FROM Mr Paul Jeffreys, Principal...

STEM FOR MEN
We are very much looking forward to presenting an exciting hour of Scientific, Technological, Engineering or Mathematical challenges for those adults attending our ‘STEM for Men’ morning on Wednesday 10 June. Some of you may need to think about dividing your time between classes if you have more than one child in your family to work with.

CROSS COUNTRY EVENTS
I would very much like to congratulate our children on their efforts during the recent School Cross Country event. Furthermore, well done to those children who competed at Tarrington in the district event against more challenging competition. Our school was well presented at the Division event staged at Warrnambool last Friday, presenting even greater challenges. Zach Burgess managed to finish 9th in the 11 Year Boys event making him eligible to return to Warrnambool for the Regional event. We wish Zac well for that event.

YEAR 3/4 EXCURSION
Recently, Mr Stephens and I led the Year 3 and 4 students on an excursion by foot down to the Wannon River almost directly behind the school. This was the first of a series of visits planned with the intention that the children will record the environmental changes that will occur (if it rains) over the course of the next 3 – 4 months. The children were very surprised firstly with the amazing number of Kangaroos down in the flood plain as we looked down from the top of the hill. That the river was completely dry at the section we explored was also surprising to many. While there, the children took photographs on iPads or cameras which will be used back in the classrooms. We had our lunch among the red gums and returned, singing songs together all the way back up the hill.

ASBESTOS SURVEY
Many parents may have noticed that asbestos related stickers have been placed at some entrances to the school building. These stickers are primarily related to alerting people entering the school for the purpose of carrying out any works to be aware that there is asbestos in some parts of the building. The independent inspector has identified asbestos in the eaves in the old part of the school and the entrance alcoves. All of these areas are completely safe and in good condition. A small number of air conditioner surrounds were also identified as having asbestos; also declared safe. The inspector commented that our ‘school was very clean.’ Currently the shed at the end of the basketball court is out of bounds as it houses a desk containing asbestos. This will be removed in the coming weeks and the shed will be immediately reinstated as a safe environment.

2015 SOMERS CAMP
Those interested in the Somers Camp program or who have children in Year 3/4 will be interested to know that Mr James Stephens will be taking part at Somers Camp this year. We will replace Mr Stephens with a CRT (Casual Relief Teacher) which is subsidised by the camp program. The camp runs from 14 – 22 July.

PUBLIC HOLIDAY AND PUPIL FREE DAY
Please note that Monday 8 June is a public holiday and Tuesday 9 June is a Pupil Free Day for Report Writing. Students are to return to school on Wednesday 10 June.

SGSSA CROSS COUNTRY
As advised in the last issue of the school newsletter, the SGSSA District Cross Country was held in Tarrington on Friday 15 May. Please find listed below the students’ placings:

9yrs: 1st Thomas Calvert, 2nd Charlie Field, 3rd Flynn Darroch
6th India Ross, 7th Xanthe Huf, 8th Ella Jackson
10yrs: 2nd Sam Cullinane, 4th Ben Potter
1st Natalie Featherston, 5th Sarah Symes, 10th Olivia Mirtschin
11yrs: 1st Zach Burgess, 9th Oliver Fenwick
3rd Julia Kelly, 6th Miranda McIntyre, 7th Anna Schurmann
12/13yrs: 5th Liam Fenwick, 9th Jesse Symes
2nd Jessica Field, 3rd Lily Graham

ZONE CROSS COUNTRY
The following students qualified to participate at the Zone Cross Country Championships in Warrnambool on Friday 29 May:
12 year boys Liam Fenwick, Jesse Symes
11 year boys Zach Burgess
10 year boys Sam Cullinane, Ben Potter
9 year boys Thomas Calvert, Charlie Field
12 year girls Jessica Field, Lily Graham
11 year girls Julia Kelly, Miranda McIntyre, Anna Schurmann
10 year girls Natalie Featherston, Sarah Symes

REVOLTING RHYMES PERFORMANCE
Think you know the stories of The Three Little Pigs, Cinderella, Little Red Riding Hood, Snow White, Goldilocks and Jack and the Beanstalk? Think again!
Roald Dahl’s Revolting Rhymes and Dirty Beasts bursts off the page in a spectacular new live show, taking the world’s best-loved fairy tales and rearranging them with some surprising and hilarious twists.

All the Dunkeld Consolidated School students will be attending the Roald Dahl’s Revolting Rhymes performance at the Hamilton Performing Arts Centre on Tuesday 23 June 2015 from 10.00am to 11.00am.

Please note that the buses will depart from the school as close as possible to 9.00am. Could you please ensure that your child/children arrive on time to school so they don’t miss the bus on Tuesday 23 June.

HAMILTON EISTEDDFOD

Parents are encouraged to support the work of the students, a very enjoyable time to watch these young students performing. Our students have worked very hard practising. It is a wonderful experience to play on the PAC stage in front of an audience and adjudicator, especially in the duet and solo sections. We would love a crowd of supporters.

