Issue No: 14/2018 Date: Wednesday 5 September 2018

DUNKELD

MUSEUM

## EVERYTHING OLD IS NEW AGAIN

One of our new members, David Baker, has been busy at work restoring the Dunkeld Diorama. The original diorama has been part of the Museum for the last 30 years and was made by Geoff Barker. The diorama now shows the mountains and direction of the 1944 fires.

Is anyone hiding 1944 Dunkeld fire stories or photos? If so, please let us know.

Our research window of opportunity for the request for information about the WW1 soldiers that are buried in the Dunkeld Cemetery is coming to a close and the proof copy of our booklet will be on display at our next General Meeting on 20 September. This week we have received the completed plaque, it looks terrific! We are amazed at the information that has been gleaned about these men, the booklet we are producing will be a lasting memento of their memories and service to their country. We thank those who

have contributed to this project. We will be unveiling the plaque at the cemetery and launching the booklet at the Museum on 11 November.

Does anyone have any RADLEY family history to share with us? Stories, certificates or photos would be very welcome to add to the already intriguing pieces we have of the puzzle!

We also welcome new member Phillip Bade who has jumped right in and is already at work restoring and indexing items that have been sadly neglected.

One of our members, Nola Clark, from Melbourne has donated some photos, a christening gown and lovely WW1 cards, and we hope to get some wartime letters from her Fry side of the family.

Thanks Nola we look forward to your next visit to our museum.

## DONATIONS

We rely on donations to the Community Newsletter to offset all expenses relating to producing it. Please send in your donation to the Dunkeld Consolidated School office where it will be receipted and an acknowledgement made via the Newsletter. A receipt will be provided. **Please make cheques payable to the "Dunkeld Consolidated School."**

## DUNKELD KINDERGARTEN

Dunkeld Kindergarten is the first Early Learning Centre in Victoria to achieve recognition as a five-star ResourceSmart School and has been named a finalist in the prestigious Victorian Sustainability Awards Education category for encouraging their children to connect with nature and their local environment.

The Premiers Sustainability Awards are the highest profile awards of their kind in Victoria and this year's finalists have been chosen in 10 categories.

Through the kindergartens Educating Future World Leaders program, the children are encouraged to build a strong connection with their local nature and to actively take care of it.

The children are regularly taken to the Grampians National Park as part of the Bush Kinder program. They are also taught to sort rubbish, learn about water conservation and adopt healthy eating habits.

Chief executive of Sustainability Victoria, Stan Krpan, described the program as exceptional.

"Dunkeld Kindergarten demonstrated to the judges that they have translated the principles of sustainability into practice to achieve outstanding results for our environment and the state of our future."

## FROM THE LION'S DEN

### The Drought

Our Lions Club has received a donation of \$1,000.00 earmarked for the drought relief. The cost of taking a load of hay to New South Wales would be in the vicinity of \$2,500 for fuel only. So if anyone can assist with money towards the cost, or supply hay, then we will be able to have it transported to the affected area. We have a truck owner who is willing to take the load for us, but he will need assistance with the fuel costs. If you can help, please call me on 5577 2460. Thank you.

In the last newsletter I mentioned that I went to see a doctor and how he almost had a fit when he saw how much I weighed. So I asked his advice on how to lose weight.

"Easy", said the doctor. "Eat regularly for two days then skip a day, continue for two weeks and I will see you again, and I guarantee you'll have lost two kilo's." So I returned two weeks later having lost eight kilo's.

"Amazing", said the doctor, "well done."

I said, "Doc, I will not say it was easy, all that skipping on the third day has wrecked my knees."

**Peter Hinchey**

## HELLO....

MEET MELANIE WOOD, THE MANAGER OF STERLING PLACE, DUNKELD COMMUNITY CENTRE

PHOTO: Melanie with partner, Theo Zaxos

*I grew up on the Mornington Peninsula, where I worked as a travel agent for 12 years. Prior to having kids I was very lucky to travel extensively and my favourite destinations so far are India and Italy. But after living in the heart of Melbourne for a few years I decided it was time to leave the hustle and bustle of city life and eventually found myself in Nhill, where I worked as a law clerk for a couple of years before moving to the quirky town of Clunes to take on a role at RACV Goldfields Resort in Conferencing and Events. It was here that I met my partner Theo and in April this year he was offered a job working at Bundoran. Having both lived in regional Victoria before, we jumped at the chance to move back onto the land and made the move almost immediately. We have four children between us, ranging in age from 18 months to 8 years old and we are all loving life on the farm.*

*When I'm not working at the Community Centre you will most likely find me cooking, knitting/crocheting or spending time with family. I love attending social events, enjoy a glass of wine and can't get by without my daily caffeine fix. I'm really happy to have settled in Glenthompson/Dunkeld and look forward to raising my family here.*

## GOODBYE...

To the lovely Jesse Mesgun, who has delivered service with a smile as Pharmacist at Dunkeld Pharmacy since March this year.

