FROM Mr Paul Jeffreys, Principal...

I am standing around in front of the Prep and Year 1 classrooms nearly every morning. Children enter the school grounds in a continuous slow drip and I watch them come down the path towards our buildings. As they come close to me, almost every little person says good morning; not as a response to my greeting, but as an initiative from each of them. It doesn’t seem like much of a big deal to some, but to me it is marvellous. What a wonderful thing it is that a 5 year old child feels compelled to say good morning. Sometimes children start conversations. Thanks Edward Williamson for asking about my weekend. Thank you Miranda McIntyre for asking how my day has been so far. Thanks too Jessica Field for the ‘hello’s’ and the messages from dad. I also say thanks to Lily and Monet Graham, Zarli and Cooper Hassett and the Mirtschins, Olivia and Caleb. Lucille Aarons and Xanthe Huf and Flynn Darroch make me feel like a million dollars every day because they say hello…and you feel like they really mean it. Addison Linskens and the Haley children and Thomas Gordon and the Potters, every day… “Hello, Mr Jeffreys”.

And the more I wonder about it, it seems like they are all doing this greeting thing and I start to think that I should not mention names because there are so many who do this little thing that has so much impact that I will be in trouble for forgetting somebody, and they don’t deserve to be forgotten. It’s like that when children get off the bus and say “hello”. I have to respond to this greeting business to nearly every child as they emerge at the doorway of the bus. And because they begin the conversation, I have to ask questions and I find that over time I am getting to know more about all of these little people and I find I ask specific things of different individuals because I get to know them better. It all seems to grow into a complex web of relationships. And it’s really nice. I am in a privileged position. Where else does this happen at such a grand scale. I am glad.

TRAFFIC GUIDELINES

Each family would have received a copy of the Traffic Guidelines last Friday – please contact the office if you have not received a copy. We need a collective agreement where all of us community members will universally follow a small number of simple commitments to ensure that the possibilities of injury to our children are as restricted as we can possibly make it. Please read the ‘Traffic Guidelines’ and complete and return the form by Thursday 4 September to acknowledge that they have been sighted.

HEAD LICE

It is such a difficult nuisance but we ask that all families carry out regular inspections for head lice at home. At this time of year, head lice are at their most persistent and we need to be collectively vigilant. Please be watchful for the live insects as this is where head lice are able to ‘jump’ to others. It would be advisable for girls to wear their hair tied back in a ponytail and/or plait. We will continue to carry out inspections at different times here at school, but regular checking, monitoring and treatment at home is the best way to control these pests.

THE GREAT SPACE CONUNDRUM COMPETITION

You will notice inside the newsletter this week a poster for a whole school community competition. We have a ‘dead spot’ in our school grounds which needs to be given life. I know there is a family out there who has that one great idea that outshines the rest of us. We want you to give that idea to us. The idea selected will be rewarded with a prize to be announced. So get those creative brain cells on the move. Entries need to be forwarded to the office by Monday 15 September.

VISIT TO DUNKELD KINDERGARTEN

This coming Wednesday 3 September, we will be transporting children from Years 4 and 5 across to the Dunkeld Kindergarten by bus; thus beginning the school’s relationship with the 2015 Prep Class. Children are asked to have a morning snack ready to take across with them on that morning. A separate container might be the most suitable. While at the Kindergarten, our students will read with the little ones, have a play time and share the snack time. We will be at the Kindergarten for about one hour. Permission slips have been sent home and need to be returned by Tuesday 2 September.

YEAR 2/3 NORVAL CAMP

The Year 2/3 Norval Camp will be held from Wednesday 5 to 7 September. Students will be accompanied by staff members, Ann Howard and James Stephens, and parent, Adrian Field.

PARENT/TEACHER INTERVIEWS

Parent/Teacher interviews will be held from Monday 15 to Thursday 18 September. Information detailing dates and times will be sent home with students this week.

SCHOOL HATS are to be worn from Monday 1 September as per the School’s Sun Smart UV Policy.

WOOL NEEDED

Any type of wool for finger knitting in Grade Prep and One. Any donations may be left in Mrs Howard’s office.

