FORM/S ATTACHED TO THIS NEWSLETTER

‘Fish and Chips’ Lunch Day Order Form – return by Wednesday 16 September.
2016 Enrolments
To ensure a smooth transition from the Kinder to Prep year takes place in 2016 we have had meetings between the school and local Kindergarten. The Student Information Booklets for 2016 and enrolment forms will be forwarded to the Dunkeld Kindergarten for distribution to families in the near future.

At this time of the year we begin planning for 2016 and our work is made much easier and the outcomes are much better if we have a very good idea of our student numbers.

If your children will not be attending Dunkeld Consolidated School in 2016 please advise the school as soon as possible.

Ipads 2016
As we approach the end of Term 3 it may be worthwhile reminding families of current Year 2 students (Year 3, 2016) that they will require iPads next year. The school offers a lease/buy arrangement but also encourages BYOD (bring your own device) as an alternative. This means that the family purchases the iPad and children take their device to and from school each day. If families wish to head down the BYOD track, they might like to put plans in place. Those who decide to BYOD have the flexibility to choose any iPad device they wish. Families who enter into a lease/buy arrangement with the school are restricted to the device designated by the school. You are welcome to inquire further at the school office.

School Disco
Last Friday the annual disco was held in the school hall. It was pleasing to see so many children attend from Kindergarten age to Year 6 students. Thank you to the parents who decorated the hall and to Mrs Anne Gilbert for the organisation of the event. My personal thanks go to Maddie Calvert and Stella Gordon for dancing with me. The highlight of the evening was the Limbo, with Jessica Field and Myles Haley showing outstanding flexibility. A total of $143.00 was raised for the Victorian Cancer Council. (More details will be included in the next school newsletter).

Space for Making
We have just begun to use the shed at the end of the basketball court for ‘making.’ Children will be able during recess and lunch, to go to the shed to construct whatever they like out of cardboard and ‘Makedo’ construction materials. As we observe how this all works, we will establish rules, challenges and depending on popularity, designated days or weeks for groups or classes. We hope to develop in the children the thinking processes for designing, making, testing and modifying.

Bake the World a better Place
Thank you to Mrs Clare Kennedy and the many good people who came to school last Thursday and combined with our students in making sausage rolls for ‘Bake the World a Better Place.’ Around 90 dozen sausage rolls passed through the ovens in the kitchen and the school corridors were filled with the aroma of... onions. Tears rolled down the cheeks of little eyes after periods spent in the ‘onion cutting’ detail. Well done to those who hung in there. The Sausage Roll Drive raised funds for the Australian Red Cross.

Book Week
Well done to families and children on the efforts to dress up as a favourite book character last Friday. Some of the costumes were beautiful, some were scary, some were clever and some were funny. What fun we had at the book parade and thank you for coming. Well done to teachers again on conducting a successful series of activities surrounding Book Week. Thank you. (Photos will appear in the next school newsletter).

AUGUST SPECIAL ASSEMBLY
During the Special Assembly in August the following students were acknowledged (for the month of August) as having gotten better in relation to learning and development at our school, in ways big or small – “You don’t have to be the best at anything; rather your task is to get better at everything.”

**Significant Achievement:** Jasmine Crawford, Alexander Prentice (x2), Olive Jackson, Campbell Glazebrook (x2), Addison Linskens (x2), Lucy Fraser, William Balkin (x3), Leah Morelli, Louis Lazzari, Cadence Huf, Ben Peace, Matilda Potter, Sam Burger, Abby Lazzari (x2), Myles Hailx (x2), Amity Hailx, Alisha Cross, Myles Alderman, Angus Headlewwood (x2), Oliver Fenwick, Josh Hill, Isabel Hanson, George Field, Connor Gordon, Mitchell Gordon, Zander Mabus, Thomas Gordon (x2), Luka Tuhakaraina, Emily Featherston (x2), Claudia Cochran, Lucy Fraser, Hayden Phillips, Lachie Phillips, Ben Peace, Jasmine Crawford.