- Students need to be looking pristine in their full school uniform with school jumpers and clean, polished shoes.
- Snacks and water needed for morning tea.
- Please remember to bring your instrument and music.
- Travel arrangements have been sent home on a separate note.

If you have any queries please contact Mrs Heather Macgugan on 5577 2277 or 0400 952 716.

FACILITIES UPDATE

The Facilities Sub-Committee is in the process of finalising the Facilities Strategy for the coming 12 months and beyond. This strategy is currently available at the school office for parents to review and provide input if required by Monday 15 June 2015 to James Haley, Convenor or Lucinda Peterson, Secretary. All input will be considered by the Facilities Sub-Committee prior to being presented for final ratification by School Council. James Haley, Convenor, Facilities Sub-Committee

Calling all parents, carers and friends of the school!

We are planning for a grounds “face lift” for our school! A working group headed by the Facilities Sub-Committee is currently preparing a Landscape Plan to improve the school grounds. We are currently in the "What do we want to keep? What do we want to change? What do we want our school to look like?" stage.

We have sought feedback from the children and staff and now we would love to hear from you!

If you have any feedback (positive or negative) or ideas (no matter how wild!), this is your chance to let us know. After gathering all the ideas, a draft Landscape Plan will be prepared for further feedback. Please feel free to email lucindapeterson@hotmail.com or text 0459 774 624 with ideas and thoughts by 12 June 2015.

Lucinda Peterson, Landscape Plan Co-ordinator, Facilities Sub-Committee

SCHOOL CAMPS 2015

Families have recently received information about the 2015 School Camps. The cost of the Year 2/3 Camp is $140.00 per student and the Year 4/5/6 Camp of approximately $260.00 - $300.00 per student will be subsidised by School Council.

Could you please ensure you complete and return the form to advise the school if you would prefer to make payment in full by 7 September (Year 2/3), 24 July (Year 4/5/6) or payment by instalment to be fully paid by the specified dates.

SPORTING SCHOOLS

The Australian Government’s Sporting Schools programme replaces the Active After-School Communities program. The Term 2 program will be “Netball”. Sessions will be held weekly from 3.30pm to 4.50pm (with a free fruit break) on Tuesday afternoon commencing on 26 May and finishing on Tuesday 23 June. Sessions will be held in the undercover area and both girls and boys are encouraged to attend these fun activities. If you have any queries about Sporting Schools please contact the co-ordinator, Mrs Ally Gordon, on 0429 900 747.

P & F NEWS

SERRA TERROR CATERING: Once again the P & F Association have been asked to cater for the Serra Terror launch dinner. This year it will be held on Friday 5 June at the Dunkeld Community Centre. This is a wonderful opportunity to help the Serra Terror Committee raise funds, as well as for us to promote our wonderful school.

Food preparation will occur on the Thursday afternoon (make slices and set up) at the Dunkeld Community Centre. On Friday afternoon we shall prepare the main course and on Friday evening serving and cleaning up will be conducted.

Thank you to all those people who have volunteered to assist. If you have any queries please contact Karen Kent on 0407 754 606 or Ally Gordon on 0429 900 747.

NEXT MEETING: Monday 15 June commencing at 7:30pm in the school staff room. All welcome!

Ally Gordon, Secretary, P & F Association

Stephanie Alexander Kitchen Garden Program (SAKG)

From the Kitchen...

We welcomed the senior Cavendish Primary School students to harvest, prepare and share with us last Thursday. I thank our Year 5/6 students who were very welcoming and made the students from Cavendish feel very at home in our kitchen. We prepared and shared Potato Rosemary and Silverbeet Pizza, Herb Pilaf, Banana Ice-Cream and Baked Apples stuffed with Sultanas and Cinnamon.

A big thank you to the Funk Family for the lovely harvested nuts that we smashed, crushed and enjoyed. I thank Mr and Mrs John Fraser who grow lovely produce and kindly share with us each week. Thank you to the Collins and Crawford families for the delicious apples we have been using and now have a nice amount in the freezer for later use. Thank you to Maree and Dennis Willey at Grampians Retreat for a large bag of bananas that went into the best ice cream I have tasted in a while.
We have had a busy time in the kitchen, discovering many herbs, talking about our favourite pizza toppings and enjoying the apple 'screwdrivers' that make spiral apple skin, and takes the core out...great fun! It was great to see our kitchen being used by the Dunkeld Kinder parents who are preparing the slices for the Serra Terror Walkers, it is a great facility that we feel very proud of.

Clare Kennedy, SAKG Kitchen Specialist

From the Garden...

Last Thursday we were Bioblitzed! Visiting ecologists Laura Weedon and Kirrin Brown revealed to the Grade 5/6 students from Dunkeld and Cavendish, what they found when they conducted a comprehensive plant and wildlife survey last November, on properties around Dunkeld.

Ben Gaylard and Hayley Glover from Dunkeld Pastoral Company, were also there to talk about and show everyone their magnificent tiger and eastern quolls that they are working with. And Dave Nichols from the Glenelg Hopkins CMA brought along a towering and impressive wedge tailed eagle and an endangered masked owl, and spoke about the birds of all shapes and sizes that can be seen, or were once seen, around our district.