Jesse will marry Merhawit in October and together will make their new home in Melbourne where Jesse will work as a locum Pharmacist until he finds a pharmacy and an area that he likes.

# Learn More About Birds

and get involved with citizen science.

- Have you ever wanted to be involved in bird watching but don't know where to begin?
- Have you wanted to be able to quickly identify the bird that just moved through the bush in front of you?
- Perhaps you have an interest in science, or a love of natural history?
- Would you like to learn about bird anatomy, behaviour and ecology?
- Are you keen on improving your knowledge of birds and contributing to scientific research?
- Are you fit and enjoy the outdoors?

**Where:** Dunkeld Community Centre. 14 Sterling St, Dunkeld  
**When:** Tuesday 18 & 25 Sept, 2, 9, 30 Oct, 6, 13, 20, 27 Nov and 4 Dec. From 5 – 9 PM.

**How:** Phone 0418 846 993 or email [greg.kerr@nqt.org.au](mailto:greg.kerr@nqt.org.au)

## Our FREE 10 week bird monitoring course\* might be for you!!

Our course can help you gain the level of skills and knowledge necessary to survey birds that most people take years to nurture and develop! You will need to be able to commit four hours a week (5 – 9 PM) for ten weeks to be trained.

Dr Greg Kerr is a behavioural ecologist and teacher with a desire to help people appreciate the complexity of biodiversity in our region and to facilitate citizen science programs.

Greg is seeking expression of interest from keen western district residents who might want to learn how to identify and survey birds on a regular basis

Nature  
Glenelg  
Trust

\*Limited to 20 people

## DUNKELD RSL SUB-BRANCH

**RSL Membership:** We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL as an Affiliate Member. Affiliate Memberships are also available to members of emergency services (Police, Fire Brigade, CFA, Ambulance and/or SES). Social memberships are available to any member of the community who wishes to join an RSL Sub-Branch. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Membership fees payment may be made to the Secretary. Application forms are also available from the Secretary/Treasurer, Terrie Nicholson on 5573 3353.

### Commemorative Service at Saint Paul's Cathedral:

The Victorian Branch of the Vietnam Veterans Association of Australia Inc invites RSL members to a non-denominational service of thanksgiving and commemoration at Saint Paul's Cathedral, Melbourne on Wednesday 3 October 2018 at 2.00pm in the vicinity of the Vietnam plaque to commemorate the 50<sup>th</sup> Anniversary of the Battle of Fire Support Bases Coral and Balmoral, the eighth anniversary of the dedication of the plaque, along with the 56<sup>th</sup> anniversary of the deployment of Australian Services personnel to South Vietnam.

It has been suggested that those members travelling via Geelong, along with their wives/partners, who wish to attend the service may like to travel on the train to Melbourne (the one that leaves South Geelong at 10.25am), have lunch in the city, probably at Young & Jackson's, then attend the service at the Cathedral. If you did not wish to have lunch in Melbourne, the trains which leave South Geelong at 10.44am and 11.05am would also get people there in time. If members would like to attend, could you please notify Mr Nigel Wilson via email: [n\\_h\\_wilson@bigpond.com](mailto:n_h_wilson@bigpond.com) or by phone: 0417 543 034 (he would especially like to know of those who plan to go to lunch, so that a booking may be made).

### Remembering – The Pity of War – U3A Melbourne City Remembers 1918:

U3A Melbourne City is remembering the centenary of the end of the First World War through a performance of poetry and prose from the iconic writers of the time – English, Australian, German and Turkish. Not triumphalist, it acknowledges the suffering of all combatants.

After the performance there will be an opportunity to donate to programs helping current veterans coping with the traumas that war can inflict. RSL State Secretary, Brigadier Michael Annett, will close proceedings.

Bookings are now open for this performance at Deakin Edge Theatre, Federation Square, on Tuesday 9 October commencing at 6.30pm. Cost is free but bookings are essential through: [www.trybooking.com/383603](http://www.trybooking.com/383603)

**Legacy Week 2018:** Legacy Week is Australia's iconic fundraising campaign which began in 1942. It is also known for its Badge Day and the iconic badges offered as a token of appreciation for the donation made by the public.

Legacy Week (2 to 8 September 2018) is the annual national appeal to raise awareness and funds for the families of our incapacitated and deceased Veterans. It is held in towns and

cities big and small across Australia and supported by young and old.

The funds raised from Legacy Week help Legacy continue to assist approximately 60,000 beneficiaries, with 96% of them being elderly widows throughout Australia, with essential services such as, counselling, special housing, medical, advocacy and social support.

Public support will also help Legacy nurture children's education, by contributing towards their school fees, books, uniforms, and recreational activities to aid their self-development and confidence.