VISIT TO DUNKELD KINDERGARTEN
Next Wednesday 9 September, we will be transporting Year 5 students across to the Dunkeld Kindergarten by bus; thus beginning the school’s relationship with the 2016 Prep Class. Children are asked to have a fruit snack ready to take across with them on that morning. A separate container might be the most suitable. While at the Kindergarten, our students will read with the little ones, have a play time and share the snack time. We will be at the Kindergarten for about one hour. Permission slips have been sent home and need to be returned to school by Thursday 3 September.

**YEAR 2/3 GRAMPIANS RETREAT CAMP**
The Year 2/3 Grampians Retreat Camp will be held from Wednesday 9 to Friday 11 September. Students will be accompanied by staff members, Miss Christina Brown, Mr James Stephens, Mr Paul Jeffreys and Mrs Heather Macgugan.

Students will depart from the school at approximately 9.15am on Wednesday 9 September. Children will require lunch on the first day as for a normal school day but in a throwaway container.

**PARENT/TEACHER INTERVIEWS**
Parent/Teacher interviews will be held from Monday 14 to Thursday 17 September. Information detailing dates and times will be sent home with students soon.

FROM Mr Paul Jeffreys, Principal
ANNUAL FOOTY DAY
As has been the tradition, a special Footy Day is planned at the Dunkeld Consolidated School on Friday 18 September. The theme for the day is ‘Aussie Footy’. School uniform is to be worn and all children are urged to wear their football colours e.g. scarves, beanies, mascots or jumpers etc wherever possible. Students are encouraged to wear their runners and bring their football boots with them if they have them.

Special Meal Deals will be available for lunch orders for students and staff from Izzy’s Mountain View Café – please see attached order form. Izzy’s will kindly donate $1.00 from each order to the Dunkeld Consolidated School. Please return your orders and payment to school by Wednesday 16 September.

Students are to bring their own snacks and drinks for morning tea. Lunch will be held from 1.00pm to 2.00pm due to early dismissal at 2.30pm (last day of term).

Children can change into sports clothing as required on the day but please ensure that your child is warmly dressed if the weather is cold and wet.

Parents are welcome to come along at any time during the day and we would love to see as many parents as possible involved in the Footy Day.

PREP/YEAR 1 SLEEPOVER
The Prep/Year 1 Sleepover will be held on Friday 23 October.

Craft Club
The children have enjoyed participating in a range of Craft Club activities with Miss Berry and with assistance from parents Lucinda Peterson and Jo Aaron and Craft Club student manager, William Balkin. Mrs Karen Arnold from the Dunkeld Post Office visited our school on Friday 21 August to demonstrate weaving and the children participated in the weaving process. A sincere thank you to Karen for donating her time and resources to educate the children about weaving; they really enjoyed the process and outcome.

Craft Club activities have ranged from card and jewellery making, pom poms and thereafter a pom pom tree, pet rocks and pet pine cone owls. We are also looking forward to knitting, making some pencil friends and garlands. Thank you for the generous donations from the community of wool, knitting needles etc to assist with providing valuable activities and resources for the school’s Craft Club. Thank you to the P & F Association for their donation for purchase items for Craft Club and last but not least; thank you to parents for providing valuable assistance with activities.

FATHERS’ DAY STALL ON FRIDAY 4 SEPTEMBER
On Friday 4 September the Social Services Fathers’ Day Stall will take place at 10.00am.

Here are some suggestions for the stall: small tools, nails, chocolates, lollies, plants, wallets, books, toiletries, socks, handkerchiefs, mugs, golf balls and tees. Things that your child might like to give to their father. Could you please wrap your gifts in clear or coloured cellophane, this makes it easier to see what the children are purchasing.

Children can bring the donations in and leave them in the canteen from now onwards.

Please remember that we count the total gifts donated and divide by the number of children. This is to see how many gifts each child may purchase on the day. The more gifts that are donated, the more gifts that can be purchased by each child. All money raised is donated to charities chosen by the senior students.

