs over the next few weeks.

We talked about what each person in the kitchen had prepared and enjoyed before coming to school on that day and the importance of having breakfast to provide our bodies with fuel to help us ‘travel’ well. Each student and Mr Smith shared a story with written word and/or drawings which are displayed in the kitchen. ‘In the kitchen today I prepared and shared a dish and this is my story…’

This is Mr Rob Smith’s story…

“Today we had a healthy breakfast for lunch. Clare asked us all what we have for breakfast. There were a lot of different things mentioned. Some have cold breakfasts and others have cooked breakfast. Some people had a breakfast from a packet, like cornflakes, and others made all of their breakfast food. We learned that breakfast gives us FUEL to help us ‘travel’ well. Each student and Mr Smith shared a story with written word and/or drawings which are displayed in the kitchen. ‘In the kitchen today I prepared and shared a dish and this is my story…”

Herby Omelette
You will need
- A friend
- 3 eggs
- 20 grams of butter
- 1/4 cup of cold water
- Salt & Pepper
- 1/4 cup Chopped Parsley
- 1/4 cup Chopped Chives
- 1 finely Shredded Silverbeet leaf
- Sprinkle of grated cheese
- A non-stick fry pan
- 2 plates
- 2 pieces of wholemeal toast with butter

Method

Prepare your herbs and silverbeet and grated cheese. Crack the eggs one at a time into a cup then pour into a bowl. Add the water. Add salt and pepper. Whisk together really well. Heat a non-stick pan on medium heat and when it is warm add the butter.
Tilt the pan back and forth until the butter melts and covers the bottom of the pan. Whisk egg mix again and pour it all into the pan. Sprinkle the herbs and the silverbeet and the cheese on top. When the cheese has melted and the egg has cooked through fold half of the egg mixture over the top of the other half and then cut in half. Slide carefully onto each plate. Place buttered toast onto plate and enjoy.

Could Kitchen ‘Friends’ please note that there will be no Kitchen class held on Thursday 7 August.

2014 POWERCOR ACE RADIO
SGSC BUSINESS AWARDS
The 2014 Powercor Ace Radio Southern Grampians Shire Business Awards are now open: http://www.sgawards.com/

The 2014 Business Awards represent an opportunity to benchmark your business, to assess your business processes and to identify what makes your business outstanding. The awards provide a framework for peer recognition which fosters a culture for business development excellence, leadership and innovation.

The awards this year are heavily focused on being a development opportunity for all entrants. The entry form allows a structured process of self-assessment.

Each business will then be interviewed by a single judge, Kevin Bennett, and provided with written feedback. The judge is experienced in working with businesses to analyse and develop their business.

All entrants will then be invited to attend a workshop based on Business Excellence which will address issues identified by the judge during the awards process.

The Awards will culminate with a gala presentation evening at the Hamilton Performing Arts Centre on Friday 3 October in what has become the premier business occasion of the year.

Entry forms and full details are available from the above website. Forms can be downloaded or completed electronically. If you would like further details or to have a talk about the awards please contact Peter Johnson, SGSC Business Development Officer on 5573 0240 or 0429 578 216 or email: pjjohnson@sthgrampians.vic.gov.au

“GRAMPIANS ARK” and “GRAMPIANS TO GRASSLANDS” FOX CONTROL PROGRAMS
Landowners, residents and visitors pleased be advised that the current fox baiting pulse runs from Monday 2nd June to Sunday 10th August 2014, covering Mirranatwa, Vic Valley, Karabeal Moutajup, Warrayure, Lake Linlithgow, Croxtont, Dunkeld, Woodhouse and Glenthompson areas.

Please collect “Bait Take Data Sheets” when you collect your baits, and I will collect the information at the end of the pulse. New participants are very welcome, please contact me with any queries. Lisa McIntyre 5574 9235.

Free baits can be collected from Kelly & Henson, Dunkeld. The cost is covered by funding from the DSE and “Caring For Our Country” grants. Remember, you need to show your ACUP in order to collect your baits.

Even though we are now in Winter, it is still quite dry and mild, and baits will still be eaten. Many ewes are lambing. Baiting now will work and save lambs lives. If you are not a sheep farmer, baiting will help the chook, small mammal, bird and reptile survival, as well as helping your neighbours’ lambs - this is a great community program. If everyone works together, we will make a difference. Baiting is also occurring in the National Park at the same time.
NEW COMMUNITY CENTRE WORSE FOR WEAR AFTER THE GALE FORCE WINDS

Weather permitting this week, the roof on the old hall will be replaced and the roof on the new part of the community centre will be finished. Interior works are well under way with the electricians on site last week.

The brickwork is 90% complete. The Grampians sandstone has been delivered and work has started on the stonework. The operable wall track has been installed. The operable walls will allow the large function space to be divided into smaller spaces when required.

The kitchen equipment has been ordered and is expected to be on site by late August.

A chapel area is going to be created at the eastern end of the old hall. The stage has been removed. Discussion is underway regarding the design and fit-out of this area.

Opening of the centre is planned for SUNDAY 2 NOVEMBER 2014. Please mark this date in your diary. The opening will kick off a week of celebrations. More details in later newsletters.
Obituary –
Elva Fitzpatrick

Elva Crawford was born on 25th November, 1924, the youngest of 6 children born to William (Bluey) and Amy Crawford of ‘Sierra Park’, Victoria Valley. She loved her childhood on the farm and loved riding horses, particularly her favourite horse, ‘Sierra Nevada’ (she even dreamed of being a cowboy!). She attended the old Victoria Valley Primary School from “baby grade” to Grade 8 (Merit Certificate) under the one teacher, Mr Jim McCaskill.

