 Term 4 Monday 6 October to Friday 19 December

CANTEEN ROSTER

- Thurs 15 May Bev Hampton & Vicki Heazlewood
 Mon 19 May Annette Huf & Lisa McIntyre
 Thurs 22 May Eda Williamson & Dinah Gordon
 Mon 26 May Sam Morelli & Lucinda Peterson

FORM/S ATTACHED TO THIS NEWSLETTER

- EdAlive flyer – orders and monies due in by Friday 16 May**
Invitation to the school and general community to attend the Open Morning on 22 May 2014.

FROM Mr Paul Jeffreys, Principal...

Every Thursday at our school, we are blessed with something special. It's SAKG Day; that is, Stephanie Alexander Kitchen Garden Day. Our school is a hive of activity on these days as children and grown-ups cook and garden together. I know and understand that some people might wonder about the educational value of such a program. There are things the children do all the time during this program that are relevant, real life and purposeful. Children are carefully reading and measuring all the time during their sessions. They problem solve, interact and make decisions that help them to develop their understanding of cause and effect. If you make it meaningful and important to the children, they will learn just about anything and they learn it better.

There are two things that make the SAKG unique. Firstly, when you walk into the kitchen where children and adults are working together (cooking and preparing, measuring and reading,) one quickly senses an atmosphere or tone not found in any classroom. Some children behave in a 'different' way in the kitchen. You see a different side to them. In the garden it is similar. The other thing that is special is the people who come to help. We have older people; parent aged people and even a teenager. A number of these people don't necessarily have children or grandchildren at our school. This is the magic... we have all of these people from 7 to 70 working and learning together and it makes me reflect and wonder about the good in all of that.

Our SAKG program has been running and surviving on start-up funding since it began in 2011. That funding stops at the end of this year. We have a challenge in front of us, to ensure that people in our community can continue to come together to share a little piece of one another's lives. We will be looking to fund this program on our own. It cannot be done alone by School Council or Parents and Friends who already fundraise for camps, computers, excursions, resources and more. We need to look beyond our already stretched sources of support.

There are some good people who will be meeting soon to find a way forward. I hope all of you readers will find some interest in the Stephanie Alexander Kitchen Garden journey as it unfolds in the weeks and months ahead.

ATTITUDES TO SCHOOL SURVEY

Our school has just completed conducting a survey to find out what your child thinks of our school. The Attitudes to School survey is an annual survey for Years 5 and 6 students offered by the Department of Education and Early Childhood Development (DEECD). It is designed to assist schools in gaining an understanding of students' perceptions and experience of school. Our school has used previous survey results to plan programs and activities to improve your child's experience at school. The survey results will be reported back to the school at the end of July and will be communicated to parents through annual reporting. The 2013 results have led the school to evaluate and plan for new teaching and learning initiatives for 2014.

SCHOOL TRAFFIC REMINDER

We request that all cars dropping children off or picking up do so on the school side of the road, and that you arrange for children to exit cars on the passenger side of vehicles. After children have been dropped off, we require traffic to move up towards the cricket ground entrance before making the U-turn back towards the township.

CONDOLENCES

We have been deeply saddened to hear of the passing of Julie Ledwidge, mother of Harry Wilkie. During this difficult time for Harry and his family, communication with the school had not been easy. We were able to support Harry and his mother whenever possible over the course of Julie's illness.

At this point in time, we are unsure if Harry will be returning to our school. Our thoughts and sincere condolences go out to Harry and those close to him and his family.

PARENT PAYMENT CHARGES 2014

Reminder that the 2014 Parent Payment is now due and payment can be made at any time:

Prep & Year 1	\$170.00 per student
Years 2 – 6	\$180.00 per student

If you receive an eligible Centrelink benefit and a Health Care Card or pension card, you may be entitled to the Educational Maintenance Allowance (EMA). Please contact the office for further information.

REGIONAL ATHLETICS CHAMPIONSHIPS

Congratulations to Rory Charles who has qualified to compete at the Regional Athletics Championships in Ballarat later this year in the 200 metres (10 years old).

YEAR 2 STUDENTS – EGGS REQUIRED

Year 2 students are required to bring two eggs to school for use in an experiment on Thursday 22 May during 'Education Week'.

HOUSE CROSS COUNTRY

This event took place on Tuesday afternoon in fair conditions. Our students ran their hardest and did their best for their team. On the day there were 48 Sturgeon competitors and 40 Wannan competitors. The scoring for this event works on the basis of one point for 1st, 2 points for 2nd and so on up to whatever the number of competitors is for the age group. So, if there are 12 competitors the points go from 1 point to 12 points. The team points are tallied and this total is divided by the number of competitors. This creates an average score per participant.

This year the results were: Sturgeon: 5.5625 and Wannan 5.325. Congratulations, Wannan House!