We will sell the gifts in price range from 50 cents to $3.00. A raffle is also held, at the cost of 50 cents per ticket, with the larger donated gifts making up the prize list. If you are...
unsure of how much money to send with your child, $5.00 will generally buy two gifts and raffle tickets.

Could all students please bring a bag to place their purchases in on the day of the stall.

For this to run smoothly we need some help from parents! We’ll need about 4 – 6 parents to help on Friday morning at 9.00am to collect the donations as children arrive, price them, lay out and serve at the stall to make it all run smoothly. Please consider helping, it is really a rewarding experience, and good fun! We really appreciate the time, donations and effort that you provide. Please contact Naomie Phillips on 0429 998 504 or email: naomie.phillips@hotmail.com

EPHEMERAL ART – MICHAEL SHIELL

Dr Michael Shiell is currently based in Melbourne. He is an Australian artist and arts researcher specialising in the field of ephemeral environmental art. He creates works that respond to the environment and our human relationship to it. He is best known for his works that are short lived using found natural materials which are sensitive to the site and leaves minimal environmental impact. Michael will be assisted by local artists Trevor Flinn and Annette Huf.

Trevor won the lost in sculpture acquisition award in 2011 for his child like sculpture ‘Hide’. Trevor is well known locally for his initiatives behind the Off The Rails Gallery and The Great Scone Off competition.

Annette has been the lis curator since its infancy. She was successful in designing the current Dunkeld Consolidated School logo. In 2013 she assisted the Dunkeld Consolidated School students to create recyclable garden art for the Stephanie Alexander Kitchen Garden Program.

In this ephemeral sculpture class children will be given the opportunity to create art works using found objects in a fun and healthy learning environment.

Age Group: 8 – 12 years of age (maximum 12 participants)
Cost: $25 per child
Date & Time: Saturday October 17th 9 – 11
Location: Salt Creek Trail, Dunkeld
What to bring: Coats & Hats if inclement weather

Nurture your child’s love of art and nature!

BASKET WEAVING – CHERREE DENSLEY

Cherree Densley is from Killarney. She has a great love and affinity with the Australian outdoors and grows most of her basket making materials in her large native garden. Early inspiration was from her maternal Grandmother who made wonderful baskets. Cherree has entered in lost in sculpture twice with her much admired ‘Contemporary Fish Trap’ 2011 and ‘Salt Creek Explorer’ 2013.

Age Group: Available to children ages 9 and up who can sew & adults. (Maximum 20 participants)
Cost: $40 per person.
Date & Time: Saturday October 17th 1 - 4pm.
Location: The former Uniting Church Hall, Wills Street. Opposite the tennis courts
What to bring: Scissors, secateurs and blunt wool needles with large eyes. Cherree will provide materials, however you may like to bring your own native grasses and sprays of shrubs such as melaleuca, rushes, dianella etc. Children may wish to bring feathers to make nests instead of baskets.

LIMESTONE SCULPTURE – KEVIN FREE

Kevin took up sculpting full time after 30 years as a nurseryman and landscape gardener. Kevin travels widely as a sculptor tutor for community groups and festivals. He opened his own showroom and sculpture garden at his home in Landsborough in 1996. Kevin participated in lost in sculpture in 2011.

Age Group: Adults only class – beginners & experienced (Maximum 10 people).

1st piece. Participants to purchase 2nd stone block to take home.
Date & Time: Saturday 17th October 10am – 4pm (6 hours).
Location: Old Dunkeld Motors Workshop, 95 Parker Street.
What to bring: Wear work clothes and sensible shoes. BYO apron, gloves and chair. BYO lunch.

*Please note stone is carved wet and is not toxic*

DRYSTONE WALLING – PHIL PERRET

Phil is a local Dunkeld resident working full time as an Environmental Scientist. Having grown up in the Western District Phil has a keen interest in geology and landscapes. Phil undertook a course in Drystone Walling in 2009 at Glenormiston College. As well as working on his own walls, Phil has worked on various volunteer drystone wall projects.

Phil’s workshop will introduce participants to the dry stone wall technique including preparation, layout, tools and equipment.