BOOK WEEK
A bright and colourful Book Week Parade was held last Wednesday. There were many different ‘book characters’ in attendance. Thank you to the students, parents and staff for supporting this annual event. Please visit the school website for photos of all the classes – www.dunkeld.vic.edu.au

SPECIAL ASSEMBLY
Mr Nick Sutherland, Manager, Kelly & Henson, Dunkeld was our guest presenter at last Wednesday’s Special Assembly. Nick read out the names of students who received Significant Achievement or Positive Citizenship Certificates for the month of August:

WORKING BEE ON 12 OCTOBER
A School Working Bee will be held on Sunday 12 October commencing at 10.00am. Facilities Sub-Committee has compiled a Schedule of Tasks to be completed at this Working Bee. A free barbecue lunch for all the workers will be held at the completion of the Working Bee. Could you please complete and return the attached form by Monday 8 September.

SCHOOL COUNCIL UPDATE
• School Council is actively communicating with the Southern Grampians Shire Council and other relevant bodies with regards to the parking options and traffic safety at the school.
• School Working Bee to be held on Sunday 12 October.
• Staff have attended Professional Development sessions on Polycom system training and iPads, with Paul Jeffreys and James Stephens attending a two day iPad conference in Melbourne last week.
• A reminder that all parents are welcome to attend any School Council Sub-Committee meetings. Dates and times are listed in the school newsletter and on the school website. Sub-Committee Convenors may also be contacted for further information.

FOOTY DAY
As has been the tradition, a special Footy Day is planned at the Dunkeld Consolidated School on Friday 19 September. The theme for the day is ‘Aussie Footy’. School uniform is to be worn and all children are urged to wear their football colours e.g. scarves, beanies, mascots or jumpers etc wherever possible. Students are encouraged to wear their runners and bring their football boots with them if they have them.

The Dunkeld & District Lions Club will be providing a free barbecue lunch for all the students and staff. Students are to bring their own snacks and drinks for morning tea. Lunch will be held from 1.00pm to 2.00pm due to early dismissal at 2.30pm (last day of term).

Children can change into sports clothing as required on the day but please ensure that your child is warmly dressed if the weather is cold and wet.

Parents are welcome to come along at any time during the day and we would love to see as many parents as possible involved in the Footy Day.

From the Kitchen Garden...

BIG BAKE 100 YEARS CELEBRATION: Students and Friends of the Stephanie Alexander Kitchen Garden Program together with members of the Dunkeld Red Cross Unit will be baking on Monday 15 September to raise funds for the Australian Red Cross. The more orders we fill the more money we can donate to the Red Cross – People helping People. Please see the attached flyer for more details.

Please complete and return your order form (and payment) to school by Tuesday 9 September.

If you are able to donate your time to help on Monday 15 September please phone Clare Kennedy on 0427 823 308 by Friday 12 September.

IN THE KITCHEN: Year 3 and 4 harvested cabbage, silverbeet, chives, lettuce, to be part of our delicious lunch that we prepared and shared together in the kitchen Thursday 28 August.

The menu for the day: Ricotta, Silverbeet and Feta Rolls, which included our homemade ricotta, shredded silverbeet, chives and feta; sautéed, mixed and rolled in pastry. Okonomiyaki (Japanese Pancakes) a great word for the children to pronounce and not too difficult to prepare. Shredded cabbage leaves from the garden together with grated potato, bacon and mushrooms mixed with a batter gently fried and flipped with great concentration and beautifully done. We served our pancakes with a delicious accompaniment of kewpie mayonnaise and kecap manis. (I have included the recipe for you to enjoy at home. Enjoy them with a green salad). Salad Leaves, silverbeet and calendula petals were harvested, gently washed, gently spun and displayed on large platters. Four salad dressings were shaken in jars so as we could vote for our favourite after tasting them all. Vinaigrette, Honey Mustard, Thai Chilli and Lemon and Olive Oil. Check out the voting in the kitchen to see which one was the favourite. Most children really wanted to vote for more than one…we really tested the taste buds! Year 3 children finally received a ‘knife licence’ after watching a video on knife safety and then practicing peeling and chopping up apples to accompany our salads. Well done Year 3. We will continue with knife safety, technique and behaviour next time in the kitchen together.
Okonomiyaki (Japanese Pancakes)

