FROM Mr Paul Jeffreys, Principal...

I think our Year 3 – 6 community is a great place to enter, even at this early stage of the year. We probably will need to apply some ‘tweaking’ as time goes by (as mentioned at the parent information evening last year) but when I walk into this area I feel happy to be there.

I see the younger children growing in confidence among the company of older children. I see the older children showing understanding and patience for the younger ones. I see the development of a culture of ‘we not me’ from the children. I see the teachers making a great effort to see the success of the children and of the way in which we are trying to cater for each of them as individuals. I see shared humour and fun sometimes, and I see serious work at others. I see the implementation of the social and learning program, ‘Play is The Way’ having an impact on our children, and I see children being empowered to take risks, have a go and speak up. This is especially satisfying because I want all children from Dunkeld Consolidated School to be confident enough and feel safe enough to have the courage to try anything and everything put before them without fear of failure or ridicule.

One thing I would like to see emerge and become part of this 3-6 community is…grown-ups. A special mention to Dads and male carers…don’t be afraid. We will look after you and make sure you feel comfortable and that you enjoy your half hour or hour with us. You don’t have to know anything about school work. All you need to bring is a little bit of interest and the ability to ask a question or two. No more than that.

Request: We have some weeds popping up through those cracks and corners around the school, some of those weeds being ‘deadly nightshade’ which is an extremely toxic plant. If you would be able to lend an hour of time to chip/pull the weeds around the school that would pretty much solve the problem (this is not a huge job as the weeds are scattered here and there; not large areas. One person could do it).

SCHOOL COUNCIL ELECTIONS 2015

After calling for nominations for School Council, four have been received filling all our vacancies, therefore a ballot is not required. The four parent school councillors are Todd Burger, Dinah Gordon, Adrian Kelly and Lucinda Peterson. The Department of Education and Training (DET) members are Anne Gilbert and James Stephens (with one casual vacancy).

The first meeting of the new Council will be held on Tuesday 24 March in the Dunkeld Consolidated School Staff room commencing at 7.30pm.

SOMERS CAMP 2015

Every two years our school is offered a limited number of places for Year 5 and 6 students at the DET Somers School Camp. This year our allotted time is from Tuesday 14 to Wednesday 22 July. The fee for the camp is $250.00 and must be paid in full before children can attend. Expression of interest forms were sent home with Year 5 and 6 students last Friday - could you please ensure the forms are returned to school by Friday 13 March.

CLASS CAPTAINS FOR TERM 1

The following Class Captains for Term 1 were presented their certificates and badges at last week’s School Assembly:

- Prep: Jack Reynolds
- Year 1: Georgia Adams
- Year 2: Olive Jackson
- Year 3/4: Edward Williamson
- Year 5/6: Julia Kelly

SOCCER WORLD CUP

Dunkeld Consolidated School has been hit by World Cup Fever! Soccer fever that is. For the next two weeks students in Grade 2 to 6 will be taking part in a mini World Cup rotation tournament during lunch times. The teams students will be representing are Germany, Italy, Australia, Japan, Ireland and Kyrgyzstan! Students will be asked to check the fixture and see when they are playing (outside the Grade 3/4 room) and try to bring runners on those days, they will be provided with a uniform.

FUNKY Hair Day FRIDAY 13 MARCH

Staff and students (even parents) are encouraged to wear a “funky hairstyle” on Friday 13 March and give a gold coin donation for participating. Funds raised will go to the Leukaemia Foundation.

Some crazy hair ideas: Spike it up! - brightly coloured ribbons, scrunchies, wild wigs, waves, curls, coloured hairspray. *Children please ask your parent’s permission before you do anything to your hair.

LITERACY INFORMATION SESSION ON 18 MARCH

A Literacy Information Session will be held in the school kitchen on Wednesday 18 March starting at 2.00pm. The session will cover:

Could you please RSVP by completing and returning the attached form to school by Thursday 12 March.

HARMONY DAY – THURSDAY 19 MARCH

Harmony Day is coming up on Saturday 21 March but the school will celebrate the day on Thursday 19 March. It’s all about community participation, inclusiveness, respect and a sense of belonging for everyone – celebrating the cultures that make Australia a great place to live.