Age Group: Available to adults only (Maximum of 12 per session).
Cost: $30 per person.
Date & Time: 2 sessions - Saturday October 17th 9am - 11am & 2pm - 4pm.

PROUDLY SUPPORTING GRAMPIANS GOLF CLUB

Dunkeld & District Community Bank® Branch is a proud supporter of Grampians Golf Club and has again contributed towards running the annual tournament. Like all tournaments run by clubs in our region it is an opportunity for our communities to showcase themselves and show the greater area what we have to offer. Grampians Golf Club should be proud of the turn out and its effort in bring tourism to our home. We would like to thank the organisers for their effort and continued commitment.

GEORGE THE FARMER VISITS DUNKELD PRIMARY SCHOOL

It was a busy week for George the Farmer during Sheepvention. Not only did he introduce students from across the region about the finer points to farming on the Monday but took time out of his busy schedule to drop into the Dunkeld Consolidated School on Tuesday 4 August to talk to our local youngsters.

Dunkeld & District Community Bank® Branch is proud to have helped make the visit possible. George’s enthusiastic program will hopefully ensure a future generation of farmers that will keep our agricultural industry alive and strong.

SUPERANNUATION THAT IS 5 STAR FOR QUALITY AND VALUE!

When you think Superannuation you don’t usually think of your Bank. If it crosses your mind super is where you cup your hands and say you have “one of those”, aka an industry super fund. To be honest though, most people don’t even think of it at all which is worrying. Super is ‘something’ you have that your employer contributes your 9% into and you hope you have enough to retire to the Gold Coast when you are actually able to touch it.

The reality is if you don’t think about it and plan for it this will never happen. Having a conversation with us could be the first step in the right direction. Not only are we here to help you build your future wealth so that the dreams of sunshine become a reality, we have the award winning products to back it up.

Our Bendigo SmartStart Super® has recently been labelled ‘outstanding’ and awarded the highest rating of 5 Quality stars in the MySuper category by the Heron Partnership. Heron assess industry super funds, master trusts and multi-employer funds.

The Bendigo SmartStart Super® default investment option has also been awarded Morningstar’s top accolade of 5 stars for its three year performance. The 3-year performance for the default investment for under 55’s is 17.81% p.a and the 1 year performance is 14.05% p.a as at 31 May 2015.

Further to this Bendigo SmartStart Super® is one of the most affordable super funds on the market. What does this mean for you? You can have a cost effective future savings plan that is award winning for performance and like all Bendigo Bank products and services, benefitting your local community.

Call us on 5577 2488 to talk about your super!
DUNKELD MUSEUM UPDATE

Guest Speaker Meeting on Monday 7 September: Our next guest speaker meeting will be held on Monday 7 September commencing at 8.00pm. The guest speaker will be well-known rural photographer, Mrs Tracey Kruger, from Croxton East. Tracey’s real love is the farm, especially shearing. She grew up on a sheep farm at Nullawarre and then married a farmer and continued her involvement with the wool industry. Tracey drove over 25,000 kilometres during a 2½ year period visiting approximately 160 wool sheds to document shearing in the Western District. With her strong interest in Australian history, the end result was the publication of Tracey’s book, Shearing in Victoria’s Western District.

Entry is by gold coin donation and a light supper will follow the guest speaker meeting. Everyone is most welcome to attend.

125th Anniversary Celebrations – Penshurst to Dunkeld, Hamilton and Koroit Railways: A large group of ‘railway buffs’ from the Geelong and South Western Rail Heritage Society, led by Mr Michael Menzies, visited the Dunkeld Museum on Saturday 22 August to view our display of railway photos and maps as part of the 125th Railways Anniversary celebrations. Thank you to our members who assisted in many ways with this successful display.

Have you heard the exciting news? Dunkeld Consolidated School will again stage its Country Drive-in Movie, on Friday 2 October 2015.

Building on the success from last year’s event, the new date will offer a great school holiday activity for local families and visitors and the opportunity to showcase the wonderful facilities available at our school.

