Last Tuesday evening the School Council formally accepted a very generous offer afforded to it by Pauline Yule and Paul Sanders from the Old Bakery Dunkeld & Wild Plum Cafe. The bakery will contribute 5% of income from the sale of bread through the Bakery Cafe. So I’m encouraging local support for a great local business. The funds provided will be used solely for the benefit of the Stephanie Alexander Kitchen Garden Program, as Paul says, “there in a synergy between the SAKG program and their endeavours at the Bakery.”

GOLF REPORT
On the Thursday 16 August all the Grade 6 boys and Casey White, Jemma White, Abby Hayes and Bailey Dewan-Holmes travelled to the Parklands Golf Course in Hamilton. Everyone did great shots and played extremely well. Ryan Burgess and Lachie Field are in the next round to go to the Warmambool Golf Course on Friday 31 August. We would like to wish them good luck at this next level of competition. The biggest length on a hole was 160 metres. Cahal McNaughton got 58, Lachie Field 48, Ryan Burgess 47, Josh Lawton 52, Jordan Cross 65, Bailey Dewan-Holmes 81, Jemma White 90, Andrew Fry 55, Calvin Ross 67, Abby Hayes 87 and Casey White 90.

On the 16th hole I was going for my 6th shot with my putter and it went into the hole off the green which you call a ferret. A lot of people got a par 3. Abby Hayes, Jemma White and Jordan Cross each received a golf ball as a raffle prize.

From the Kitchen Garden...

A reminder for students and our Kitchen Garden “Friends” - there will be NO KITCHEN OR GARDEN CLASSES held on Friday 7 September (due to the students being on school camps).

Since I last put pen to paper (hand to keyboard!) we have travelled once again the culinary train to faraway places. ‘Namaste’ to you all – we ‘visited’ India and made our own Chapatti to use instead of forks and knives, a flat bread to hold our Sabjeean, and Raita with delicious lemon pickle, the accompaniments to this Indian feast. We also treated ourselves to a speciality in India with Gulab Jaman a sweet dumpling that they share for a special dessert. (Ask the Year 3 – 6 children if they remember why the people in some parts of India do not use cutlery?)

Last Friday the friends of the Kitchen danced the Mexican hat dance (a sight to behold!) as we greeted each other with ‘Hola’ and discovered Mexico. Many ingredients from the harvest table went into the Chihuahua Rice (tji wah wah), silver beet was wilted to become a healthy filling for our Quesadillas (cas-a-dee-yas) we made Corn bread and tempted our taste buds with Chilli Con Queso with some students wanting more chilli than others. Our very own oven baked Corn Chips with sea salt were delicious and completed this Mexican Fiesta.

North, South, East or West; whichever direction we take next we look forward to Harvesting, Preparing and Sharing together.

Clare Kennedy, Kitchen Specialist

This soaking rain has kept us indoors for most of the last three weeks, but we are still learning about the garden, and the way things grow. Last week we looked at those very important invertebrates (animals without a backbone), the earthworm. We studied its life cycle and anatomy. With real life subjects to observe, the students drew detailed diagrams and written text about interesting, and little known, earthworm facts!

In the short spaces of clear weather, those with waterproof clothing dashed outside to feed the hungry worms, and plant lettuces, herbs, leeks and chives. We didn’t stay there long!! The silver beet experiment is showing us some surprising results, and clear differences between fertilizer treatments.

We have also looked at tool maintenance; cleaning, sharpening and storage, and had lessons in basic plumbing (hose fittings). All these skills are applicable to the garden, but they are also teaching the children common sense, logical thinking and consequences.

We must extend a huge “thank you” to Iven Field, he has spent much of his spare time over the last few weeks clearing up the garden shed, and fixing the green benches. “You’re wonderful Iven - THANKS!!” Brendan and Dinah Gordon, Kelly & Henson and Iris and Iven Field have also sent in lettuces, herbs, strawberries and chives for us to plant - thank you, we really appreciate them.