It was fascinating to hear their stories and explanations and to see the photos of the animals “captured” during the survey. The children responded with many and varied intelligent questions on all topics. They also displayed a great memory, as Ben quizzed them on their quoll knowledge that he had passed onto them last year. He, and all the presenters, were very impressed with the students’ interest and knowledge on their local environment, and their willingness to ask and learn more.

We have conducted our own Bioblitz in the garden, for as well as our monthly wildlife surveys, we installed a motion sensor camera for a few days. We saw ravens, blue wrens, rain, a fox, rabbits, a brush tail possum, fog, willie wag tails, moths, sparrows, humans and many, many kangaroos!! One even conveniently did a poo in front of the camera; of course that was a very popular video!

On the garden front, we have been busy sowing seeds of all sorts (flowers included), weeding, raking leaves, improving the compost, working on tin sculptures, transplanting seedlings and preparing the paddock for sowing barley. Iven Field, Herman Jansen, Brian Mathews and Paul Callander have been coming in (out of garden time) to help install the irrigation system. We are nearly there!

We hope that you all had a lovely Mother’s Day, and were well and truly spoilt!! We also hope the parsley seedlings all arrived home safely – they were only transplanted that day, so may take a while to start growing strongly.

Please remember to send warm coats, a hat and boots with your children on Thursdays, as even if it’s not raining, it can get very cold out there! We also work with many different materials (straw, hay, sheep pooh, chooks, soil, rocks, plants, fertilizer etc) so a covering coat is a good idea!

Lisa McIntyre, SAKG Garden Specialist

A reminder that the SAKG Kitchen and Garden Rosters have been uploaded to the school’s website: www.dunkeld.vic.edu.au

CAN YOU HELP?

The SAKG Program will be providing catering services for the Glenelg Hopkins CMA Woodland Bird Forum to be held on Thursday 18 June at the Dunkeld Community Centre – Sterling Place at 6.00pm.

If you are able to help in any way could you please complete and return the attached form to the Dunkeld Consolidated School or email to Clare Kennedy at ckcatering@bigpond.com BY FRIDAY 5 JUNE 2015.

We thank you for your kindness, generosity and continued support for the Stephanie Alexander Kitchen Garden Program at the Dunkeld Consolidated School and we thank Glenelg Hopkins CMA and the Panyyabur Landcare Group for this opportunity to raise funds for our program.

NET-SET-GO PROGRAM - HAMILTON

Hamilton Netball Association are proud to run the NET-SET-GO PROGRAM

Commencing Saturday 11 July 2015
9.00am – 10.00am
PEDRINA PARK
9 weeks - $57 per child includes participant pack
For further information please contact Melissa Beaton 0417 722 061 or email krugs77@hotmail.com
Registration night will be Wednesday 24 and Thursday 25 June 2015 at the Ansett Pavilion, Pedrina Park from 4:00pm – 5:30pm
Long Weekend of Serra Terror

The popular Serra Terror endurance adventure is back for 2015 on the Queens’ Birthday long weekend of the 6th, 7th and 8th June. With so many entries to this stunning experience organisers were forced to close entries early. While the course is still under wraps, there have been some exciting clues revealed that suggests yet another fantastic expose of the Grampians National Park.

This year, organisers have announced the Grampians National Park and Parks Victoria will allow a navigational exercise over parts of the proposed Grampians Peaks Trail. The Grampians Peaks Trail will be a world class, long distance walking experience that showcases the beauty and majesty of the Grampians. Eventually, it will comprise a 13 day/12 night walk that stretches 144km from Mount Zero in the north to Mount Abrupt in the south. It’s set to rival the Overland Track in Tasmania and the Milford Track in New Zealand for beauty and scale.

But first, the trail needs to be made. That's where Serra Terror VI participants come in!

Organiser Georgie Mann said Serra Terror 2015 will tackle areas of the Grampians previously not open or accessible to the public.

"Participants will be among the first to get a taste of some of the highly anticipated southern section of the Grampians Peaks Trail," Georgie explained.

"It's another spectacular 80km team adventure that will challenge participants both physically and mentally. Everyone is very much looking forward to the long weekend."

Sections of the course will be high, densely vegetated and possibly slower going than in previous years as the ST6 competitors carve their way through unexplored territory. The views will be spectacular, the experience second to none, and the course is going to challenge participants like never before.

And that's saying something. Last year's event involved a pre-dawn bus trip to remote location with instructions to overcome 'The Fortress' by morning tea time. It was all uphill from there. There was a pretty high level of satisfaction when, after two days of hard slogging, teams could lay claim to traversing the Grampians from West to East, across three ranges.

Only the organisers know for sure what's in store this year...but we'll soon find out. www.discoverdunkeld.com/
Printer cartridges are made up of a complex combination of plastics, metals, foam, ink and toner. Throwing them into landfill represents a waste of resources and contributes to the growing problem of electronic waste. By recycling your cartridges you are helping to reduce this waste.

Why Recycle Printer Cartridges?