Ingredients (serves 8):
- 3 cups of plain flour
- 1/2 potato, peeled, grated
- 2 eggs
- 2 cups water
- 3 green cabbage leaves, shredded
- 6 green onions, sliced
- 100g button mushrooms, sliced
- 6 green onions, sliced
- 2 tablespoons olive oil
- 100g button mushrooms, sliced
- 6 green onions, sliced
- 3 green cabbage leaves, shredded
- 2 cups water
- 1/2 potato, peeled, grated
- 3 cups of plain flour

Sauce:
- 2 tablespoons thick, sweet Japanese soy sauce

Method:
1. Mix together flour, potato, eggs, a pinch of salt and enough water to form a batter the consistency of thickened cream. Add cabbage, bean shoots, green onions and mushrooms and diced bacon.
2. Heat a little oil in a large non-stick frying pan over medium-low heat. Spoon mixture per pancake into frying pan. Cook for 10 minutes.
3. Turn pancake over and cook for 10 to 15 minutes or until pancake is cooked through. Keep warm and repeat with remaining pancake batter.
4. To make sauce: Combine soy sauce and mayonnaise. Serve remaining pancake batter.

Happy Preparing and Sharing

P & F NEWS

BOOKS & DVD'S WANTED: The P & F will have a Second Hand Book Stall at the Discover Dunkeld Market Day again this year on Saturday 18 October. If you've got any books or DVD's, in good condition, please drop off in the plastic tub marked "P & F Books" located in the staffroom at the school.

Please contact Karen or Ally if you have a large quantity to donate and we can arrange pick up or a drop off spot other than the school.

ACTIVE AFTER-SCHOOL (AASC)

We have been focusing on improving our skills in both golf and athletics. Newcomer to the team, Emma Gordon, introduced students to putting. Myles Hayley showed his natural talent in putting, winning nearest the pin in the "through the tunnel" challenge. The bigger lads of the group went on to practice their chipping, while the rest of us putted our way around obstacles. We focused on the importance of safety and golf clubs also. In Athletics, we focused on stride, jump and run. The kids enjoyed jumping hurdles, weaving and running to see who'd take out the relay. We couldn't quite get the idea of Stone, Bridge, Tree! There were stones, bridges and trees going everywhere! Quite a funny sight. Our sprint course on the little oval came to an abrupt halt when an overzealous magpie showed her displeasure of our being at within at least 100 metres of the nest. Well done to our leaders, Lucy Fraser, Ella Jackson, Thomas Gordon, Brodie Reynolds, Peppa Williamson, Malilda Potter, Charlie Field and George Field. Our leaders were extremely helpful in setting up and packing up activities.

Students are encouraged to bring their runners and girls are asked to wear pants or shorts, not pinafores or dresses as some of the activities are hard to do in dresses. Summer hats must also be worn from Monday 1 September.

The first Active-After School session for Term 4 will be held on Wednesday 8 October and the last session will be held on Wednesday 26 November.

For further details on the Active-After-Schools program, please contact Ally Gordon on 0429 900 747.

AUSSIE FOOTY

Overall the season went well with significant improvement in the whole team as the season progressed.

As the younger boys' confidence grew every game the improvement was evident with more tackling, smoothers, shepherds and longer kicking.

This improvement created more scoring opportunities and plenty of goals were kicked in most games, even in wet conditions.

The majority of the team will still be available next year so the experience the younger children received this season has been great. We all look forward to next year with some new recruits (girls are encouraged to play).

A big thank you to the Glenthompson/Dunkeld Football Club for supplying the boys with Rams jumpers. Thanks to all parents who helped during the season with transport, oranges, coaching and umpiring.
From September, 5 things to remember

Slip! Slop! Slap! Seek! Slide!

From September, Victoria’s UV levels are on the rise, so it’s time to dust off the sun protection gear and Slip, Slop, Slap, Seek, Slide whenever you are outside. Check the SunSmart UV Alert for daily sun protection times – you can find it on the free SunSmart app, online (sunsmart.com.au), in the weather section of newspapers, or as a free website widget. If you can’t check the UV Alert each day, make sure you use sun protection every day from September to the end of April in Victoria. Don’t just wait for hot, sunny days.

Remember these 5 SunSmart steps during the sun protection times, even if it’s cool or cloudy

1. **Slip on covering clothing.** If you can see skin, UV can reach it. Is your child’s skin covered with cool clothing today?