Gates will open at 5.30pm for two hours of fun, food and children’s activities, as well as happy hour and silent auction in partnership with the Dunkeld Cricket Club.

The feature film – Dreamworks’ animation ‘The Croods’ – will commence at 7.30pm. It’s the story of a prehistoric family on a road trip to an uncharted and fantastical world. It’s a family comedy as well as being visually amazing and perfect to watch on the big screen in the shadows of the Grampians. Tickets are $25 per car if purchased in advance and will be available online on the school’s website: www.dunkeld.vic.edu.au - numbers are limited, so get in quick!

Looking through the lens – 150 years of Dunkeld and District Pictorial History: The Dunkeld RSL Sub-Branch (supported by the Dunkeld Museum) will be hosting a Photographic Exhibition entitled ‘Looking through the lens – 150 years of Dunkeld and District Pictorial History’ from Friday 23 October to Sunday 1 November in the old hall section of the Dunkeld Community Centre. An extensive array of historical photographs from 1860’s to 1990’s will be on display!

An Opening Night will be held on Friday 23 October commencing at 7.00pm, entry will include light refreshments and drinks. Tickets $20.00 each. To assist with catering, tickets for the Opening Night may be purchased from Wendy Williams on 5577 2386 or Terrie Nicholson on 5573 3353 before Friday 16 October.

The exhibition will be open daily (from Saturday 24 October to Sunday 1 November) from 10.00am to 4.00pm – entry fee Adults $10.00 and Students $3.00. There will be ample opportunity to order copies of any of the historical photographs from the Dunkeld Museum.

SAVE THE DATE!
Committee Meeting: Our next monthly Committee Meeting will be held on Monday 21 September commencing at 8:00pm at the Dunkeld Museum.

Opening Hours: The Museum is open every Sunday and on public holidays from 1.00pm to 5.00pm, and also from 10.00am on the first Sunday of each month.

Museum Duty: The following volunteers are on Museum duty from 1.00pm – 5.00pm on:

Sunday  6 Sept Joyce Gordon & Heather Funk
Sunday  13 Sept Jenny Cook & Katrina Weatherly
If you are unable to carry out your duty on your rostered day could you please contact one of the other volunteers to arrange a swap.

Terrie Nicholson, Publicity Officer

DUNKE LD PUBLIC LANDS COMMITTEE

Sawmill Our next working bee will be on Saturday 12 September. It will be held to rebuild Strachan's Hut in Victoria Valley. We will meet at 8:30am and load the timber. We will then proceed to the site and hopefully build the hut. Parks Victoria is very pleased that we are rebuilding this icon of the Valley. They are providing lunch for the workers. To help with catering, could those attending please contact me before September 8th. I will be away until late August.

ANOTHER HOPE MINISTRIES STALL
Thank you to everyone who supported us in any way to make our Stall the fantastic success that it was. We raised $2,157 which will be a wonderful help to the Orphanage. The Raffle winners were: Alison Gahan - the metre of wood, Jason Trotter - $50 voucher, Terrie Nicholson - the framed Tapestry.
In a later Newsletter, we'll advise you as to how the money was used.
Thank you from the Catholic Women's League, The Uniting Church and the Dunkeld Red Cross.

**RSL Membership:** We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Application forms are available from the Secretary/Treasurer, Terrie Nicholson on 5573 3533.

**VetRide:** VetRide was established in 2011 under the auspices of the Victorian Branch of the Vietnam Veterans Association of Australia and its objective is to provide support for all members and ex-members of the Australian Defence Force (ADF), through cycling. Mr Peter Liefman, Group Chairman, Vietnam Veterans Association of Australia mentions:

As many of our generations of veterans have now passed the age of sixty and are not working, the tendency has developed to be less active; and combined with weight gain due to any number of ill health and other more usual reasons, the need for exercise (and of course a better diet) has become an imperative.

We have also identified a number of aims, beyond the obvious health and wellbeing benefits, not least being the opportunity provided for interaction between the veteran and non-veteran community and as part of the recognition of service, both past and present.