Printer cartridges are made up of a complex combination of plastics, metals, foam, ink and toner. Throwing them into landfill represents a waste of resources and contributes to the growing problem of electronic waste. By recycling your cartridges you are helping to reduce this waste.

Some of the environmental benefits of recycling your cartridges include:

• Diverting waste from landfill. Over 24 million cartridges have been diverted from landfill through ‘Cartridges 4 Planet Ark’.

• Recovering resources. By collecting cartridges and sending them for reprocessing or recycling we recover plastics, metals and inks that can then be used to make new products.

• Saving water and energy. In most cases, making products from recycled materials uses less water and energy than making them from new materials.

• Reducing greenhouse gases. Based on a life cycle analysis of Close the Loop’s processes, the ‘Cartridges 4 Planet Ark’ program has prevented over 110,000 tonnes of greenhouse gases from being released into the atmosphere.

What Happens To The Printer Cartridges?

All of the printer cartridges put into a ‘Cartridges 4 Planet Ark’ box are sent to Planet Ark’s recycling partner, Close the Loop®, in Melbourne. Once there, they are hand sorted and their brand and type recorded. Some of the laser cartridges are returned to the original equipment manufacturers for their own remanufacturing and recovery programs. All of the remaining cartridges are processed through the Close the Loop® ‘Green Machine’.

• Toner is used to make TonerPave™ road surfaces.

• Inks are recycled and reused in low grade printing applications.

• Clean plastic streams are reused in various applications or made into 90% recycled EnviroLiner felt tip pens.

• Metals are extracted and made into new products.

• All other materials and contaminated plastics are recycled into eWood™ – a timber-replacement product used to make items such as outdoor furniture, fencing and garden edging.

Bring Your Cartridges From Home

Dunkeld Kindergarten is now recycling our printer cartridges with zero waste to landfill.

To help you make your home a little greener, you are invited to bring the cartridges you use at home and give them to kinder families to drop into our collection box. Please keep all packaging out of the cartridge collection box.

This program collects and returns inkjet, toner cartridges, toner bottles and other consumables from printers, fax machines and photocopiers for reprocessing and recycling. For further information contact Debbie at the kinder on 55772348 or dunkeld.kin@kindergarten.vic.gov.au

SERVING HAMILTON, DUNKELD & DISTRICT
A.H. 5577 2498 Lic No. 25274
with valuable assistance from the fire bombers now based at Hamilton Airport during summer. Another significant incident was a shed fire in Recreation Road, on 16th July 2014.

A significant amount of roadside burning was again undertaken by the Brigade this season, most of it in conjunction with neighbouring Brigades. An early start was made before Christmas, including the southern end of the Cavendish Road, burnt for the first time in 30 years. Due to the ensuing hot weather, burning did not re-commence until some weeks later. In total, 38km of roadsides were burnt on both sides, and another 25km burnt on one side, as well as assisting neighbouring brigades to burn an additional 40 km.

The Grampians Asset Protection (GAP) Group, with representation from Dunkeld Brigade, continues to liaise closely with DEPI (now DELWP) and Parks Victoria (PV) on their plans for fuel reduction burning in the Grampians. A small section east of the Tourist Road near the Mt William Range, in an environmentally sensitive area, was burnt during last winter, with another burn in the Jimmy's Creek area. More significant burns were conducted recently in the Serra Range and in the Victoria Point area. DELWP has promised to organise a field trip shortly to report on burning progress.

The meeting decided to maintain the suggested level of voluntary donations to the Brigade at $50 per landholder and $30 per householder in the town for 2015/16. The Brigade is extremely grateful to the Dunkeld and district community for their continuing financial support, which builds the funding base over time to allow the purchase or replacement of a major item of equipment, for example the Brigade-owned Isuzu tanker ("Dunkeld Suzi"), which is now 25 years old.

The Brigade again sponsored the annual fire prevention poster competition at Dunkeld Consolidated School. This year the theme was “CFA in Our Community”. Prizes, in the form of book vouchers, were presented to the winners in each grade by Brigade Captain Michael Gordon, during a special assembly on 26th November 2014. Brigade members put on a display of fire-fighting equipment at the Dunkeld Mosaic on 18th October 2014, and organised the annual “Santa run” on Christmas Eve, in conjunction with Dunked SES.

DUNKELD RURAL FIRE BRIGADE

The Annual General Meeting of Dunkeld Rural Fire Brigade on 11th May saw only minor changes in the biennial election of officers. Those elected were as follows:

President                                Bill Blackwell
Captain                                   Michael Gordon
1st Lieutenant                           Edward Blackwell
2nd Lieutenant                           Jason Linskens
3rd Lieutenant                           Simon Gordon
4th Lieutenant                           Darren Gordon
5th Lieutenant                           Charles Blackwell
6th Lieutenant                           Robert Funk
Secretary/Treasurer                      Peter Flinn

Other specific positions now required by the CFA were in community safety (Michael Gordon), health and safety (Ben Kelly) and training (Jason Linskens). Additional roles were taken on by Darren Gordon (recruitment), Robert Funk (fire prevention) and Anthony Graham (catering).