Students and staff are encouraged to wear a “touch of orange” (e.g. ribbons, scarves etc) to school on Thursday 19 March to celebrate Harmony Day. Further information may be obtained from: www.harmony.gov.au
SOUTHERN GRAMPIANS SCHOOL SPORTS ASSOCIATION (SGSSA) ATHLETICS SPORTS – FRIDAY 20 MARCH

The Dunkeld Consolidated School is responsible for organising the Sports this year. The P & F Association has kindly offered to organise and provide food and refreshments. The school will need helpers to support the successful running of this event, including line judges; timers; recorders; setting up the marquees, hurdles (and adjustments) and help in running some events.

Notes requesting assistance with the barbecue and canteen and also with the running of the events have recently been sent home with students. Could you please complete and return these forms to school as soon as possible if you are able to assist in any way.

Stephanie Alexander Kitchen Garden Program (SAKG)

...From the Kitchen

The last fortnight harvested from our garden at school and from gardens of generous SAKG Friends many beautiful zucchinis, basil, chives, parsley, lettuce leaves, tomatoes, oregano, corn, garlic, eggs. We prepared and shared Zucchini and Corn Rosti and Horseradish Sour Cream, we mixed and kneaded ricotta and flour to make ‘little ears’ of Orecchiette Pasta……the smell was amazing with fresh garlic and just picked basil leaves. Our Salad of the Imagination, was abundant with fresh garden goodies accompanied by a vinaigrette one week and honey and mustard dressing the

FOR SALE – GIRLS’ WINTER TARTAN UNIFORMS
We are grateful to Ms Helen Freeman, Principal, Gray Street Primary School and her school community for offering some new and second-hand tartan uniforms to our school as they change to a new uniform. The tartan uniform items (pinafores, skirts and trousers) are displayed in the corridor if parents would like to make a purchase. Payment by donation at the school office please.
next. Rhubarb and Apple Crumble with dollops of cream to follow…

A big welcome to our Year 3 students and our friends of the Kitchen Garden that have offered time to garden, harvest, prepare and share with us…a very enjoyable start to our SAKG year.

Due to large student numbers in the Year 3/4 class this year, four students from Year 3/4 will be joining the Year 5/6 SAKG Kitchen class each fortnight on a roster basis as per the attached roster. The four students listed each fortnight will remain in the classroom with Year 5/6 during the Year 3/4 class the following week. Each year level, from 3 – 6, ‘Prepare and Share’ in the Kitchen once a fortnight.

STUDENT ACCIDENT INSURANCE/AMBULANCE COVER ARRANGEMENTS AND PRIVATE PROPERTY BROUGHT TO SCHOOL

Parents are reminded that the Department of Education and Training (DET) does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. Insurance policies may be purchased from commercial insurers.

Personal property brought to school by students, visitors or staff including electronic games, mobile phones, calculators, toys, musical instruments, sporting equipment and cars parked on school premises are not covered by insurance. The DET does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. Students should be discouraged from bringing any unnecessary or particularly valuable items to school.

P & F NEWS
NEXT MEETING: Our next meeting is our AGM on Monday 16 March 2015 commencing at 7:30pm followed by a general meeting.

SGSSA ATHLETICS SPORTS DAY: The first major fundraiser for the P & F will be the Inter-School Athletics Canteen to be held on Friday 20 March 2015 at Pedrina Park in Hamilton. Each year a different school is responsible for running the Inter-School Sports, including providing food and refreshments. This year it is Dunkeld’s turn. A note was recently sent home requesting donations of food items and also volunteers for the BBQ and canteen rosters. As all parents want to be able to watch their children in events throughout the day, we will be asking for just one hour of your time to assist. We are looking for volunteers from the whole school community not just the P & F members.

A reminder that all membership forms and fees ($5.00 per person) are now due too.

From your Parents and Friends Committee
Karen Kent, Ally Gordon, Shelley Darroch, Eda Williamson and Emma Gordon

DUNKE LD RSL SUB-BRANCH

RSL Membership: We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Application forms are available from the Secretary/Treasurer, Terrie Nicholson on 5573 3353.