There are thousands of Australian Defence Force personnel currently deployed overseas. Legacy stands ready to assist their families should the worst happen. All funds raised will help continue Legacy's essential role in the community.

Legacy thanks their National Partners, members of the ADF, and the many volunteers, schools, services and businesses for their support of their annual Appeal. It is the lifeblood to Legacy's existence.

**Dunkeld Council Meeting and Community Engagement session**

Southern Grampians Shire Council and Dunkeld Progress Association invite all residents to an evening with Council

**Wednesday 12th September 2018**  
**Dunkeld Community Centre**

5.30pm - 7.00pm Council Meeting

23 Woodburn St, Dunkeld, Vic. 3294

## ON THE BEAT

The arrival of the first day of Spring is welcome. Nature doesn't follow a calendar but the plants and trees are starting to blossom. With the change of the season, I find you just feel better. We are indeed fortunate to enjoy sufficient rain when most parts of Australia are parched and with summer still to come. Let's hope there are better times ahead for those rural communities doing it hard.

Despite the winter weather, the Peaks and Trails event was again a major drawcard for the Dunkeld area and is bringing a number of visitors into the area. The organisers and the usual contingent of Dunkeld volunteers that make everything happen in this Community were out in force and braving some brisk conditions. Thanks to all for a successful event.

Some recognition needs to go to the Dunkeld Consolidated School for their excellent achievements with NAPLAN. Mr Paul Jeffreys and the teachers have worked very hard to improve the overall performance of students. As is so often the case in life, results take time. Continuous hard work, often unsung and unseen and without instant results, in a world that loves instant. However, with persistence and the right focus and commitment, the results start to come in, like a harvest. I was fortunate to attend the School Assembly where the results were made public. It should be noted that Mr Jeffreys did not take all the credit. Instead, he asked for teachers to stand and be recognised for their efforts, which had made the result possible. This is leading by example and the children are watching and learning.

Those of you driving may not yet be aware, but there is a road law about approaching emergency vehicles using flashing lights. Please read below.

Road Rule 79A requires motorists approaching a stationary or slow moving police, emergency, enforcement or escort vehicle displaying a flashing blue, red or magenta light or sounding an alarm to:

- travel at a speed of no more than 40km/h and not increase their speed until a safe distance from the scene to minimise the risk of harm to any people on the road or roadsides.
- give way to any police officer, emergency worker, enforcement vehicle worker or escort vehicle worker on foot in the immediate vicinity of the vehicle.

The 40km/h speed limit applies to both sides of the road, for example, driving along the Glenelg Highway between Glenthompson and Dunkeld. However, where the road is divided, like Ballarat Road, Hamilton, it only applies to the side of the road where the emergency vehicle is.

In simple terms, the law is all about safety for emergency workers on the roads.

One thing I also need to mention is the traffic island in Parker Street, between the Mountain View Café and the General Store. From the concrete barrier, there are two lines coming away to the west (Hamilton side) from the concrete barrier. You are not allowed to turn across these lines. They are in reality double lines. What I do see is people turning across these lines and either: nearly getting hit from behind; obstructing the road because they must give way to the oncoming vehicle; or nearly hitting a vehicle reversing out from either shop's car parks. It's beginning to concern me because I believe someone soon will either cause a collision or get struck themselves. If you don't know what I mean, feel free to ask when you see me, or give me a call at the Police Station. Bottom line, I just don't want to see anyone get hurt.

A lot of tourists are visiting at present and interestingly enough some of the conversations were about how great the

lifestyle was here compared to Melbourne. Two couples were talking in serious terms of moving here to enjoy what the Dunkeld area offers. I smile to myself and think of how wonderful it is to live in an area that's so beautiful and which keeps getting better and better.

Best wishes.

L/S/C Bruce McNaughton  
Dunkeld Police Station, 5577 2260

## RED CROSS NEWS

About eleven members farewelled president **Jenny Cook** at our last meeting. We lose her to the south coast and wish her well in the next chapter of her life, thanking her for her service to Red Cross during the last 5 years. **Terry Noble** from the RSL sat in on our meeting and can be seen in the back row of the photo. **Helena Flinn** is now the President, a role she has held several times before! Thank you, Helena.

At the **AGM**, the Dunkeld branch raised \$116.70, bringing the current total to \$1169.40, to be sent off for the various appeals, including the Greek Fires, Aussie drought and ongoing Myanmar crisis. As the **Zone Meeting** was cancelled, due to insufficient interest, there is no report from headquarters.

The **Big Bake** of sausage rolls is soon to be put into action. Jenny Cook and Heather Macgugan attended the **Emergency Services** meeting after the Saint Patrick's Day Fires, but the conditions for volunteering did not suit local people and a team was brought in from Melbourne.

**Brenda Cullinane** and **Lisa Kendell** won the **raffles** on the day. The **next meeting** will be on **Thursday 27 September** at the Henry Leech RSL Room commencing at 2.00pm.