2. **Slop on SPF 30 or higher broad spectrum sunscreen.** Apply sunscreen before going outdoors and reapply every two hours. One application is not enough. Has your child had sunscreen applied and reapplied today?

3. **Slap on a sun protective hat.** The best hat shades the head, face, eyes, ears and neck. Does your child’s hat protect all of these areas?

4. **Seek shade.** Shady spots help block some of the sun’s UV but not all so you still need to wear hats, clothing and sunscreen even in the shade. Does your child have shady places to play?

5. **Slide on sunglasses labelled AS 1067.** If practical, help protect your child’s eyes with sunglasses. Are your child’s eyes safe in the sun?

A note about vitamin D

The sun’s UV is the best natural source of vitamin D.

From September to April in Victoria, most people need just a few minutes of sun exposure mid-morning or mid-afternoon on most days of the week to help with vitamin D. Even with sunscreen you can still get some vitamin D. Sun safe outdoor play throughout the day should not put your child at risk of low vitamin D.

Children with naturally very dark skin need even more sun exposure to help with vitamin D and don’t usually don’t need to apply sunscreen. However ALL children should still use the other SunSmart steps during sun protection times.

COMMUNITY CENTRE UPDATE

The project continues on time and on budget. Much of the internal plastering has been completed. Also the external stonework is complete and looks great.

Work on the RSL Room at the western end of the Memorial Hall has commenced with framing for the internal wall completed. The stage has been removed as well as the brick supports. Thank you to the demolition team of Ian Macgugan, John Smith, David Gordon, David Hampton, Bill Gordon, Herman Jansen & Peter Hinchey, who removed the old brick supports.

Work on the roof of the Memorial Hall is underway. The roof will be insulated and the fascia boards will be replaced.

We are very grateful for a donation of $1,000 from the Hamilton Rotary Club. These funds will be used to purchase furniture for the Centre.

We are currently working out hire charges and will be taking bookings soon. The Centre has been booked as a polling station for the state election on Saturday 29 November.

KEEP THIS DATE – OFFICIAL OPENING ON SUNDAY 2 NOVEMBER

NAME FOR THE CENTRE??

What do you think we should call the new centre? Suggestions for names to Doug Fleming on doug_fleming@bigpond.com.

Entries close on WEDNESDAY 24 SEPTEMBER.

CHAIR APPEAL

Want to contribute to the Community Centre Project? We are purchasing 250 new chairs for the Centre. You can buy a piece of the Centre by purchasing a chair for $50 each. Purchasers of chairs will be recognised by a plaque on the back of the chair.

Please make your donation at the Dunkeld Community Bank. If you require tax deductibility, please advise bank staff when you make your donation.
DUNKELD PUBLIC LANDS COMMITTEE

Caravan Park  It has been quiet lately. The units have had reasonable occupancy. One unit had to be replumbed recently. The poly type piping burst twice.

Sawmill  We have had working bees to relocate a hut from behind Bill and Elva Fitzpatrick’s house. We thank the Dunkeld Pastoral Company for allowing us to take the hut.

The men are keen to hold an Open Day again this year. Tentative date is Saturday 12 October. We will cut timber and slabs. We also hope to provide demonstrations of an old 2 man saw, auto logging, woodturning, etc.

We have some logs to cut, but need more. Red gum, sugar gum, stringybark, cyprus and messmate would be very suitable. The wet weather has made our collecting job difficult. Please contact me on 5577 2397 if you can help. The timber will be used at the sawmill, to redeck the jetty at the reservoir and some will be donated to Mulleraterong.

Volunteering:  Small towns are at a big disadvantage if they don’t do things for themselves. We need volunteers to make Dunkeld and district a great place to live. We always seem to find volunteers to do jobs. However, keeping Committees going is always a problem. Few want to be on Committees. I can understand this, but we have to have Committees or nothing will happen.

It is sad to see Dunkeld Adventure struggling to get enough members and unable to find a President or Secretary. This Committee oversees the Serra Terror and Wheel Fun events. They bring $1000s into the district. Dunkeld Adventure should be one of the most important Committees - overseeing events that attract participants from outside our district. This brings in so much money and takes the pressure off our residents. Let’s hope we can find some good people to continue the good work started by Maree and Heather.