Gallipoli 2015: On Saturday 25 April 2015 we mark the 100th anniversary of the ANZAC landings at Gallipoli. The ballot to attend ANZAC Day commemorations at Gallipoli in 2015 has been drawn and Mr Terry Noble, President of the Dunkeld RSL Sub-Branch has been one of the lucky, successful applicants. The largest ANZAC Day commemoration outside of Australia is held at Gallipoli. Each year Australia and New Zealand conduct three commemorative services at Gallipoli; a joint Dawn Service at the Anzac Commemorative Site, followed by an Australian Memorial Service at Lone Pine, and a New Zealand Memorial Service at Chunuk Bair.

Dunkeld RSL Sub-Branch ANZAC Day Dawn Service: The Dunkeld RSL Sub-Branch ANZAC Day Dawn Service will be held on Saturday 25 April commencing at 6:30am sharp at the Dunkeld Cenotaph in the Memorial Park. Our guest speaker will be Williamstown documentary-maker Gary ‘Tex’ Houston. Since 2008 Tex has been researching and detailing the history of Lieutenant T. Leigh Simpson from Dunkeld (Barbara Dohle’s father). Private Leigh Simpson went to war at the end of 1914 as a stretcher bearer with the 3rd Light Horse Brigade. He served on the Gallipoli Peninsula, in Egypt across the Sinai desert, then was transferred to the 69th Squadron of the Australian Flying Corps. He flew over 9 months in France and was in a fight with notorious German Ace ‘The Red Baron’ just minutes before Richthofen was killed by Australian machine gun fire. Just two months later Simpson was himself shot in the thigh and arrived home around the time peace was finally declared in 1918. His remarkable story has become a major ongoing work by Tex and Yi Long Productions.¹ Further information about Tex’s projects may be viewed online: http://yilong.com.au/Anzac.html

Following the service there will be a free barbecue breakfast and tea and coffee in the park, provided by the Dunkeld & District Lions Club members. Ex-service men and women, the local community and visitors are welcome to attend the service.¹ http://yilong.com.au/Anzac.html

Polyphonic Voices - Southern Stars Concert: The concert will be held on Sunday 22 March at Christ Church South Yarra commencing at 2.30pm. Celebrating home-grown music from Australia and New Zealand in the year commemorating the ANZAC Centenary.

DUNKE LD PUBLIC LANDS COMMITTEE

Memorial Park We have had problems with the barbecue in the Park. The parts should arrive this week. Sorry for the inconvenience. The barbecue gets plenty of use and is difficult to maintain because it does not generate any income.

Caravan Park The oldest unit has been renovated by Dennis Fitzpatrick’s men. They have done a great job. Hamilton Carpets have given us a good deal with carpet and vinyl. I am sure Gary will show you the finished job – it looks great.

Salt Creek Katie O’Reilly from Conservation Volunteers is keen to run a session on Weeds. This will be held at Salt Creek at 4.00pm on Tuesday 17 March. A barbecue tea will be held at 600pm. Weeds are becoming a problem in our district. Come along and learn more about weeds in our district. John Smith, President

EUROPEAN WASPS

The wasps have become quite prevalent over recent weeks, both in the Dunkeld township, farm and bushland. There are brochures outlining the wasps’ life cycle, control methods and first aid (remember they can sting many times), and a protective suit available to use, (if carrying out nest destruction), at the Dunkeld Post Office. You can also just cut the top off a soft drink bottle, invert the lid, and tape it back on, and fill (about one third full) with straight raspberry cordial (the cheapest you can find!). Hang this away from your doorways and high traffic areas. The wasps are attracted to the sweet liquid, they crawl inside and then can’t escape. The more people that act on this pest, the better control we can have.

Community Fox Control Program – “GRAMPIANS ARK” and “GRAMPIANS TO GRASSLANDS” Landowners, residents and visitors pleased be advised that the current fox baiting pulse runs from Monday 2nd February 2015 to Sunday 12th April 2015 covering Mirranatwa, Vic Valley, Karabeal, Moutajup, Warrayure, Lake Linlithgow, Croxton, Dunkeld, Woodhouse and Glenthompson areas.