**Iris Field, Secretary**

## CORRECTION

**Correction to 'Nature's Offerings' article:** One of my favourite Pea species is called the Leafless Bitter Pea, *Daviesia brevifolia*, not as previously stated (in issue 13). Thank you, Marion Colton.

For anyone interested in the OTR "Where the Wild Birds Fly" Exhibition, the correct contact phone number for **Dorith Callander** is **0434 348 757**.

Apologies for any confusion.

**Times may vary on Public Holidays**

## COUNCIL RELEASES SPRING/SUMMER EVENTS GUIDE

The new Spring/Summer edition of the Greater Hamilton Events Guide is now available, detailing over 90 events taking place in the region between September 2018 and February 2019.

From music festivals and country shows to art exhibitions, world-class performances, sporting fixtures and even two lawnmower events, visitors and locals alike are in for an action-packed Spring and Summer in Greater Hamilton.

There are a number of new events taking place, including the Hamilton Mower Grand Prix on 9 September, the inaugural Branhholme Jazz Festival on the last weekend in November and the Dawne Chorus Extravaganza, part of an 'Off the Rails' exhibition being held in conjunction with Dunkeld's popular Three Peaks Festival.

Share in our region's unique experiences, from sheep shearing, wood-chopping and sheepdog competitions at our five Country Shows, to enjoying local wines and live music at the returning Food & Wine Fiesta or at Pierrepoint Cellar Door.

Hearts will be racing track-side at this season's five horseracing meetings at the Hamilton Harness Racing Track and at Coleraine's iconic Pedal Car Grand Prix. Keeping the kids entertained is made easy at fun events like North Hamilton Kindergarten's muddy NHK Obstacle Race and Tarrington's German Laternenfest.

Feel the Christmas spirit at Street Parades in Coleraine and Hamilton, join in singing Carols by Candlelight in the Botanic

Gardens and see in the New Year at the NYE Street Party and Fireworks.

The guide also details 18 events at the Hamilton Performing Arts Centre, upcoming exhibitions at the Hamilton Gallery, and contains a Market Guide you can cut out and keep.

The Events Guide can be downloaded from [www.timeforavisit.com.au](http://www.timeforavisit.com.au), Council's website or via the @visitgreaterhamilton Facebook page. You can also pick up a hard copy from the Hamilton and Dunkeld Visitor Information Centres, from all Council offices or it can be mailed on request by contacting free call 1800 807 056.

For further information on upcoming events, or to register an event for inclusion in future marketing campaigns, please contact Council's Events Marketing and Development Officer, Stacey Barnes on 5573 0239 or email [events@sthgrampians.vic.gov.au](mailto:events@sthgrampians.vic.gov.au)

## PICK MY PROJECT: IT'S TIME TO VOTE!

### VOLCANOES DISCOVERY CENTRE PENS HurST

The VDC plans a major renewal of the centre to expand its range of displays and to incorporate the latest technology. This will enable the centre to continue as a significant educational and tourism facility not just for Penshurst but the region and Victoria as a whole.

### OTHER LOCAL PROJECTS

- Recreation reserve and campground facilities Cavendish
- Hall refurbishment Penshurst
- New scoreboard Melville Oval Hamilton
- Water tower development Tarrington
- Bree park beautification Hamilton
- Community rainfall monitoring program
- Showgrounds road sealing Hamilton

HELP: Paul Callander 0419 372 529; Jill Mibus 0408 769 238  
We are happy to help with any queries about the VDC or the Pick My project process.

Pick My Project offers Victorian government funding to community identified projects where the local community votes (until 17 September) for which projects will be funded.

There are 30 projects in the local voting area (some of which are listed at left). These projects have all shown great promise which is how they have been chosen to reach this stage of the process.

Anyone who is eligible to vote can vote for up to 3 projects. Voting order is not a factor, only which projects are voted for.

Please review the projects and pick your favourites. However, we would appreciate it one of those you picked is the Volcanoes Discovery Centre in Penshurst.

Make sure that the VDC can continue to educate our kids about our local environment and provide an enjoyable and interesting experience for all its visitors.

- The Victorian government Pick My Project process has reached the voting stage
- Anyone local resident aged 16+ can vote for up to three projects in our area
- Voting requires registration at the Pick My Project website
- Please consider voting as funding will go to those projects with the highest vote count. **You can make a difference!**

### Pick My Project voting process is:

1. Go to the Pick My Project website.
2. Follow the process under the Register button. You will need either or both of email address or mobile phone number.
3. You will receive a message allowing you to activate your registration.
4. You will be shown a list of local projects for review.
5. Choose up to six projects for your shortlist.
6. Choose up to three of your shortlisted projects for your vote then submit them.