The position of Brigade Communications Officer was discontinued. This position had been occupied by Helena Flinn since 1980. However, Helena and Peter Flinn continue to run communications for Serra Group.

The 2014/2015 summer started with a bang but ended with a whimper. It promised to be a serious fire season, with fire restrictions commencing early, on 1st December 2014, due to the driest spring since the 1982 drought. There were two days of extreme fire danger on 2nd and 3rd January, the only days of Total Fire Ban for the whole season, compared with 10 TFB days the previous summer. Fire restrictions were lifted on 13th April. The Dunkeld area was extremely fortunate, with no fires of any consequence, despite concern about serious fires at Moyston and in the Black Range in early January. The Brigade received a total of 10 calls for the period ending 2nd May 2015. Four of these were in the southern Grampians, caused by lightning, but were minor. They were attacked very quickly,
DUNKELD PUBLIC LANDS COMMITTEE
Caravan Park  At last week’s meeting it was decided to install shower doors. We put in two and they have been very successful, so we now will finish the job. The ablution block has been almost totally renovated in recent years. We need to remove another dying tree near the cabins. It was good news to hear that the intersection will be totally repaired in June. The water may be able to be diverted to the creek, instead of it running through the park. The students at Hamilton Skills Centre are building an office for us. This will be ready later in the year. It will be a welcome addition to the Park.

Memorial Park  An old tree was removed from the park two weeks ago. It was nearing the end of its life. The committee is looking to see if we need some more trees planted.

Sawmill  On the 17th May, 28 people visited the old sawmill sites in Victoria Valley. Everyone had an enjoyable day. We are waiting for Parks to provide the timber so we can rebuild Strachan’s hut, which was destroyed in the fires - more about this soon.  

John Smith, President

DISCOVER DUNKELD
The Winter Solstice Ghost Tour will be held on Saturday 20 June, with four tours leaving from the Royal Mail Hotel to see the darker side of Dunkeld’s history. Numbers are strictly limited, so don’t miss out on your chance this year. Tickets will be on sale shortly, but you can email discoverdunkeld@gmail.com to register your interest or call Belinda on 0447 857 337. The tour will not be exactly the same as last year’s, so return guests welcome!

#dunkeldsocialvillage
What is #dunkeldsocialvillage?

- It’s a way we can unify the social media promotion of all things Dunkeld that not many other villages of our size can.
- It tells visitors that our locals and businesses are welcoming and supportive.
- It encourages our visitors to share their Dunkeld experience with their networks.
- It can grow into something more than social media
- It needs community support to work.
- It will include opportunities for everyone to learn more about social media.

More information will be rolled out over coming weeks from the sub-committee from Dunkeld Traders plus others who are developing the concept. Contact Kylie Schurmann 0428 733 312 for more information.

ROUSEABOUT - WORK WANTED
Reliable and hard working.
Please contact Samantha Nicholson via the numbers listed below:
Phone: 5573 3353
Mobile: 0429 954 180
DUNKELD RSL SUB-BRANCH

RSL Membership: We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Application forms are available from the Secretary/Treasurer, Terrie Nicholson on 5573 3353.

The Great War: As part of the ANZAC Centenary commemorations, the Dunkeld RSL Sub-Branch, supported by the Dunkeld Museum, held a historical presentation on “The Great War” on Saturday 30 May at the Dunkeld Community Centre. The audience was addressed by keynote speaker documentary-maker Mr Gary ‘Tex’ Houston from Melbourne. Tex has been researching and detailing the history of Lieutenant T. Leigh Simpson for the Dohle family and he has an in-depth and extensive knowledge of World War 1 history. Mr Barry Tucker and Ms Patricia (Pat) Walker, from the Horsham 4th Light Horse Troop provided information on the horses of the Light Horse Regiments and an extensive display of Australian Light Horse memorabilia.

The Dunkeld RSL Sub-Branch and Dunkeld Museum would like to sincerely thank everyone who supported this event in any way.

RSL Annual Remembrance Service – Springvale War Cemetery: The 31st State RSL Annual Remembrance Service will be conducted at the Springvale War Cemetery, situated within the grounds of the Springvale Botanical Cemetery on Sunday 8 November commencing at 2.30pm.

This year marks the 97th year of the signing of the Armistice that ended World War I. The Service commemorates those of our relatives and friends who paid the supreme sacrifice.

This year’s speaker will be Major General Dave Chalmers, AO, CSC (Ret), the First Assistant Secretary, Commemorations and War Graves with the Department of Veterans Affairs. Major General Chalmers more recently acted at the Emcee for the Centenary of ANZAC Dawn Service held at Villers Bretonneux in France.

Only one tribute will be laid at the Cross of Sacrifice by the Returned Services League of Australia and that will be laid by the State President. Under cover seating will be provided, however, those desirous of bringing their own seats are well advised to do so. Medals and decorations should be worn.

Vietnam: Davide A Cottone has written a novel called Vietnam ... Viet-Bloody-Nam which he hopes will advance the cause of Australian war veterans from Vietnam, Iraq and Afghanistan. The story, an historical fiction, based on a true story, aims at educating the public at large with regards to the sacrifices our diggers have made over the years in trying to help keep Australia safe.