Free baits can be collected from Kelly & Henson, Dunkeld. The cost is covered by funding from the DSE and “Caring For Our Country” grants. Remember, you need to show your ACUP in order to collect your baits.

Composers include Matthew Orlovich, Andrew Baldwin, Paul Stanhope, Anthony Ritchie, Phillip Gearing and Peter Leech. Tickets $30.00 or $15.00 for all RSL members/staff.
This is the most effective time to bait. Baiting now will work and save lambs lives. If you are not a sheep farmer, your participation will help the chook, small mammal, bird and reptile survival, as well as helping your neighbours’ lambs - this is a great community program. Baiting is also occurring in the National Park at the same time. With everyone working together, we are making a difference. We have less foxes here, per square kilometre, than around the ports of Melbourne.

Please collect "Bait Take Data Sheets" when you collect your baits, and I will collect the information at the end of the pulse. New participants are very welcome, please contact me with any queries. Lisa McIntyre 5574 9235

DUNKELD MUSEUM UPDATE

Guest Speaker Meetings:
Dr Chris Simpson, MA (Oxford), D.Phil (Chemistry), FIEAust (retired), scientist, engineer and 'weirdo' (in his own words), now residing in Hamilton; provided a lively, interesting and informative presentation on “Earthquakes, and some other exciting moments in my life”, at our March Guest Speaker Meeting.

On Saturday 4 April, the Dunkeld Museum will be conducting a historical tour instead of our monthly Guest Speaker meeting. Two well-known local identities, Mr David Gordon and Mrs Heather Macgugan, will lead a guided tour of the old and new Dunkeld Cemeteries respectively. People are invited to meet at the Dunkeld Museum (to car pool) at 1.45pm for a 2.00pm departure for the old cemetery tour. We will then travel to the new cemetery for a delicious afternoon tea to be held in the late Mrs Elsie Myers’ gazebo before the commencement of the second tour. Cost of the two tours, which also includes afternoon tea, is $5.00 per person. Everyone is most welcome to attend this historical tour of the Dunkeld Cemeteries.

Our small country town of Dunkeld boasts two cemeteries – the original cemetery is located in Old Cemetery Lane on a granite filled stony rise and operated from 1854 to 1904. Upon an inspection undertaken by T.E. Dunkley in 1900 the report found that in “winter time when a grave is dug it is said to soon fill up with water, and at times rocks have to be placed on top of a coffin to keep them from floating up until the grave is filled in.” The Health Department closed the old cemetery and a ten acre allotment for the new cemetery (located 1.8 kilometres north of the township near the Dunkeld Racecourse) was gazetted in 1904 and the first burial occurred in 1905.

Ivo Murray McLaughlin 1935 - 2105:
The Dunkeld Museum Committee and members would like to pass on their deepest sympathy to Mrs Joan McLaughlin, Judy, Jenny, Jill, Susan, Alan and families on the passing of a loving husband, father and former Museum member and supporter. Mr Ivo McLaughlin was a gentleman in the true sense of the word and had given a great deal of service to the Dunkeld and Hamilton communities over the years, which in turn had enriched these communities.

Ivo had been an active member of the Dunkeld Museum, which commenced almost thirty years ago. He generously shared his knowledge of the township and various events with the Dunkeld Museum Committee so that we have an excellent record of events that have occurred in the past. His memories were clear and informative and his contributions have been invaluable.

Ivo also conducted many informal tours and town walks of Dunkeld and its cemetery on behalf of the Museum, as well as providing interesting, informative and humorous anecdotes about local characters along the way. Ivo will be greatly missed. May he rest in peace.

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 16 March commencing at 8.00pm at the Dunkeld Museum.