We intend holding a “Produce Stall” at the Discover Dunkeld Market Day, to display our Stephanie Alexander Kitchen Garden program. We’ll also be selling plants and produce to raise money for the program. If you have any home-grown produce, or plants, seeds, bulbs etc that you would like to donate to sell at our stall, please contact me. We will really appreciate it.

Lisa McIntyre, Garden Specialist

The opportunity shops in Hamilton are a great source of cheap clothes if you do not have the required colour (Red Cross, Salvation Army, Hospital and Saint Vincent de Paul – they have quite a range and it’s great to support these charities that do so much for the community).

The Grade 3/4 Litterbugs and the Prep/1 and 2 students will need to be at the hall by 6.40pm. Clothes are not to have brand names or printing on them – plain colours please. All students to wear black leather school shoes, no runners on the night of the concert.

FATHERS’ DAY STALL ON FRIDAY 31 AUGUST
On Friday 31 August the students will hold their annual Father’s Day Stall, in the school hall.
This stall forms part of their Social Service program, along with Mother’s day and the Christmas stalls.

Donations of gifts for the stall are most welcome e.g. small tools, nails, chocolates, lollies, plants, wallets, books, toiletries, socks and mugs are some suggestions. Could you please wrap your gifts in clear cellophane.

Children can bring donations in and leave them at the front office from now onwards. The gifts are then sorted through and priced (ranging from 50 cents to $3.00).

The Preps and Grade 1 students will shop first at 1.45pm with the help of their senior buddies. Could all students please bring a bag to place their purchases in on the day of the stall.

Raffle tickets will also be on sale for 50 cents/ticket.

For this to run smoothly we need some help from parents!! We will need two - four helpers to help on the Friday morning to collect the donations as the children arrive, price them and lay them out in the Hall. At 1:30pm we will need four - six helpers to help serve at the stall to make it all run smoothly. If you are coming in to Special Assembly please consider about coming in a bit earlier, it is a rewarding experience and good fun. We really appreciate your time, donations and effort that you provide.

Names can be left with Emma Gordon on 5577 2660 or via email: catman22@bigpond.net.au

DUNKELD ADVENTURE

‘Dunkeld Adventure’ held the annual Serra Terror Team Hike on the Queen’s birthday weekend in June, which saw 120 trekkers cover 80km on this uniquely designed course. Pictured are some committee members presenting a cheque for $18,000 to the chair of the Dunkeld Community Centre Project, Mrs Mary-Ann Brown. The organisers sincerely appreciate the support and enthusiasm of the trekkers, along with their support crews, community volunteers and sponsors who make the Serra Terror hike such a great experience for all.

On 12 August, ‘Dunkeld Adventure’ also conducted a very successful Classic Scramble Motorbike event, again a fundraising initiative for the Dunkeld Community. Another $1000 was contributed to the Community Centre.

‘Dunkeld Adventure’ has now raised approximately $50,000 towards the Community Centre Appeal. www.dunkeldadventure.com.au

Legacy Week “Keep the promise campaign” – 2 to 8 September

What is Legacy Week? Legacy Week – Australia’s iconic fundraising campaign since 1942. It is also known for its Badge Day and the iconic badges offered as a token of appreciation for the donation made by the public.

Legacy Week is the annual national appeal to raise awareness and funds for the families of our deceased Veterans. It is held in towns and cities big and small across Australia and supported by young and old.

The funds raised from Legacy Week help Legacy continue to assist over 100,000 widows and 1,900 children and people with disabilities Australia-wide, with essential services such as, counselling, special housing, medical, advocacy and social support.

Public support will also help Legacy nurture children’s education, by contributing towards their school fees, books, uniforms, and recreational activities to aid their self-development and confidence. There are thousands of Australian Defence Force personnel currently deployed overseas. Legacy stands ready to assist their families should the worst happen.