The story revolves around two childhood friends, Manfred and Tony, who were nurtured in the countryside in the fifties and enjoyed the utopia of a nation at peace that was carefree and full of hope after WWII. Vietnam replaced all that with a dystopia where conflicting ideologies trapped one in the dehumanising cauldron of war and spat out the other onto the streets in protest against it. As they tried to adjust to a new divided Australia one hid from the society that spurned him while the other sought solace in the hippie communes of the North. Years later they are reunited and search for a way to re-enter the paradise that Vietnam stole from them.

For further information please refer to the PIE Books website: www.piebooks.net or contact the author direct: piebooks@yahoo.com or phone 0408 709 094. RSL Club member discount of 20% plus free delivery ($28.00).

REGISTRATIONS OPEN FOR GREATER HAMILTON SPRING/SUMMER EVENTS GUIDE

Are you planning an event or festival in Spring or Summer?

Register now to have your event promoted in the 2015/16 Greater Hamilton Spring/Summer Events Guide!

The events guide, produced by the Southern Grampians Shire Council, is used as a promotional tool to raise awareness and encourage residents and visitors to attend major events and festivals in our Shire. Events held within the region showcase the diversity and richness of our culture and they help to drive the economic prosperity of the region.

The printed events guide is distributed regionally to Visitor Information Centre’s and locally to accommodation, attractions and hospitality providers as well as new residents to the Shire. It is also used as a key marketing tool at trade shows, media launches, conferences and other regional promotions.

If your organisation or group is holding an event or festival between 1 September and 29 February 2016 and would like to be included in the calendar, please contact Council’s Acting Events Marketing and Development Officer, Simone Logan on 5573 0239 by Friday 26 June 2015.

Event notification forms can also be downloaded from Council’s Events website http://www.visithamilton.com.au/events/events_assistance.html

DUNKELD MUSEUM UPDATE

Guest Speaker Meetings: A reminder that Guest Speaker Meetings will not be held during the winter months. Our next guest speaker meeting will be held on Monday 7 September.

Immigration Fashion Parade and High Tea: The Dunkeld Museum will be holding an ‘Immigration Fashion Parade and High Tea’ at the Dunkeld Bowling Club on Saturday 20 June commencing at 2.00pm (patrons to be seated by 1.45pm).

Admission will be by pre-purchased ticket only at $25.00 each. Tickets are available from Izzy’s Mountain View Café, Café 109, the Dunkeld General Store or from Terrie Nicholson (5573 3353) or Wendy Williams (5577 2386).

Fashions will be provided by Flagstaff Hill Maritime Village, Warrnambool and this year’s theme will be “Immigration – leaving the old country”.

Man and Horse: Everything the Light Horse trooper needed for living and fighting had to be carried by him and his horse.

His extra clothing, food and personal possessions were in a canvas haversack carried over the shoulder. Across the other shoulder hung a one-litre water bottle. As well as the 90 rounds of ammunition in his bandolier, he carried ten rounds in the .303 rifle slung over his shoulder and another 50 rounds in pouches on his belt, which also supported the bayonet and scabbard.

The horse was carefully fitted with the special military saddle, designed to carry a remarkable array of equipment with the least possible discomfort. The saddle was built on a pair of felt-padded wooden “bars” which sat on either side of the horse’s spine. These were joined by steel arches with a shaped leather seat laced between them. The same basic design had been used by the British army for many hundreds of years. Each century had improved it.

Now, when many experts believed that the day of the mounted soldier was past, this saddle would help men and horses achieve what had seemed impossible.

Across the front was strapped a rolled greatcoat and waterproof ground sheet. Mess tin, canvas water bucket and nosebag with a day’s grain ration, were slung at the back of the saddle. There was also a heel rope, removable length of picket line and a leather case with two horseshoes and nails.

The man’s blanket was sometimes carried in a roll, more often spread under the saddle on top of the saddle blanket or “rug”. Most men added to this collection of equipment a billy and a tin or enamel plate.

Later in the war, troopers were issued with leather saddle wallets to strap at the front of the saddle. Some also received swords and leather rifle “buckets” or scabbards. Often, the horse carried an extra bandolier of ammunition around its neck, a large grain sack (called a “sandbag”) strapped across the saddle wallets, and an extra nosebag slung behind.

When fully loaded, Wallers often carried between 130 and 150 kilos. And, in the years of war to come, they would have to carry these huge loads for long distances, in searing heat, sometimes at the gallop, sometimes without water for 60 and even 70 hours at a stretch.

In the first days of the war, even men who had owned horses since early childhood could hardly imagine the bond that would grow between man and horse as each came to depend on the other for their very lives.¹

¹ The Australian Light Association www.lighthorse.org.au

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 15 June commencing at 8:00pm at the Dunkeld Museum.

Opening Hours: The Museum is open every Sunday and on public holidays from 1.00pm to 5.00pm, and also from 10.00am on the first Sunday of each month.