Through our annual ride event we have been able to bring together current serving and ex-service men and women, a connection that has reciprocal benefits for all who participate and next year we hope to bring that concept onto the national stage. The event is planned for the one to two weeks ending with an official ceremony at the Australian War Memorial, on Sunday 20 March 2016.

COUNCIL RELEASES SPRING/SUMMER EVENTS GUIDE FOR GREATER HAMILTON

The Greater Hamilton region will once again play host to a variety of events throughout spring and summer. As the days get longer and the weather warmer, it’s the perfect time to explore the great outdoors. Whether your passion is food and wine, festivals, art, culture and music, sporting or an active lifestyle, we have something for everyone.

Southern Grampians Shire Council has this week released the Greater Hamilton Spring/Summer Events guide 2015/16.

A few of the major highlights of the Spring/Summer guide include:

- 3HA Australian Pedal Car Grand Prix at Coleraine – 17 October
- Hamilton Cup – 25 October
- Dunkeld Races – 14 November
- Laternenfest in Tarrington – 27 November
- Western District Country Fair at Balmoral – 29 November
- St Mary’s Christmas Expo and Parade – 5 December
- Penshurst Boxing Day Races – 26 December
- Hamilton New Year’s Eve Street Party and Fireworks – 31 December

The Greater Hamilton Events Guide also features a variety of markets, major sporting tournaments and community activities to be held at venues across the region. Details of upcoming exhibitions and performances to be held at the Hamilton Art Gallery and Hamilton Performing Arts Centre are also included.

Copies of the Greater Hamilton Events guide are available from the Hamilton and Grampians Visitor Information Centre, Dunkeld and Grampians Visitor Information Centre, all Council offices or it can be mailed on request by contacting free call 1800 807 056.

The Events guide can also be downloaded from the our Tourism and Events website at http://www.visitgreaterhamilton.com.au/events/events_calender.html

For further information on upcoming events, or to register an event for inclusion in future guides, please contact Council’s Acting Events Marketing and Development Officer, Simone Logan on 5573 0239.

GARDEN NOTES – SEPTEMBER

Spring is here, there is much work to do in the garden. Don’t be tempted to cut back frost damaged plants too soon as leaving damaged shoots on your plant will protect new growth. Don’t remove affected parts until frost danger is over, say early November.

Main vegetable plantings are early tomato, capsicum, zucchini, pumpkin and cucumber (these will all require protection from the frost) also late peas, potato, carrot, parsnip, lettuce, beetroot, silver beet, spinach, early beans, radish, etc.

Late spring and summer flowering annuals for September planting include petunia, marigold, pansy, impatiens, aster and many others. Christmas flowering gladioli should be planted mid September.

People have asked when to lift bulbs such as daffodils, tulips etc. The golden rule is to wait at least 4 weeks after flowers fade in order to build up the bulb for next seasons flowering.

September is a good time to lightly trim any spring flowering trees after blooming, this can help to maintain a good size and shape without loss of flowers as would occur with winter pruning. With the rise in soil and air temperatures, there is a noticeable increase in growth this means that you should think about feeding your plants. There are two main groups of fertilizers. Firstly, natural or organic fertilizers such as animal manure, compost, fish or meat meal, blood and bone etc. The second group consists of chemical or manufactured products, although this group can also contain natural or rock minerals. Both groups contain a very wide range of material, preparations and mixtures in different forms: powders; granules; liquids; pellets etc. There are advantages and disadvantages in using both groups of materials.

I recommend that people use organic or natural materials as much as possible as these feed your soil as well as your plants although their nutrient content can vary. Sometimes, however, chemical fertilizers are required for a quick response or to treat a specific deficiency. Always follow directions on packages carefully as failure to do so can result in burning of foliage or roots.

HAPPY GARDENING – Stephen Hughan
DRAFT RATE CAPPING FRAMEWORK RELEASED

A draft State Government report on the rate capping and variation framework set to be introduced in 2016/17 was noted by Council at last Wednesday’s August meeting. The report ‘A blueprint for Change’ was developed by the Essential Services Commission (ESC) on the back of the last years’ election commitment to introduce rate capping for local governments. The framework is designed to meet the Government’s commitment to cap annual council rate increases as well as to develop a workable process to assess any proposals by Councils to increase rates above the cap.