**WOMENS HORMONES**

## DUNKELD BOWLING CLUB

It is that time of the year again to brush the cobwebs off the bowls and oil up the hips.

### OPENING DAY

SUNDAY SEPTEMBER 9 is the opening day for the Dunkeld Bowlers. Starting time is 1.00pm, names in by 12.30. The event will be a drawn pairs and bowlers are reminded to wear either whites or uniform. Can players please bring a plate for arvo tea.

Heather and Brian have kindly donated two very good prizes. We look forward to your attendance.

### LADIES BOWLS

The ladies bowls/ social bowls will begin on 11 September, 1.00pm start. All welcome.

### LOCAL TOURNAMENTS

Syd, Matt and Gary played at Casterton on a quick rink that can be described as interesting, Syd and Matt played well but we could not get amongst the winners.

Brian, Christine, Peter Mc and Gary played the Macarthur Open Fours again on a rink that ran quickly and true, again a good day but no collects apart from Peter who won the raffle.

Brian, Gary and Shanks played the Grangeburn 2 bowl Triples, sponsored by Terry McDonald Used Cars, all bowled very well and at days end 2 wins and a draw enabled our boys to be the Runner Ups.

### CLUB EVENTS

- Opening Day - Sunday 9/9/18
- The Tangles Kelly Memorial Challenge - Date yet to set but possibly Sunday 29/9/18
- The 100 Up - 13 & 14 October
- The M Templeton 21 Up - 6 & 7 January 2019
- B Grade Championships - 28 March 2019
- The Edna and Ian McFarlane Memorial Day - Wednesday 12/03/2019
- The Stuart Darroch Memorial Day - Date yet to set but possibly 30/3/2019

### MAJOR BOARD EVENTS

- The Dunkeld Pairs - 20 February 2019
- The Dunkeld Open Fours - 4 May 2019
- The Iven Field Memorial 1000 Triples - 8 June 19

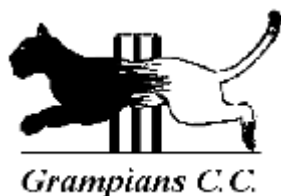

### PENNANT

The Pennant season starts on Saturday 20 October, the draw is on the notice board.

Official training will be on **TUESDAY and THURSDAY** evenings. Due to the fact that we have picked up some new and prior players, it will be important to attend training, Pennant teams will be picked on form and training attendance.

Following training there will be a free BBQ and team meeting/discussion - all intending players are urged to attend.

Wishing all Happy Bowling and let us have a great season.

## GRAMPIANS CRICKET CLUB

Spring has started and we are heading towards the start of another cricket season.

There is Woolworths Cricket Blast (replacing Milo in2 Cricket), Under12/14/16 boy's teams, Under13/15 girls' team, Senior Women and Senior Men to be enjoyed by cricket enthusiasts.

All past, present and new players are more than welcome to attend training.

Junior training official starts on Thursday 11 October, with all teams starting after this date.

Senior men's training starts in Fiddler's shed - September, Wednesday 12/19 and 26 before beginning training at the school on Thursday 4 October. Older juniors are welcome to attend and start their season.

For more information, please contact Emma Gordon - Junior Cricket Coordinator on:

## STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM (SAKG)

*From the Kitchen ...*

*by Clare Kennedy*

It was lovely to have our Year 2 students in the kitchen last week harvesting, preparing and sharing together. Our 'chefs' harvested seasonal herbs for our savoury muffins and celery, cabbage and spring onions for our gyoza dumplings. Flowers were

picked for our vases and the table set with lots of loving care.

We also enjoyed wholemeal couscous with peas, corn and a very lemony dressing.

Students discovered fractions of  $\frac{1}{4}$ ,  $\frac{1}{2}$  and  $\frac{3}{4}$ . They worked out how to times ingredients by three to triple the recipe and worked together to create a lunch they should feel very proud of.

Thank you to Year 2 and the friends of the kitchen garden program, we all shared a delicious lunch together.

We welcomed our Year 1 class into the kitchen this Thursday 30 August

### Year 2 Kitchen Reports:

#### Yummy (ballad)

Smells suspicious  
But delicious  
"Can we have some?"  
"Of course," says Mum.  
"Mmm, yummy!"  
In my tummy of soft  
biscuits and honey.  
*By Ella Peters*

#### Kitchen (Acrostic Poem)

Kitchen with crying onions.  
In the kitchen tasting food.  
Tasting ingredients.  
Cooking bubbling sauce  
Having a great time in the kitchen.  
Eating food  
Near beautiful food.  
*By Charlotte Comer*

#### Kitchen (Acrostic Poem)

Cooking is fun  
On the stove you have to be  
careful.  
On the chair try not to wiggle.  
Kitchen with Clare is playful as  
a puppy.  
In cooking you have a group.  
Near a knife you have to be  
careful.  
Great cook's food is delicious.  
*By Phoebe Lazzari*