Museum Duty: The following volunteers are on Museum duty from 1.00pm – 5.00pm on:
Sunday 15 March Wendy Williams & David Gordon
Sunday 22 March Jeff Nagorcka & Rex Beveridge
Sunday 29 March Helena Flinn & Trevor Flinn

If you are unable to carry out your duty on your rostered day could you please contact one of the other volunteers to arrange a swap.
Terrie Nicholson, Publicity Officer

DUNKELD MUSEUM ANNUAL EXCURSION SATURDAY 21 MARCH 2015

The Dunkeld Museum’s annual excursion will be held on Saturday 21 March. This year the Museum shall be travelling to Ararat to visit two historic sites of interest - “Aradale” (formerly known as the Ararat Lunatic Asylum) and “JWard”.

The Ararat RSL will generously cater for morning tea and lunch.

We plan to car pool and will meet at the Dunkeld Museum at 9.00am for 9.15am departure on 21 March (and at 8.40am at Coles Car park in Hamilton if there are any passengers to pick up).

The Museum has obtained special entrance prices for both venues. The total cost of the excursion, which covers entrance fees, morning tea and lunch is $40.00.

Dunkeld Museum members and community members are invited to attend. Could you please confirm your booking with our Secretary, Mrs Wendy Williams on 5577 2386 by Monday 16 March. Payment is advance would also be greatly appreciated.
Stephanie Alexander Kitchen Garden Program (SAKG) .....From the Kitchen

Stephanie Alexander has a vision that pleasurable food education is accessible in every Australian school with a primary curriculum. The not for profit SAKG foundation takes a revolutionary approach to food education focusing on pleasure flavour and fun via the SAKG program. The recipe for effective food education includes:

- Encourage fun, flavour and texture through experiences that engage all the senses
- Model good food choices without resorting to pyramids or labels of ‘healthy or ‘unhealthy
- Reinforce techniques repeatedly, providing the confidence to plant seeds or cook simple dishes at home
- Plan menus around the fresh seasonal produce growing in the garden
- Use ingredients at their peak - seasonal herbs, crisp veggies, fresh fruits
- Expand culinary horizons, presenting cultural differences as fascinating rather than strange
- Expand vocabularies for describing foods, flavours, textures, plants and processes
- To come together after harvesting and preparing and share together at the table

A letter from the SAKG Foundation ...........

A monumental achievement - 800 Schools!

In just a few short weeks we will officially welcome the 800th school to the Stephanie Alexander Kitchen Garden National Program! This means 10% of all Australian schools with a primary curriculum will be running the Program.

This monumental achievement signals the end of the current project, which was established in 2012 with the support of the Australian Government. A huge thank you to each and every one of you - you are a truly incredible bunch of Kitchen Garden Program Schools!

As part of this 800, your school is a member of a very special and unique group. We are looking forward to continuing to support your school with lots of fun and educational resources, networking opportunities and ways to help your school community harvest all of the benefits of pleasurable food education.

In coming weeks we will be making a public announcement about this achievement and the Foundation’s plans for expanding the kitchen garden school community. If you know any other schools, organisations or individuals who are interested in pleasurable food education, encourage them to sign up to find out about some exciting new initiatives.

We look forward to a bright future with a strong and vibrant community of 800 Kitchen Garden Program Schools that we can learn from and collaborate with. Your school’s journey will be an inspiration to other schools and help grow the seeds of a new generation of learning across Australia.

The last fortnight harvested from our garden at school and from gardens of generous SAKG Friends many beautiful zucchinis, basil, chives, parsley, lettuce leaves, tomatoes, oregano, corn, garlic, eggs. We prepared and shared Zucchini and Corn Rosti and Horseradish Sour Cream, we mixed and kneaded ricotta and flour to make ‘little ears’ of Orecchiette Pasta, which was smothered in the brilliant green of our Basil Pesto...the smell was amazing with fresh garlic and just picked basil leaves. Our Salad of the Imagination, was abundant with fresh garden goodies accompanied by a vinaigrette one week and honey and mustard dressing the next. Rhubarb and Apple Crumble with dollops of cream to follow. A big welcome to our Year 3 students and our friends of the Kitchen Garden that have offered time to garden, harvest, prepare and share with us... a very enjoyable start to our SAKG year.