At age 15 Elva was sent to the Emily McPherson College (a domestic science college) in Melbourne where she spent 2 years, after which she enrolled in the Melbourne Technical College art school in 1942 to do a mixed art course. Despite hating it at first, she grew to love it, but left after one year to return to the farm to help with farm chores and to help run the post office located at ‘Sierra Park’.

Her love of painting and drawing (landscapes, still life, portraits) continued throughout her life and her walls, and the walls of her children, are testament to her unique talent in this pursuit, although she never exhibited or sold any of her works.

She noticed and met local sawmiller, Bill Fitzpatrick, and they married in December 1947. They had a special relationship which lasted until Bill’s death in 2004 – living in the same house in Macarthur Street for their entire marriage. They had 4 children – Lyn, George, Dennis and Sue – which later resulted in 13 grandchildren and 14 (and increasing!!) great grandchildren. Elva had a wonderful relationship with each of these. Being naturally shy and reserved, her focus was on her family, but she really enjoyed her conversations with anyone who came to visit.

Elva developed a strong Christian faith in her forties which influenced the way she lived her life and was a great source of strength – especially when she became ill very recently and knew that she was not going to recover. Elva died peacefully on 28 July in her 90th year. She is survived by her sister, Joy Fitzpatrick.

BECOME A VOLUNTEER HOST FAMILY

Enrich Your Home with a WEP Exchange Student
World Education Program (WEP) is inviting Australian families to experience another culture within their own homes by becoming volunteer host families. Choose a student from Italy, Belgium, France, Switzerland, The Netherlands or South America and get a glimpse into the life of another culture without having to leave the comfort of your home! Our exchange students are just as excited about sharing their own culture and life experiences as they are about becoming a member of an Australian family.

Arriving in January:

Angelica (17) from Italy says that she is excited to start school in Australia, to meet her new classmates and start speaking English with them. She has been doing artistic gymnastics since she was 6 and currently trains 3 times per week. Although she admits she isn’t at a high level, she loves the sport and spending time with her teammates. She tells us that she is looking forward to meeting her new host family, is willing to help out with housework and is excited to meet her new host siblings.

Pietro (17) from Italy enjoys martial arts, playing cards and games, general fitness and plays both the trumpet and piano. He tells us that on Sunday mornings he often goes to church or bakes with his father and sister. He also says that he is optimistic and hopes that his exchange experience will help him grow as a person. + MANY MORE

Find out more!
Getting to know your student before he or she arrives brings fun and joy to everyone involved. Take the next step and contact WEP today to receive a full information pack for your family, including student profiles.

SPORTS REPORT

GRAMPIANS GOLF CLUB NEWS

The top 8 qualifiers in each grade match play for two weeks until the last two standing. The finalists all played matches last Sunday the 27th July. A Grade play best of 36 holes and B Grade best of 18 holes.

**Men’s A Grade**: Greg Millard defeated Angus Jackson 7/5

**Women’s A Grade**: Martina Whelan defeated Sue Morse 13/11

**Men’s B Grade**: Mike Matthews defeated Russell Burgess 7/5

**Women’s B Grade**: Margy McIntyre defeated Nikki Parker 5/4

**Ladies Results 29th July**
Royal Women’s Hospital 4BBB. We drew for partners and in the worst weather for the year - strong gusty wind and uncomfortable showers- Trish Crawford and Kerren Collins joined forces to win with 37 points from Martina Whelan and Venita Mibus on 36 points. Martina was the only one to manage a nearest the pin on two of the four 3 par holes.

Winners and Runners Up play off in a regional event to be played in Hamilton in three weeks’ time.

**Other News:**
We are thrilled at the support local businesses have given us to run our annual tournament on the 14th - 17th August. We are hoping for good entries to compete for the prizes so don't forget to tell your golfing friends about our tournament. Details of entry can be found by ringing Greg Millard or Kerren Collins.

**50th Anniversary**
How lucky are we to have Peter Thompson - Gun golfer of the 60's and guest opening day professional 48 years ago - and his wife Mary agree to come to our History Book Launch on Sunday 19 October at the Golf Club. He has agreed to launch the book, plant a commemorative tree and stay for afternoon tea with members and friends of the club.

Keep this date free if you would like to join in our club celebration of 50 years.

You might have done the math and wondered why we are celebrating 50 years of Grampians Golf club but the actual club didn’t open till after this date.

Well the short version is there were many smaller clubs who decided to amalgamate into one golf club and locate in a new area. The date we chose to celebrate is close to the town meeting where it was passed to name the new club. You will have to purchase a copy of Iris Field’s history of golf in the area to find out the details - have I whetted your appetite for golf history yet?

Iris Field has been weaving her magic fingers over the keyboard whilst reading masses of invigorating minutes of meeting books from all our yesteryears - not everyone’s cup of tea for enjoyment and enlightenment. Iris is a consistent history documenter and even though her understanding of golf - per se - is limited she has nearly reached the printing stage of her new tome. How lucky are we to have this Iris in our midst?

So if you, your parents, your grandparents or any other relatives, friends or connections 6 times removed have had anything to do with Grampians Golf Club let them know something is happening on the 19 October and they can come for a visit. More news closer to the day.