#### My Riddle about Cooking!

It is best to eat me when I'm hot.  
I have lots of vegetables in me.  
We made me in cooking.  
I have a lot of feta in me.  
I am bumpy on top.  
What am I?  
ANSWER: Muffins

#### Cinquain Poem

Kitchen,  
Yummy, colourful,  
Making, baking, cooking  
Kitchen is wonderfully amazing  
*By Indi Mibus*

### The Kitchen

On Thursday the whole Grade 2 class went to the kitchen. We split into groups. I was with Charlie Linke, Phoebe Ross and Charlotte Comer. We were making Gyoza made out of delicious white cabbage, carrots, onion, celery and water chestnuts. We stirred all that up and wrapped it up in Gyoza skin then fried them on the stove. Then we waited and set up the table. Finally the Gyoza were ready and all of the food was on the table. We all sat there waiting for permission to eat. I think all the food was yum. I was proud of myself. I was as happy as a puppy. Before it all ends, I say thank you to Clare. *By Ben Peters*

## From the Garden ... by Lisa McIntyre

All good things come to those who wait...! We finally got around to connecting the water trough (that Iven Field had installed for us some years ago!) to a water supply. Thanks to Dave Fanning and his crew of potentially very professional plumbers; they supplied the trough with a reliable water supply, (dug a

trench and laid hose) and did a wonderfully neat and effective job!

Thanks to all the school families and wider community that help with our SAKG fundraising, as some of these funds enabled us to cover costs and offer the Grade 5 and 6 students with the opportunity to visit the Penshurst Volcanoes Discovery Centre. Paul Callander was our guide and he, being a retired geologist, was a wealth of knowledge, which he effectively shared with us.

We followed the Centre's tour with a visit to the top of Mount Rouse and then to the quarry on the way home. It was a perfect day to visit; blue skies, no wind, and a very appreciative and attentive audience. We all learned much about the origins of our landscape, and why we have the soils and geological features we see every day. I thoroughly recommend a visit to Penshurst, to see, learn and appreciate what we often take for granted.

### Year 5/6 SAKG Excursion to the Penshurst Volcanoes Discovery Centre:

On Thursday 23 August, the Year 5/6 students travelled to Penshurst to learn about volcanoes and rocks. We went to the Volcanoes Discovery Centre and did a quiz. Then Mr Paul Callander gave us a presentation about different types of volcanoes and rocks. Some different types of volcanoes are: scoria cones, shield volcanoes and lava domes.

We walked up Mount Rouse and from the top we could see lots of different volcanoes. The land all around was flat because of the eruptions. When we went down we went into a quarry and looked at some old lava flows in the rock. In the quarry there were heaps of scoria. *By Fingal Jackson and Nicholas Huzony. Year 6.*

## GARDEN NOTES – SEPTEMBER

Spring is now with us, slightly longer hours of daylight and a slight increase in soil temperature means that new growth is noticed on many plants

and to maintain this growth, feeding of your plants should be considered.

Fertilisers may be applied in many forms; liquid, powder, granules or pellets and should contain a regular and balanced proportion of the major elements Nitrogen, Phosphorous and Potassium along with smaller amounts of the minor or trace elements. Fertiliser products may be of either organic (natural) origin or chemical (manufactured) origin. Organic products such as animal manure and compost are beneficial although their nutrient content can often be variable. On the plus side however, they do improve the overall texture of your soil, adding valuable humus and bacteria which helps to break down and convert elements into forms usable by plants.

When using chemical fertilisers, prepare your soil be cultivating it and removing any weeds. Apply the fertilisers strictly as directed on the packages and work into the soil with a rake or hoe then water in well to prevent any burning of shallow roots.

Main vegetable plantings for September include late peas, carrots, parsnips, beetroot, silver beet, celery, lettuce, onions, potatoes, radish also early beans, tomato, pumpkin, sweet corn and zucchini. Summer flowering bulbs such as lillium and gladioli can also be planted in September.

Black spot, mildew and rust are diseases which can affect roses during the late Spring to early Summer period. Prevention is the key to controlling these diseases. Firstly your roses should not be over watered or overhead watered. Loose animal manure around your plants should be covered with soil or mulch. Good air movement through the centre of your roses is advisable therefore do not crowd your plants too much. Also remove spent blooms and any obviously infected leaves. Regular dusting with sulphur or spraying with Triforine or a multi-purpose rose spray will be beneficial.