Due to large student numbers in the Year 3/4 class this year, four students from Year 3/4 will be joining the Year 5/6 SAKG Kitchen class each fortnight on a roster basis as listed below. The four students listed each fortnight will remain in the classroom with Year 5/6 during the Year 3/4 class the following week. Each year level, from 3 – 6, ‘Prepare and Share’ in the Kitchen once a fortnight.

If you are unable to help in the Kitchen on your rostered day, could you please phone Clare on 0427 823 308 or email: ckcatering@bigpond.com

If you have any concerns about the SAKG program other than a roster query, please contact the SAKG Program Co-ordinator, Mrs Ann Howard on 5577 2384.

Thank you for being a friend of the kitchen garden program. Please see the Term 1 roster in this edition of the newsletter.

Happy preparing and sharing together
Clare Kennedy, SAKG Kitchen Specialist

IN HAMILTON WITH SAKGF CEO, ANGE BARRY:
Take this rare opportunity to spend some time with Stephanie Alexander Kitchen Garden Foundation CEO Ange Barry, sharing the journey and successes of the Kitchen Garden Program to date and examining how schools and learning centres across Australia can benefit from this highly successful and innovative food education model.

A free information session with Ange Barry will be held on Tuesday 17 March 2015 from 5.00pm to 6.00pm at Good Shepherd College, 33 McArthur Street, Hamilton. Please click on the following link for further information:

Christina had been working casual jobs since she was 15 years old with her employer super contributions being made into funds that was set up for her. Now at 22, just finished university with a promising career on the horizon she’s ready to start planning the next stage in her life.

Her local Bendigo Bank Customer Service Officer took the time to find out what she wanted, where she was headed and to take stock of where she had her future invested. After finding out she had 4 funds all charging management fees and a few inactivity fees she got back in contact with her local Bendigo Bank to get her funds consolidated into one low-fee, easy to use fund to get her future on track.

With online access to view her account details, insurance information and make additional contributions Christina is now in control of her life’s big moments.

And we can be there for yours too!

Conservation Volunteers & Panyyabur Landcare

What’s been happening?
Mirranatwa, Panyyabur and Glenthompson Landcare groups were awarded funding through a ‘Communities for Nature’ grant and the Southern Grampians Shire to complete weed identification and removal in the Southern Grampians region. This project allowed works to be completed on private property and roadsides, by identifying locations and subsequent treatment of the invasive weed species, South African Weed Orchid Monadenia bracteata, St John’s Wort Hypericum perforatum, and the regionally controlled weed Gorse Ulex europaeus. Teams of international volunteers from California, Germany, Netherlands, Korea and Japan have played a role in weed removal in these areas as well as Woodcroft College in South Australia and an NMIT group from Melbourne. These teams worked in conjunction with local residents Ross Simpson, Andrew Beveridge, Bill Crawford, Dunkeld Pastoral, Peter and Robyn Adams, Ian Murray, John and Fiona Ross, Craig and Woody Oliver to name a few.

What’s coming up?
We welcome all members of the Dunkeld and District community to Salt Creek, Dunkeld (near the mosaic) on Tuesday 17 March 4.00pm, to hear and learn about the fantastic work that the Conservation Volunteers Australia and several well-known locals, have been doing, in protecting your roadsides and private properties from an influx of potentially disastrous, invasive weeds. Learn how to identify these weeds, where these weeds have been sighted, control methods used, and about future actions planned. This is also a great chance to show your appreciation to those who have donated a great deal of their time, to make our environment more healthy and sustainable.

And there’s a free BBQ tea afterwards!
Please RSVP by Friday 13 March to Caity O’Reilly on 0428 553 040.

Dunkeld and District Country Women’s Association

The D&D Branch of the Country Women’s Association is looking forward to an exciting and activity packed year ahead.

In our February meeting we finalised out Syllabus for 2015 and caught up over a cup of tea and supper on what members have been up to over the Summer months. Next month we are looking forward to Jo Frost demonstrating the wonderful Chef’s Toolbox cookware to our members and the benefits these cooking tools will bring to your kitchen. This meeting will be held on Wednesday 18 March with a $5 surcharge to cover the cost of groceries used in the cooking demonstration.