Legacy would like to thank our National Partners the Commonwealth Bank, Thales and Telstra, members of the ADF, and the many volunteers, schools, services and businesses for their support of our annual Appeal. It is the lifeblood to our existence.

DUNKELD PUBLIC LANDS COMMITTEE

Caravan Park: We are gearing up for a busy season. The park is very wet at the moment. Contact has been made with VicRoads re the water running off the road through the park. Apparently this will be fixed soon. Some minor beautification works are planned.

Memorial Park: It is still too wet to hold a working bee. Late September is probably the best time.

Sawmill: A successful working bee was held on 25 August. Thank you to Kevin McArthur, George and Dennis Fitzpatrick, Alan Fort, Herman Jansen, Norm Schwarz, Donald McArthur, Ian Macgugan, David Gordon and David Hampton for attending. We were able to put up blackboards, drain water from the mill, repair the shelter, check the termite situation and unload the timber jinker that Donald kindly brought back for us. Everyone appreciated Corinne’s morning tea – thanks Corinne. At this stage the next working bee is planned for Saturday 22 September at 9:00 am.

I met with Jacqui Beck from RDV last Friday. The possibility of applying for a grant to complete our work was discussed. If we were able to gain a grant we need to provide $1 for $3. Our group does not have any money, only enthusiasm. We will ask local committees to support us. If anyone would like to help us with some money we would be very grateful.

The sawmill will be an asset to Dunkeld when finished. It will provide another place for tourists to visit and help keep visitors in Dunkeld for a longer time. We feel that it is an important part of Dunkeld’s history. It was the major employer for many years. I am proud of our willing band of workers who are doing a great job restoring it.

From the Kitchen Garden...

The Stephanie Alexander Kitchen Garden Program is well embedded into the program at the Dunkeld Consolidated School. Each Friday all year levels spend time in the Garden and the Year 3 – 6 ‘prepare and share’ in the Kitchen. They prepare beautiful produce grown in the school garden or kindly donated produce together with basic staples to create a meal that we all share together at the table. I am so very grateful to all of the ‘Friends of the Kitchen’ who help each Friday for this to happen so as our children can be part of this wonderful educative program. This term we have ‘travelled’ the globe to experience many new cuisines, cultures and languages and experiencing some delicious creations at our shared table. We have learnt to prepare and share...
foods from **Turkey** – Gozleme, Koftas and Fattoush. **Thailand** – sweet won tons, rice noodles, spring rolls, **France** – pain perdu, vichyssoise, cauliflower au gratin, **India** – chapatti, raita, lemon pickle, sabjeean and Gulab Jarmun, and **Mexico** – chihuahua rice, quesadillas, chili con queso and polenta corn chips.

If you would like to become a Friend of the Kitchen Garden and volunteer some time either on a Friday or doing odd jobs at other times please phone the school 5577 2384 and leave your details.

Thank you to Eda and Craig Williamson for your fresh eggs each week, and to Mr and Mrs John Fraser for the lovely basket of lemons. Thank you to Kathy Young, Judy Warne and Sue Pizzey for your expertise in selling raffle tickets and to Nikki Parker for your generosity and allow us space on cold wintry days.

Our Raffle to help raise funds for the program will run until the end of term. The winner will receive a beautiful gift pack which includes a handmade quilt kindly donated by Sandy Roache; gifts from Only Ewe, CK Catering and Helen Hanson together with books and magazines of kitchens and gardens donated by Ann Howard and the Dunkeld Newsagency.

**Tickets on are sale now for $1.00 each.** The raffle will be drawn on the last day of term on Friday 21 September.

No matter where we are in the world all people from all countries enjoy the preparing and sharing of food together.

Where will we dine next on the world map? Bon Appétit! ’Au revoir’.

*On behalf of the Kitchen Garden Program I sincerely thank Paul and Pauline from the Old Bakery and Wild Plum Café Dunkeld for sponsoring this wonderful program. Please support us by supporting them …*

**DUNKELD MUSEUM UPDATE**

**Committee Meeting:** Our next monthly Committee Meeting will be held on Monday 15 October commencing at 8.00pm at the Dunkeld Museum (could Committee members please note that there will not be a Committee meeting held in September due to members being away).