Happy gardening – Stephen Hughan, Ararat Nursery

## SCHOOL NEWS

### Book Week Activities and Dress-Up Parade

On Monday 19 August 2018, we all came to

school with big smiles on our faces because it was the start of Book Week Activities. We were all in multi-age activity groups and we went to the different teachers to do activities and read books. At the end of the week we had a book week parade where we all dressed up as different book characters. I came as "Anne of Green Gables". None of us can wait for next year's Book Week Parade. *By Lillian Glazebrook, Grade 4*

Last week was Book Week. We did activities on Monday, Tuesday, Wednesday and Thursday. I did activities in Year 6, Prep, Year 1 and Year 2. The activities were really fun. My favourite activity was in the Year 1 classroom. We had

to choose a big landmark and then build it out of Lego. On Friday we had a Book Week Dress-Up Parade. I was Hank from World's Worst Children No.3. He is a typical prankster. I love Book Week! *By Wil Balkin, Grade 4.*

Last week was Book Week. We went into multi-age groups. My personal favourite activity was the Year 1 classroom because we got to make stuff out of Lego. I made the Hollywood sign with Antonia

Huzony and Lucille Aarons. On Friday it was the Book Week Parade. We got to dress up as our favourite book characters. I dressed up as Stevie Lake from one of the old Saddle Club books. The kindergarten group was my favourite group as they looked so cute. It was a blast! *By Georgia Adams, Grade 4.*

On Monday 20 August it was the first day of Book Week. There were seven little groups that saw one teacher every day for one hour to read a book. Friday was the day where everybody dressed up as their favourite book character. I was the shark from the Bad Guys. We shared who we were in front of the whole school. I love Book Week. *By Angus Heazlewood, Grade 4.*

## COUNCIL SEEKS FEEDBACK ON HERITAGE STRATEGY

Southern Grampians Shire Council invites the public to have their say on the first draft of the Southern Grampians Heritage Strategy.

The Heritage Strategy is a whole-of-Council work plan to inform the management, promotion and celebration of the Shire's cultural heritage.

Southern Grampians Shire Council CEO Michael Tudball said the draft strategy has been prepared to guide Council in its role as a responsible authority making decisions on heritage matters, managing significant assets and advocating for economic development and tourism.

"The strategy contains an audit of Council's work done to date, recent achievements, present challenges and sets out an action plan of work to be done in the future," Mr Tudball said.

"Council also acknowledges the important role traditional owners, residents and community groups have as local heritage custodians.

"The strategy does not identify the need to protect additional places but recommends future actions to better understand and assist owners and custodians in the conservation and management of those places already recognised for their heritage values," Mr Tudball continued.

Mr Tudball encouraged residents to view the draft strategy on the Council website or at Council's Brown Street and Market Place offices and provide feedback.

"Council wants to hear from residents, local groups and organisations with an interest in the Shire's heritage and those who own or manage historic houses, collections or places," Mr Tudball said.

Find the strategy and how to provide your feedback by visiting Councils website.  
[http://www.sthgrampians.vic.gov.au/Page/Page.aspx?Page\\_Id=1397](http://www.sthgrampians.vic.gov.au/Page/Page.aspx?Page_Id=1397)

The draft strategy is available at [http://www.sthgrampians.vic.gov.au/Page/Page.aspx?Page\\_Id=1397](http://www.sthgrampians.vic.gov.au/Page/Page.aspx?Page_Id=1397) and is on exhibition for public comment until 17 September 2018.

Submissions should be addressed to Rhassel Mhasho, Manager Planning and Regulatory Services, Southern Grampians Shire Council, Locked Bag 685, Hamilton 3300 or by email to [scutterbuck@sthgrampians.vic.gov.au](mailto:scutterbuck@sthgrampians.vic.gov.au)

## **Kealy rounds up petition for Baimbridge College**

The Nationals Member for Lowan, Emma Kealy MP is urging people to return signed petitions showing support for her call on the Andrews Labor Government to immediately provide funding to redevelop Hamilton's Baimbridge College.

Ms Kealy launched a petition earlier this month demanding the Minister for Education, James Merlino provide the desperately needed funds to redevelop the College.

"I urge local people to get behind this vital project to deliver a brighter future for local students, to sign the petition and return completed forms to my electorate office as soon as possible," Ms Kealy said.

Ms Kealy said she intends to table the petition in Parliament during September, sending a clear message to Daniel Andrews and James Merlino that all young people are entitled to a quality education, whether they live in the city or the country, and the residents of Lowan will accept nothing less.

"We must be able to give our local children access to the very best educational services and opportunities and I will continue to fight for a better deal for quality education in our region," Ms Kealy said.

To add your voice and support the petition, visit [emmakealy.com/baimbridge\\_college](http://emmakealy.com/baimbridge_college). Petition forms are available at a number of Hamilton businesses or by calling Emma Kealy's electorate office on 5571 9800.

Baimbridge missed out on funding in the 2017-18 State budget and the 2018-19 State budget, despite being one of 35 schools to share in \$12 million for planning in 2016-17. The Liberal Nationals made a 2014 pre-election commitment to fund the project that Labor has failed to match, despite numerous representations from Ms Kealy.