We welcome new members with open arms and have included our Syllabus for the year so those interested can get an understanding of what our branch is all about.

Monthly meetings are held on the 3rd Wednesday of every month at the Dunkeld Community Centre.

The cricket club has been in finals mode in the last week, with our women’s team and junior teams all represented. A Grade and D Grade need to win their final games to get their chance and B Grade have already cemented a spot.

**Women:** Our girls played their best game of the year against the unstoppable Casterton juggernaut, eventually succumbing for 85 against 129. A tremendous season from the team capably led by two local girls Tianah Burgess and Molly Kennedy.

**U14’s:** A strong win against the fancied College team on the weekend, gives the young Pumas a chance to achieve their 3rd premiership in a row. After making 172 for 9 on the back of Lachie Field 50 retired and Dylan Mooney 43, the youngsters ran through the much vaunted College line up for 108. Josh Gordon and Will Mooney 2 wickets, Zac Burgess and Andrew Fry 1 wicket ripping through the top order.

**U16’s:** After destroying the St Marys batting line up for 33, the Pumas took only a few minutes to wrap up the match, with Isaac Povey 50 retired. James Cullinane, Aiden Luhrs and Will Baulch all in the wicket takers.

**A Grade:** Despite the absence of skipper Heinrich Joyce and on a fairly difficult Melville Oval wicket Grampians managed 201, with good contributions from Paul Kerber, Greg and Thomas Millard, Wayne Dennett and Joe Sutherland. A win next week may achieve top spot and a loss the team will miss the finals for only the second time in 18 years despite having lost only 2 games.

**B Grade:** A very ordinary batting display reduced the certain finalist to a miserable 50 all out and Southern Grampians in reply are already 8/90. An outright result beckons.

**GRAMPIANS GOLF CLUB REPORT**

24th February

Captain V Secretary - Draw for opponents, match play - Secretaries team won 4 matches to 2. Garlic cloves presented to the Captains team members before play failed to ward off enough evil spirits to achieve an overall win. The winners proceed to knock out format in contention for the "Joan Young Singles Trophy". Good luck to district golfers off to contest Southern Ports next week.

Venita Mibus and Kerren Collins at Mortlake last Friday competing in a 4BBBB, won the day with 47 pts. Marion Venn was in the runner up group on 45 pts.

Sheila Sawyer is now at home recovering - enjoying a walk and eager to visit the golf club. Sue Morse has been researching a trip to Murray Downs Golf course for a couple of days in the week after Easter and several women golf club members are signing up for challenge.

**DUNKELD BOWLS CLUB NEWS**

**TWILIGHT BOWLS** – The fourth and final round was played on 27 February, with Frank’s Tigers narrowly defeating the Cricketers. The event was hugely popular with between 60 - 70 people at the club each night enjoying the bowls, facilities and of course Uncle Brian’s sausage sizzle.

Our thanks go to our ongoing valuable sponsors, CAFE 109 and KELLY & HENSON. Also thanks to Adrian & Melissa Field for their support in providing the BBQ provisions on the final night.

It was pleasing to have such a large attendance and to see so many people enjoying the bowls and the friendly competition.

**MATTISKE & HENDERSON PAIRS** – This very popular event was again played with all rinks full, on a beautiful sunny day on 26 February.

Winners of the day were Simon “Shanks” Cullinane and Matt Solly being the only four game winners, closely followed as Runner Up’s by Darren “Cat” Gordon and Frank Raymond.

Our special thanks and gratitude is extended to the annual sponsor of the event, MATTISKE & HENDERSON of Hamilton.
MEN’S PENNANT – After finishing second on the ladder, we ventured off to Macarthur for the finals on 21st February only to find no play permitted due to the excessive heat rule, so home for more practice, then back to Macarthur on Saturday 28th to do battle.

After a great game and a narrow 6 shot loss to Portland RSL in the a.m., we met Portland in the p.m., who proved too strong for us despite two great rinks being fought out by the teams of Gus and Cat. Though disappointed, the team has had a great year, beating all teams in the comp. and making the finals after a drought of 5 - 6 years.