**Guest Speaker Meeting:** Our next Guest Speaker Meeting will be held on Monday 3 September commencing at 8.00pm, followed by a light supper.

Mr Peter Dark from Mirranawata and Mrs Heather Macgugan from Dunkeld will be our guest speakers at this meeting and they will be giving a presentation of their European tour of significant World War 1 sites (organised by the Hamilton and Alexandra College), which saw the group travel to London, Brussels, France and Turkey. Three Dark brothers – Frederick Charles, George Henry and Albert William enlisted in WW1, At the Villers-Bretonneux Memorial, Peter was able to pay homage to Private George Dark, 53rd Battalion AIF, who was killed in action on 4 December 1916 in France and Private Albert Dark, 53rd Battalion AIF, who died of wounds (sustained in the same battle) on 5 December 1916 and is buried in the Bernafay Wood British Cemetery. Heather and Peter also visited the Fromelles War Memorial which has a sculpture entitled “Cobbers” depicting Sergeant Simon Fraser from Byaduk carrying a wounded soldier. The “Cobbers” plaque reads as follows:

“It was no light work getting in with a heavy weight on your back … You had to lie down, and get him [a wounded soldier] on your back; then rise and duck for your life with a chance of getting a bullet in you before you were safe. [Sergeant Simon Fraser, 57th Battalion, AIF, of the difficulties of carrying the wounded at Fromelles].

As the fighting ceased at the Battle of Fromelles on 20 July 1916, hundreds of Australian wounded lay in no-man’s-land between the lines. For three days and nights men ventured into this area, despite enemy fire, to bring in the wounded, often carrying them on their backs.

One soldier who was particularly active in rescuing the wounded was Sergeant Simon Fraser, 57th Battalion, Australian Imperial Force, from Byaduk, Victoria. On one foggy morning, as he was out bringing in the wounded, Fraser heard a distant call – ‘don’t forget me, cobber.’ Fraser, and others, went back into danger and brought this man and another wounded man safely in.

The courage and compassion which Australians showed at Fromelles in looking after their wounded comrades is commemorated in the sculpture ‘Cobbers’ by Peter Corlett in the Australian Memorial Park. It depicts Sergeant Simon Fraser rescuing a wounded man of the 60th Battalion. This unit suffered greater loss than any other Australian unit at Fromelles. When the battalion assembled for roll call only 106 men answered their names out of 887 who had gone into battle on 19 July 1916.”

Both Peter and Heather’s spouses have a connection to Sergeant Simon Fraser – Ian Macgugan’s great-grandmother Mrs Anne Black (nee Fraser) was Simon’s aunt and Debra Dark’s great-grandfather, Donald Fraser, was Simon’s brother.

**Annual Excursion on Friday 17 August**

This year’s annual excursion was held on Friday 17 August. A small but keen group of members braved the cold and wet weather conditions to visit the Hamilton Spectator and Glen Campe’s Motor Museum. Mr Richard Beks provided a most informative and interesting tour of the Hamilton Spectator, which included observing Saturday’s edition of the Spectator being printed. After a delicious meal at the Botanical Motor Inn, we visited Campe’s Motor Museum in Coleraine Road. Mr Glen Campe provided a passionate and enthusiastic tour of his Motor Museum. Many fond memories were shared while
the members strolled around the establishment viewing vintage cars, trucks, buses and a pristine Royal Enfield motorbike and other items of nostalgia. A most enjoyable and informative day was enjoyed by all who attended.