Museum Duty: The following volunteers are on Museum duty from 1.00pm – 5.00pm on:

<table>
<thead>
<tr>
<th>Sunday</th>
<th>Monday</th>
</tr>
</thead>
<tbody>
<tr>
<td>7 June</td>
<td>8 June</td>
</tr>
<tr>
<td>Bek Kay (10am-1pm), Tony Williams &amp; John Kay (1pm-5pm)</td>
<td>Wendy Williams &amp; David Gordon</td>
</tr>
<tr>
<td>Joyce Gordon &amp; Heath Funk</td>
<td>14 June Joyce Gordon &amp; Heath Funk</td>
</tr>
</tbody>
</table>

If you are unable to carry out your duty on your rostered day could you please contact one of the other volunteers to arrange a swap.

(No table service but welcomed to sit around the courtyard with some Spanish music)

Start from 6pm till 8:30pm

For phone orders please call: 5577 2663

97 Martin Street, Dunkeld, VIC
FUNDING AVAILABLE FOR SENIORS WEEK EVENTS

Are you hosting an event or activity during Seniors Week 2015? Applications are now open for Seniors Week 2015 Community Activity funding!

Seniors Week is a special time of celebration for the Southern Grampians Shire. Held in October, events and activities across Shire will acknowledge senior members of our community and show appreciation for their valued contribution to society.

Seniors week aims to:

- recognise and thank seniors for their contribution to the community
- promote intergenerational activities linking seniors to the community
- facilitate artistic, cultural and celebratory expression within the community
- engage seniors in a variety of activities and initiatives that encourages active ageing

Southern Grampians Shire Council invites community groups and organisations to apply for funding to help meet the cost of hosting seniors week events and activities. Community Activity funding of up to $500 is available as a contribution towards a new, existing or already planned event or activity. Applications are strongly encouraged for events aimed at seniors who would not normally participate in Seniors Week activities or events, or toward those who are at risk of becoming socially isolated.

If you would like to discuss your idea please contact Jane Coshutt or Carol Byrne at Southern Grampians Shire Council on 03 5551 8480. Further information about the Community Activity funding for Seniors week events and application forms can be found on Council’s website www.sthgrampians.vic.gov.au

Applications close at 5.00pm, Friday 26th June 2015. Community groups in the Southern Grampians Shire are reminded that they can access a range of grants from Council to support their activities through the Greater Grants program. The categories are Events, Infrastructure, Environment and Sustainability, Community Strengthening, Arts & Culture and Heritage. Grants of up to $15,000 are available and can be lodged all year round. Guidelines for the Greater Grants program are available on the Council website, or by contacting Customer Service on 5573 0444.

COMMUNITY SERVICES
CHC30212 and CHC30408
Dual Certificate in Aged Care and Disability

This dual qualification develops the skills and knowledge to enter the workforce as a personal carer or support worker. Cross crediting of five units shortens the time it takes to achieve the dual qualification and reduces course fees. Successful completion will deem students eligible to apply; at no further cost, for a third qualification; CHC30312 Certificate III in Home and Community Care.

Also available
CHC30212  Certificate III in Aged Care
CHC30408  Certificate III in Disability
CHC30312  Certificate III in Home & Community Care

This training is delivered with Victorian and Commonwealth Government funding, eligibility criteria applies – refer to website for fee structure.

Courses commencing on Monday 13th July – 31st December 2015.

To register for a selection interview or more information contact our reception staff.

I Will Be is an avenue for you to discover what is most important to you and to help you find your way to achieving your goals. I Will Be provides you an opportunity to discover, learn, live and achieve for YOU. As a Certified Food and Wellness Coach and Personal Trainer, you will be supported and guided through coaching techniques to LOVE THE LIFE YOU LIVE.

Small group fitness sessions are going well with places still available in the following sessions for the remainder of the Term: Monday 6:15pm (1); Tuesday 6.15am (1); Thursday 6.30pm (2) - strictly a maximum of 5 people per session.

Sunday May 17th saw our We Run For Fun team represent in our first event and it was fantastic! Eight of us ran in the Great Ocean Road Half Marathon, from Kennett River to Apollo Bay. The weather was absolutely perfect and the views were stunning! We all entered the event to achieve personal goals - in most of our cases just to cross the finish line - and that we did! A massive shout out to our local runners - Belinda Walsh, Ally Gordon, Hayley Glover, Sarah Gordon and Allison Griffin (nee Gordon) - for all of these ladies, this was their first half marathon and I think I can quite confidently say they had such a great time, there will be another one on their radar! The We Run For Fun running group continues to train together on Thursday mornings throughout the School Terms - for more info, get in touch! Running training that is not 'just going out for a run'!

WHAT IS WELLNESS COACHING?

Have you ever wondered what creates the gap between what people say they want and what they actually do?

Wellness Coaching can close this gap. Combining theory from Coaching Psychology, Behaviour Change and Positive Psychology, we help clients overcome resistance to change by using a step by step, structured approach. Wellness coaches support clients in working out what they want, why they want it, what's stopping them and only then together create a plan for action.