John Smith, President

DUNKELD FIRE BRIGADE

As it is coming into spring it is a good time to start thinking about cleaning up around your blocks, yards and houses. It is also a good time to start talking about updating your fire plan for the summer.

Your local brigade members have been busy training for this upcoming year, with wildfire, car crash, house, gas, car fire, First aid and chainsaw.

FROM THE LIONS DEN

Last weekend our club was represented in Melbourne where the district chairpersons for Crime Watch were at a conference to discuss matters relating to the portfolio. Although we do not have a real crime problem here it is interesting to listen to people from Melbourne and other parts of the state and hear what their problems are. I believe that a vote of thanks is due to Bruce McNaughton and the work he does to keep our area safe. I read his article in the newsletter about the risks involved in trying to avoid animals on the road. A few days after this article appeared a driver swerved to miss a rabbit and rolled the car (in Central Victoria). One person was killed out-right, and three others injured with one in a serious condition.

The Minister of Religion

A minister addressed his congregation from the pulpit during the Sunday service. He leaned over and said, “I have good news, the amount of money required for the renovations is available. He straightened up and said, “The only problem is, it is still in your wallets.”

Peter Hinchey

ON THE BEAT

The Western District is looking great at the moment. Trees are starting to bud up, the grass is green, crops are progressing nicely, water in the dams. A lot can change and any farmer will tell you that the crop is not in the silo yet. Given the rain that we’ve had I think the crops are looking pretty good. Farmers continue to improve the ways they go about growing a crop. It still amazes me how the farmer plants tiny seeds in a paddock and that solitary seed battles against the cold wind, wet, weeds, frost, birds, insects and yet more often than not, despite all the odds, that one seed produces a plant that multiplies the seed 20 fold or more.

We rely on donations to the Community Newsletter to offset all expenses relating to producing it. Please send in your donation to the Dunkeld Consolidated School office where it will be receipted and an acknowledgement made via the Newsletter. A receipt will be provided. Please make cheques payable to the “Dunkeld Consolidated School.”
After talking to tourists passing through Dunkeld, other regions of Australia are doing it very tough at the moment so we’re very fortunate here.

The other day I had to drive to Melbourne to changeover the police vehicle. After departing Dunkeld at 3.30am in the new Dunkeld vehicle and making my way down to Melbourne, I finally got to depart Brunswick at around 3.30pm. Time to try out the GPS to calculate the best way home through the peak hour traffic. After putting in Ballarat as the intended destination I started following the instructions through Mt Alexander Road, Essendon and after 20 minutes and little progress I was already starting to think that this was a bad idea. Anyway, it took me onto the Calder Highway and then eventually onto the Keilor-Melton Road and as the traffic wasn’t too bad the GPS had started to restore my faith.

All was going well until the row of cars in front of me stopped as I did, however, I could see in the rear view mirror that the driver following me was not going to be quite so lucky. I couldn’t evade the impact due to cars stopped in front of me so I made sure my footbrake was on firm and waited. Shortly thereafter, a loud bang with the sound of breaking plastic could be heard as he ran into the back of the police vehicle. Thinking that my footbrake was on firm and waited. Shortly thereafter, there was hardly a scratch on the police car because of my footbrake was on firm and waited. At least he wasn’t injured. Needless to say I was very happy that the rest of the trip home was uneventful.

So collisions can happen to anyone and you don’t have to be doing the wrong thing to be involved in one.

Stay safe everyone and I hope you get the chance to enjoy some good weather to come.

DUNKE LD RSL SUB-BRANCH

RSL Membership: We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Dunkeld RSL Sub-Branch members are reminded that annual subs are now due. Application forms are available from the Secretary/Treasurer. Annie and Greg regret that they are unable to cater for children and pets. For further information visit www.cockatooriseretreat.com.au or phone 0409 418 332. Terrie Nicholson, Secretary/Treasurer

Our next Guest Speaker Meeting will be held on Monday 15 September commencing at 8:00pm at the Dunkeld Museum.

Red Cross: As part of the world’s largest humanitarian movement, Red Cross has been part of the fabric of Australian life for 100 years. To find out more about the many ways to support Red Cross, please visit www.redcross.org.au/centenary

The Dunkeld Museum has a display of memorabilia courtesy of the Dunkeld Red Cross Unit. The following is an excerpt from their book:

The Red Cross is a totally different type of organisation as it is an international body which offers help to soldiers and civilians in every country wherever there is suffering caused by war or natural disasters. They also help with rehabilitation, the aged and the Blood Bank and many other areas.