FROM THE LIONS DEN
The District Governor has asked the Dunkeld and District Lions to assist him with two portfolios on cabinet. He has requested that we take on the portfolios of Farmsafe and Crimewatch. I spoke to him about it and said that I could understand why we would be given Farmsafe (farming area and we have conducted safe farming seminars in the past) but I was at a loss as to why we would be given Crimewatch. His explanation was simple - you have very little crime there so you must be doing something right. I then explained that we have two things going for us in this regards; First- a hard working accessible policeman; Second - a good law abiding, supportive community.

At this stage I have attended a state conference on Crimewatch in Melbourne and will be presenting a report at the next cabinet meeting. In regards to Farmsafe we are preparing to conduct on site presentations at properties in Mortlake and Nhill. If any farmer in our region would allow us to use his farm for a presentation it would be appreciated, and could you contact me please to make arrangements for the day.

Will his words come back to bite him?
In the last newsletter I mentioned Saint Peter and his performance based criteria for access into heaven. Recently a man died in Adelaide and I will quote two short parts of his eulogy.

“As with many good men, his legacy will survive in the minds and hearts of those he touched, rather than in books, honours and monuments.”

“He was a humble man with simple dreams, yet a large vision. He had no focus on material gain, however he had a passion for the truth and worked tirelessly to this end alone. His faith drove him to speak out for justice; and his love for the Church, though sometimes controversial, was always loyal and committed.”

At this stage he looks like he would have no worries about getting into heaven but I must give you a bit of background as to why I asked the question - will his words come back to bite him. How will this man go?

He was a convert to the Catholic Faith and when he arrived in Adelaide he went and introduced himself to the bishop. The bishop asked him why he converted and the reply was “Well, your Grace,” he said with a smile, “I looked at the clowns who’ve been running this show for the last 2000 years and figured that if it’s still here it must be divine.”

I wonder if Saint Peter will dress up as a clown when this man presents himself at heaven’s gates.

POLICE COMMUNITY ACHIEVEMENT AWARD
The Rotary Club of Hamilton in partnership with Hamilton Police and the Hamilton Spectator several ago established the Police – Community Achievement Award’. The award is presented to a member of Victoria Police who is stationed in the Southern Grampians Shire.

Nominations are open to all serving police, which include uniform, detectives and traffic personnel, irrespective of their rank or length of service. The selection panel will comprise a Southern Grampians Shire Councillor, Rotarian Mr. Ken Brand and Senior Sergeant Nick Finnegans of Hamilton Police.

Notwithstanding that the award is limited to police who serve in the local municipality, it is an award highly sought after by police members as recognition of the award is recorded in their police personal file, and this factor can be advantageous when the member applies for a career transfer or promotion. Far too often some sections of the public unfairly criticize police in their difficult work, but they rarely say ‘thank you’.

The award is an opportunity for community members to nominate an exemplary police member, and whilst there are internal police and federal awards, there is no specific local police award whereby the community can be directly involved with the nominations.

The ‘Best Practice’ selection criteria include:
Leadership  Interpersonal communication
Judgment  Personal impact  Reliability
Commitment to Customer Service  Initiative  Ethics & Integrity

The general public and organizations, including police members, are invited to nominate in writing a suitable candidate, to be posted to:
The Secretary Rotary Club of Hamilton
P.O Box 326
Hamilton. Vic. 3300

Nominations must be received by the Secretary no later than 21 September 2012.

At our first attempt at a Lake Bolac Comp saw the wind couldn’t get through to the rain. On the second attempt the wind blew the rain away. However, 24 brave souls fronted up with Rachel Blackwell even firing up the coffee machine. It has been brought to my attention that the fish displayed by Pippa on the web site was actually caught by Woody Blackwell. Sorry Woody.

Results:
- Jake Linskens (junior) heaviest trout 2kg.
- Alan Williamson trout 1.02kg.
- Addison Linskens trout .560kg
- Power to weight ratio Jake at 7:1.
- Woody Blackwell white bait .00001kg.

The paperwork is in for incorporation and should be up and should be completed soon. We are busy organizing the Cavendish fishing competition on Saturday 6 October and will hopefully have updated information on the website soon.