JUNIOR FOOTBALLERS DESPERATELY NEEDED
Unfortunately we are again struggling for Under 16.5 footballers. Similar to the previous two seasons, we have plenty of Under 12 boys eagerly waiting for the season to start, but at this stage we have less than 10 Under 16.5 footballers who have indicated that they are keen to play for the Rams.

With the season a little over a month away, we desperately need to attract at least 3 or 4 players to ensure that we enter a team in this year’s competition. The league executive has done a lot of work to make this year’s Under 16.5 competition more competitive and it would be incredibly disappointing for the GDFNC not to enter a team.

If you know of anyone that might be interested in playing junior football for the Rams this season, either for the whole season or on permits for some of the games, please call Glen Darroch on 0477 756 351. Training for our Under 16.5 footballers is due to commence on Wednesday March 11 at 5.30pm at the Dunkeld Recreation Reserve.

In more encouraging news, both our senior footballers and netballers are well into pre-season with fantastic numbers on the training track for this stage of the year.

Our senior footballers have the following upcoming practice matches:

- Friday March 20 v Harrow/Balmoral at Harrow
- Saturday March 28 v North Gambier at Dunkeld

Our senior netballers will be playing the following practice matches:

- Friday March 20 v Harrow/Balmoral at Harrow
- Saturday March 28 v Dennington at Dennington

Junior netball pre-season will commence on March 4 at Dunkeld at 5.30pm.

Auskick will kick off on Thursday 16 April at Dunkeld from 6.00pm and we are very grateful that Sally Beggs and Brad Mawson have once again offered to coordinate our Auskick program. With the growing numbers of kids participating each year, this is becoming a bigger and bigger job and we will this year put together a weekly roster for parents of kids participating to help out Brad on Thursday evenings.

Rams sponsorship and membership packages for 2015 are now available and details are in our first newsletter. If you would like to be on our email distribution list please send your email details to Russell Macgugan at rmacgugan@woolnetwork.com.au.

GARDEN NOTES – MARCH

Most potato crops should now be ready for digging, take care not to damage the tubers as their storage life will be considerably reduced. Store clean, dry, undamaged tubers in a cool, dark and dry position and they will last for several months.

Early plantings of peas and broad beans can now be made into well drained soil which has been prepared with a dressing of garden lime and superphosphate or complete fertilizer. Remember, that animal manure should not be used on legume crops such as peas or beans.

Sweet Peas can be sown now and will make a very colourful display during the late winter and early spring. Their requirements are the same as for peas and broad beans except that a fence or trellis is required for support.

The flowering period of many flower crops such as Dahlias and Roses will be extended if you pay attention to “dead heading” i.e. removal of spent flowers. People have been asking about brown patches on the base of tomatoes. These patches extend into the core of the fruit and cause it to rot quickly. This is a disease called “blossom end rot” and is caused by an interruption to the plants calcium supply which in turn is caused by uneven watering. It can easily be prevented by regular and even watering.

Other readers have asked when to pick apples. There are several “tests”.

1) Date: Apples mature within the same few days of each year depending on variety e.g. Jonathon matures 2nd week March, Granny Smith – early May, Golden Delicious – mid April. Red Delicious – third week March.
2) Skin colour – is it even and intense?
3) Seeds should be dark brown to indicate ripeness.
4) Ease of harvest – does the fruit separate easily from the tree?
5) The most reliable method of all – taste – is the fruit crisp and juicy without being “sharp” in flavour?

Only store undamaged fruit, preferably with the stalk intact in a cool, airy position, protected from the extremes of temperature or sunlight. Remember not to burn or dump autumn leaves, they are very useful.

HAPPY GARDENING! Stephen Hughan

TIMBER SLAB AND TABLE TOP SURFACING/SANDING MACHINE

We recently bought and installed a "Wood Wizz" timber surfacing machine.

Apart from the many other uses we have for it, the machine is excellent for levelling and sanding Red Gum slabs (and table tops in general).

Don’t waste your time with a belt sander. Come to us for a “perfect” finish, complemented by sprayed lacquer or poly.

If you have that slab out in the shed that you have been meaning to turn into your new dining room table, bring it around.

Come and have a look.