During the Frist World War, it provided amenities for injured servicemen and prisoners of war. Many of those who worked for the Comforts Fund pitched in and helped at their Red Cross Branches too.

When World War 2 started, a branch was formed at Karabeal with Mrs S.A. Perry as President and Mrs R.W. McIntyre, Secretary. She retained the minutes of the years 1939-1946 and they are rich in detail of the lives of the community as they
battled to keep the farms going and their morale high when so many of their men were away. Chinese chequer nights, dances and card nights were popular for relaxation from the hard work and knitting.

At Moutajup, Mrs Walker had a web of cords and string around her kitchen as she made camouflage nets for the army to cover guns.

Other branches were at Mirranatwa, Victoria Valley, Dunkeld, Glenthompson and Woodhouse. Dunkeld had an ex-World War 1 nurse as President in Mrs T.L. Simpson, and she had a band of hard workers including Mesdames Charlie Bates, A. Robertson, Harold Myers, A. McArthur, W. Collins, E. Cox, J. Cullinane, J. Hadden, J. Downes, P. Gee, and Misses M. and K. Cullinane, Bobby and Joan Woodburn (later Mrs R. Bade), E. Templeton (Mrs Bob Gordon) and G. and J. Ballinger.

The following Dunkeld Red Cross members have received prestigious long service awards: Mrs Milly Young (dec) – 70 years; Mrs Catherine (Kitty) Funk (dec) – 60 years and Mrs Muriel Macgugan (dec) – 50 years.

**BIG BAKE 100 YEARS CELEBRATION:** Students and Friends of the Stephanie Alexander Kitchen Garden Program together with members of the Dunkeld Red Cross Unit will be baking on Monday 15 September to raise funds for the Australian Red Cross. The more orders we fill the more money we can donate to the Red Cross – People helping People. Please see the attached flyer for more details.

Please complete and return your order form (and payment) to school by Tuesday 9 September.

If you are able to donate your time to help on Monday 15 September please phone Clare Kennedy on 0427 823 308 by Friday 12 September.

**IN THE KITCHEN:** Year 3 and 4 harvested cabbage, silverbeet, chives, lettuce, to be part of our delicious lunch that we prepared and shared together in the kitchen Thursday 28 August.

The menu for the day: Ricotta, Silverbeet and Feta Rolls, which included our homemade ricotta, shredded silverbeet, chives and feta; sautéed, mixed and rolled in pastry. Okonomiyaki (Japanese Pancakes) a great word for the children to pronounce and not too difficult to prepare. Shredded cabbage leaves from the garden together with grated potato, bacon and mushrooms mixed with a batter gently fried and flipped with great concentration and beautifully done. We served our pancakes with a delicious accompaniment of kewpie mayonnaise and kecap manis. (I have included the recipe for you to enjoy at home. Enjoy them with a green salad). Salad Leaves, silverbeet and calendula petals were harvested, gently washed, gently spun and displayed on large platters. Four salad dressings were shaken in jars so as we could vote for our favourite after tasting them all. Vinaigrette, Honey Mustard, Thai Chili and Lemon and Olive Oil. Check out the voting in the kitchen to see which one was the favourite. Most children really wanted to vote for more than one…we really tested the taste buds! Year 3 children finally received a ‘knife licence’ after watching a video on knife safety and then practicing peeling and chopping up apples to accompany our salads. Well done Year 3. We will continue with knife safety, technique and behaviour next time in the kitchen together.

**Okonomiyaki (Japanese Pancakes)**

**Ingredients (serves 8):**
- 3 cups of plain flour
- 1/2 potato, peeled, grated
- 2 eggs
- 2 cups water
- 3 green cabbage leaves, shredded
- 6 green onions, sliced
- 100g button mushrooms, sliced
- 2 tablespoons olive oil
- 4 rashers bacon, rind removed, diced
- 100g bean sprouts

**Sauce:**
- 2 tablespoons thick, sweet Japanese soy sauce
- 1/2 cup Japanese mayonnaise or Kewpie

**Method:**
1. Mix together flour, potato, eggs, a pinch of salt and enough water to form a batter the consistency of thickened cream. Add cabbage, bean shoots, green onions and mushrooms and diced bacon
2. Heat a little oil in a large non-stick frying pan over medium-low heat. Spoon mixture per pancake into frying pan. Cook for 10 minutes.
3. Turn pancake over and cook for 10 to 15 minutes or until pancake is cooked through. Keep warm and repeat with remaining pancake batter.
4. To make sauce: Combine soy sauce and mayonnaise. Serve pancakes warm with sauce.