The report discusses how the cap should be calculated, what rates it should be applied to, what circumstances variations may be considered and who will approve them, among many other issues. The full report is available at www.esc.vic.gov.au

The Commission will now conduct an extensive round of consultations which will include councillors, council staff, ratepayers, public information sessions in several regional centres and through convening deliberative discussions with groups of randomly selected ratepayers and community members. Details for these sessions are available on the ESC website.

Southern Grampians Shire Mayor Cr Peter Dark says it’s important that people make themselves aware of the information in this report and how the proposed framework will impact service delivery in the Shire.

"Rate capping will mean significant change to the way we develop our budgets and determine our service levels. We will be making another submission on this report on behalf of Council but I also encourage ratepayers to make their own submissions on this very important issue" Mayor Dark said. Submissions can be made to the ESC directly via email localgovernment@esc.vic.gov.au by the closing date of 28 August. Alternatively submissions could be made to the Council (addressed to the CEO, Locked Bag 685, Hamilton Vic 3300) by 24 August so that they may be considered by Council in its submission.

The final decision regarding the State Government’s adopted approach to rate capping will be communicated widely through the State Government’s channels. Local information will be made available to inform the community of the implications from Southern Grampians Shire Council’s perspective.

RED CROSS

At our last meeting Glenda Schwarz was awarded the Laurel Wreath medal for her 50 years of service to Red Cross. Congratulations and thank you Glenda for your years of service.

Locally things have been quiet work wise, but we have still been supporting various Lions projects nationally and internationally. Some of the projects are very big but some are quite small. One in particular that has been a great success is the Lions supported fundraising project for a $8.5 million (Aust) training and medical ship for Papua New Guinea. Last year the project received a huge boost when $2.8 million was raised at a fundraising event in Port Moresby. The ship will operate out of Townsville and be operated by Youth with a Mission (YWAM). Australian Lions contribute via fundraising by Queensland members.

**Such is life**

Recently Liz and I became grandparents again when our daughter Gina gave birth to a baby girl (Allie Grace). When I was holding the little one I couldn’t help but think of the importance of life and some of the things that have been said throughout history.

Plato (c.427-347 BC) Greek philosopher was holding his first born son and said, “You are the only person I want to exceed me in everything.”

St Alphonsus Liguori (1696-1787) Doctor of the Church who had such a love for the Virgin Mary and the baby Jesus that he would never pass by a Mother with a baby without stopping to bless them and ask for their prayers.

Peter Hinchey (1900-1975) General carrier and wood merchant of Ararat. When I took my first born, Peter, to show him to my father (there were then three generations of Peter Hinchey) Dad held his grandson and said, “When you come into this world you are wet and hungry and the first person that sees you gives you a hit on the back, and for some children life does not get any better.”

Melbourne Doctor and abortionist who specialises in late term abortions (up til the moment of birth) present day is quoted as saying, “It is not a baby until the mother tells me it is.”

Peter Hinchey (1948-) I was holding Allie Grace and said to her parents Gina and Aaron, “Give her a good start in life by having her taught the Chinese language it will be very useful - but by that time the way we are selling off our country it will probably be mandatory to learn it.”

The nicest thing about the future is that it always starts tomorrow.

For each serving Australian who risks everything - a family does the same. Australians will have the chance to show their support for these very special families by buying a badge during Legacy Week, 30 August to 5 September 2015.

As one of Australia’s most iconic charities, Legacy grew out of the ashes of the Great War and still supports around 90,000 families of Defence personnel who have given their lives or their health for their country.

Australia has lost just over 100,000 service men and women in all conflicts with many, many more badly injured, both mentally and physically. In WWI alone around 60,000 service men and women were killed with another 60,000 losing their lives in the following 10 years as a result of their service. For further information visit www.legacy.com.au or call 1800 534 229.