Ms Kealy has visited the school on a number of occasions and seen firsthand the desperate need for repairs to school buildings which cannot be used because of their unsafe condition.

Funding to allow consolidation of the school to one site, eliminating significant safety concerns due to the two campuses currently being separated by a major road, is also desperately needed.

"Baimbridge College have great plans for their school but have been left high and dry because James Merlino has been too distracted trying to defend Labor's red shirts rorting when instead he should be focusing on important projects like the desperately needed Baimbridge College redevelopment," Ms Kealy said.

# DUNKELD VISITOR HUB AND GRAMPANS PEAKS TRAIL

Project Bulletin / ISSUE 2 / AUGUST 2018

## Introduction

The Southern Grampians Shire Council has engaged Michael Smith and Associates Landscape Architecture and Urban Design to work closely with the Shire, the Dunkeld Community and Parks Victoria in the preparation of concept designs for the Dunkeld Visitor Hub and township zone linking to the Grampians Peak Trail (GPT).

The concept designs prepared focus on the provision of facilities at A) the Dunkeld Visitor Information Centre, B) the Dunkeld and District Memorial Park and C) at the junction of Adams and Sterling Streets. The designs support the existing community infrastructure and provide a welcoming and exciting point of departure for walkers undertaking the GPT walk. The proposed facilities include change rooms, toilets and 'pay as you use' showers.

To enable a quality visitor experience, the Dunkeld Visitor Hub study has focused on providing upgraded public toilets close to the Visitor Information Centre with the provision of three proposed shelters located in strategic locations to capture the views of both Mount Stromboli and Mount Abrupt. One shelter is proposed for Dunkeld and District Memorial Park, one at the north east corner of Adams and Sterling Streets and the other as an extension of the new toilet facility to the north of the existing toilet facility which is to be retained.

The design enhances the distinctive native garden and slate paved setting by extending the garden south of the existing public toilet facility and several strongly directed paths focus attention from Parker Street toward the proposed shelter and viewing platform. The angled form of the shelter and public toilet are referenced in the approach paths from Parker Street. The viewing platform transcends to an existing mound which will offer visitors a photo opportunity with the backdrop of Mount Abrupt. Two disabled parking spaces are provided in close proximity to the existing toilet facility.

The design includes gateway entrance signage to either side of the township with distinctive Grampians Peaks gateway images and directional signage for bus and car parking.

Two members of the consultant team Michael Smith and Simon Whitley and Council's Project manager Daryl Adamson / Strategic Major Projects Co-ordinator will be conducting a Community Information session and design tour of the hub on Saturday 8th September at 9:00am - 12:00pm.

**PRECINCT A  
DUNKELD VISITOR INFORMATION CENTRE**

THE VISITOR EXPERIENCE OFFERS

- A proposed gathering area located between the information centre and existing amenities building and within the established native garden
- An existing native garden space that lends itself to the establishment of a special meeting and gathering area, with some views to Mount Sturgeon and Mount Aburgh
- A showcase of some of the indigenous plants that occur along the 160 kilometres of the Grampians Peaks Trail
- Close proximity to the retail strip with main bus short-term parking adjacent to the Mountain View Cafe
- Integrated signage about the Grampians Peaks trail, its track conditions, expected weather conditions (upstate/downstate) and other advice (clothing etc)
- A proposed timber deck, shelter and photo opportunity with Mount Aburgh and Mount Sturgeon as the background to a photo
- Sufficient seating for large groups in four groups and school groups

THE GATHERING AREA OFFERS

- A difference space where groups can be assembled and bussed on the intended walk.
- A gateway for people desiring to walk the Georgian Peaks Trail or those arriving at its end.
- Additional amenities, such as showers and lockers that will be integrated into the design.

**Amenities Management**

- User pay systems for use of showers and lockers and long-term car parking.
- Smart locks - access for hikers and groups (VOC only)
- Access views of Mount Sturgeon and Mount Abbot from the Dunfield and District Memorial Park and the Dunfield Visitor Centre, particularly when crossing Parker Street.

ic views of Mount Sturgeon and Mount Abrapt from the Dunfield and District Memorial Park and the Dunfield Visitor Centre, particularly when crossing Parker Street.

## THE VISITOR EXPERIENCE OFFENS

Day walkers and adventurous hikers of the Gairloch Peaks Trail will be commencing their journey at Dumbell, the option of extending their walk to or from the proposed car parking available on Wildflet and continuing through the Dumbell and District Memorial Park, experiencing the beauty of Dumbell's distinctive landscape features such as the iconic views of Mount Sargeon and Mount Alsup, the stone paving and walking

**PRECINCT B**  
**DUNKELD AND DISTRICT MEMORIAL PARK**

- Replace the existing public toilets and pool use facilities as a first priority, then update the existing public toilets and showers at the Visitor Information Centre as a second phase as demand dictates.

## short-term purchase