Happy Preparing and Sharing

DUNDEEL KINDERGARTEN NEWS

Wednesday 20th August we held our very successful professional development session at Bush Kinder. We had received such a lot of interest in our program from other kindergartens and early childhood centres that we decided to have an open day.

We were not really sure how many would attend and we would have been happy if we had half a dozen. We had 33 teachers / educators etc attend from Moyne shire, Ararat, Mortlake, Stawell, Wimmera, Hamilton, MacArthur etc. We also had Tammy from Parks Victoria to speak to the educators and then spend time with the children in the bush.

We have since received very positive feedback about our program, including that we should run another open day next year.

We were very proud of the kindergarten children and we received many compliments.

Great manners, leadership skills, confidence, they all get along and there was no conflict, knowledge that they were able to share and the pride they have for their bush kinder space. The children assisted throughout the session by being tour leaders and by speaking to our visitors.

Thanks to our organising group Nyrice Adams, Christy Lazzari, Alison Prentice and Carol Burger. Thanks to Mal & Lea at Cafe 109 for their help on the day. Thanks to Ally Gordon, Kim Burgess and Gill Keen. Special thanks to Alison Prentice for her all her time in preparation, presenting to the visitors and assisting throughout the day. I am very proud of our progressive kinder program and to be able to share what we do with others is very rewarding.

IDEAS + ACTION = CHANGE

Other news – we have been selected as a finalist in the Resourcesmart schools and early childhood sustainability awards.

The Awards Ceremony is in Melbourne on Monday September 8th.

We have also been selected as semi-finalists for the Regional achievement and community awards, sustainability awards.

Enrolments for 2015

We are still taking enrolments for 3 & 4 year old kindergarten for 2015. Please contact the kinder if you require further information.

Dunkeld Red Cross

Thank you to Red Cross Members for their contribution to our Centenary Stall held outside the milk bar on 16th August. Also a big thank you to members of the community for their support.

We raised $680!

Winner of the raffle was Grub Templeton. Congratulations.

As part of the Red Cross Centenary the Dunkeld museum will be putting up a display of Red Cross memorabilia.

Our next meeting will be 25th September, 2pm at the Information Centre.

If anyone would like a lift please let us know. New members are always welcome.

WheelFun

Sunday 19 October

Can you spare 3-4 hours??

We would like to invite interested people to volunteer as marshalls for the WheelFun event on Sunday 19th October.

We need people at the drink stations, lead and sweep vehicles (utes), and Control Centre.

The ride finishes in Dunkeld Memorial Park with a BBQ and live entertainment.

Come and join in the fun!

Please call Sally on 0414 463 013

GRAMPIONS GOLF CLUB NEWS

The Grampians Golf Club hosted its annual tournament from the 14th to 17th of August and we were all pleased with the events held. As usual the volunteer input from club members to get the course up to good playing was vital as was the input into food prep and presentation, manning the bar, running the office, organising sponsors and choosing trophy prizes. Visitors were happy to be at the club and the weather was mostly kind. So a big thank you to all those supporting the club.

I mentioned our great sponsors in the last newsletter but kept some of the fantastic businesses and individuals to mention now for greater impact - here they are:

All sponsorship donations of money, vouchers and goods were all used during the tournament as prizes for events held or the tournament competition. The generosity of our sponsors has attracted players to the club to compete for the great trophy prizes on offer and so we are thankful for this continued support.

Cheers

Remember the days when chickens tasted like chicken??

My chickens are grazed on pasture in covered pens and moved every day. They are also fed a mixture of grain which we mix ourselves. They are fed no hormones or antibiotics. We use no chemicals at any stage.

The end result is a delicious chook that has had a happy life.
They dress out at around 2.2kg and I sell them for $7/kg,

*Pastured chooks that are processed chemical free and taste delicious!!*