Through this supportive relationship, Wellness Coaches empower their clients with focus on facilitation, rather than prescription. The client then takes responsibility, feels more confident as they experience small successes and ultimately achieves more significant change than they would on their own.

Wellness Coaching available by appointment. Group Coaching sessions coming next Term - please express your interest by contacting me with your email address so you don't miss out!

GARDEN NOTES - JUNE
Main plantings during June are late cabbage, broccoli and cauliflower also onions, peas and broad beans. June is also a perfect time to plant new roses, fruit trees and deciduous ornamentals.

One of the main winter gardening jobs is rose pruning, which may be done between early to mid-June through to late August.

The main purpose of rose pruning is to remove dead, old or diseased wood, to shorten healthy branches to promote new growth (flowers are produced on new growth) and to keep the bushes to a manageable size and shape. Make sure that your secateurs are clean and sharp and use a pruning saw (not a carpenters saw) for cutting thick woody stems.

With bush roses, cut out all dead, yellowing and obviously diseased wood, also any thin and weak stems and those which rub against each other or are too crowded. Leave the strong stems and shorten them by approximately one third to one half of the original length, cutting just above a plump, firm bud pointing in the direction in which you wish the stem to grow.
Floribunda (cluster flowered) roses are usually pruned a bit harder than bush roses. Standard roses are pruned in the same way as bush but cut each stem to an outward pointing bud to avoid overcrowding the centre of the plant.

Climbing roses require slightly different treatment, a light prune in winter and the main pruning after flowering in spring, removing old dead and weak canes and shortening the remaining ones.
Miniature and ground cover roses can be easily trimmed with a pair of hedge clippers, as can shrub roses.

After pruning, any cuts larger than approximately 25mm in diameter should be sealed with a sealing compound to prevent the entry of insects or disease spores. As well, any rootstock growth (thin, vigorous shoots with small leaves which arise from below the crown of the plant) should be completely removed. All prunings should be disposed of promptly by burning or carting to the rubbish tip.
Happy Gardening.

YOU'RE INVITED TO THE GREATER HAMILTON ECONOMIC FORUM

Shire residents are invited to attend the Greater Hamilton Economic Forum, a joint initiative of National Australia Bank (NAB) in Hamilton and the Southern Grampians Shire Council.

Attendees will hear from guest speaker Tom Taylor, NAB Head of International Economics. Tom will provide a review of the State and Federal budgets covering key issues, highlights and impacts on the Greater Hamilton region.

Federal Member for Wannon Dan Tehan will also be present to provide insights into Agriculture in North Asia and the impact of the North Asia Free Trade Agreements on South West Victoria.

The new Free Trade Agreements can offer significant advantages for your business in the Asian market. Senior Agribusiness Manager for NAB Asia, Laura Mattiazzi will also be available on the day to answer any questions about doing business in Asia.

This forum is aimed at providing the business community, the agricultural sector (including primary producers and agricultural advisors including those involved in services to agriculture) and those interested in gaining a further understanding of not only State and Federal economic issues but on the opportunities that have arisen following the new Free Trade Agreements with China, Japan and Korea. NAB Regional Agribusiness Manager, Liz Duncan, said, "At NAB we are committed to bringing insights to our customers to help them respond to current economic conditions and take advantage of business opportunities.

The Greater Hamilton region is well placed to take advantage of domestic and international agribusiness opportunities, and I’m looking forward sharing our insights with the community at this event." Member for Wannon, Dan Tehan said “there’s growing demand across Asia for Australia’s world class goods and services; the opportunities are there for the taking, and if seized upon, will help create jobs, build our economy and lead to greater prosperity for everyone. I would encourage everyone to attend the forum so that you can be equipped with information on how to make the most out of the FTA’s secured by the Coalition Government.

The forum is being held at the Hamilton cinema on Tuesday 9 June and will run from 9:30am til 2pm. Morning Tea and lunch will be provided. RSVPs are requested by 1 June to Sarah Earll at NAB on 03 5551 0705 or Sarah.J.Earll@nab.com.au

Can You Help?
Stephanie Alexander Kitchen Garden
Fundraising Program

We will be providing catering services for the Glenelg Hopkins CMA Woodland Bird Forum to be held on Thursday 18 June at the Dunkeld Community Centre – Sterling Place at 6.00pm.

If you are able to help with any of the following please fill in and return the slip below to the Dunkeld Consolidated School or email to Clare Kennedy at ckcatering@bigpond.com BY FRIDAY 5 JUNE 2015.

We thank you for your kindness, generosity and continued support for the Stephanie Alexander Kitchen Garden Program at the Dunkeld Consolidated School and we thank Glenelg Hopkins CMA and the Panyabur Landcare Group for this opportunity to raise funds for our program.

Thank you.
SAKG Team - Ann Howard, Lisa McIntyre and Clare Kennedy

STEPHANIE ALEXANDER KITCHEN GARDEN PROGRAM FUNDRAISER – THURSDAY 18 JUNE

Please complete and return this form to school (or Mrs Clare Kennedy) BY FRIDAY 5 JUNE