Age Group Champions were:

6yrs and under:	Luka Tuhakaraina	Angus Frost
7yrs:	Maddi Calvert	Alexander Prentice
8yrs:	Ella Jackson	Thomas Calvert
9yrs:	Sarah Symes	Ben Potter
10yrs:	Julia Kelly	Vincent Huf
11yrs:	Jessica Field	Jesse Symes
12/13yrs:	Merielle Encabo-Patullo	Hugh Roache

The other Cross Country date for this term is the Zone Cross Country at Albert Park in Warrnambool on Wednesday 28 May. Students will be informed if they have been invited to this.

DISTRICT CROSS COUNTRY

The following students qualified to compete at the District SGSSA Cross Country in Tarrington:
Sarah Symes, Brooke Hill, Olivia Mirtschin, Ella Jackson, Ben Potter, Sam Cullinane, Julia Kelly, Anna Schurmann, Vincent Huf, Zac Burgess, Oliver Fenwick, Jessica Field, Jemma White, Jesse Symes, Hugh Roache, Liam Fenwick, Brendon Paterson.

On Friday 9 May Dunkeld Consolidated School was proud to bring back the District Shield to Dunkeld following a sterling performance by our 17 runners who participated on the

Tarrington course. This picturesque track has the challenge of some hills and wooded country to negotiate.

Well done to all our children and of particular note is the fact that all completed the distances. Many thanks also to the parents who were able to attend assist with the event.

Placegetters from Dunkeld:

9yrs: 1st Sam Cullinane, 2nd Ben Potter
2nd Sarah Symes, 3rd Ella Jackson

10yrs: 1st Vincent Huf, 2nd Zac Burgess
3rd Julia Kelly

11yrs: 2nd Jessica Field

12/13yrs: 1st Hugh Roache, 2nd Liam Fenwick,
4th Brendon Paterson

NATIONAL ASSESSMENT PROGRAM – LITERACY AND NUMERACY (NAPLAN) FOR 2014

NAPLAN testing will involve all students in Years 3 and 5 only. *Please try and ensure that your child is present on each day where a test is scheduled.* Dates for this year's NAPLAN Tests are as follows:

Tuesday 13 May NAPLAN Writing Test
Wednesday 14 May NAPLAN Reading Test
Thursday 15 May NAPLAN Numeracy Test

ART ROOM – SMALL BOXES REQUIRED
Small boxes are required for the Art Room e.g. matchboxes, soap boxes etc. Boxes are to be smaller than an Arnott's Shapes (biscuit) box.

MOTHERS DAY STALL

The Social Service Mother's Day Stall was held on Friday 9 May. Many thanks for all the donations and to those who helped with the running of the stall. There were many great gifts I'm sure Mums would have loved receiving on Sunday.

EDUCATION WEEK AND OPEN DAY

Education Week this year will be held from Sunday 18 to Saturday 24 May. To celebrate Education Week, we will be having an Open Morning where all classrooms will be 'open for visitors' from 10:00am – 11:00am on Thursday 22 May. Students will be working together to meet scientific challenges and problems as part of this year's theme, *Scientists do amazing things!* This will be followed by morning tea. After morning tea, we will have Kitchen and Garden Classes running. We encourage visitors to stay and have a look at the wonderful programs our school has to offer.

There will also be an Open Morning in the Prep class and tour of the school specifically for Kindergarten parents on Wednesday 21 May from 9:15am – 10:00am.

SCHOOL WORKING BEE on Sunday 1 June
The first of two annual Working Bees will be held on Sunday 1 June commencing at 10.00am to undertake school maintenance. A job list will be sent home in the near future. *Please come along and help keep our school looking great!*

WILDLIFE VISIT ON WEDNESDAY 4 JUNE

Ben Gaylard from Dunkeld Pastoral Company will visit the school along with some furry friends - Squirrel Gliders, Tiger Quolls and Eastern Quolls. He will be visiting the school on Wednesday afternoon, 4 June, to talk to the students about these animals, and tell them how the Dunkeld Pastoral Company is working to build up their numbers through their captive breeding program, to then hopefully release some of them back into the bush.

Ben has received a grant from the Southern Grampians Shire Council to create nesting boxes for Feathertail Gliders and Sugar Gliders. These boxes will be put up trees, on the side of Mount Sturgeon, along Salt Creek and in the Dunkeld Arboretum. He will be working with our students, as they will be helping him make the nesting boxes during their garden classes on Thursdays.

From the Kitchen Garden...

As part of our transition program for Year 2 participating in Kitchen classes for 2015, a Year 2 Kitchen class will be held on Thursday 5 June while our Year 3/4 students celebrate music at the Hamilton Eisteddfod. This presents a wonderful opportunity for our Year 2 students to experience harvesting, preparing and sharing a meal together. Students are asked to bring \$3.00 to cover the cost of lunch.

Year 2 parents are invited to help in the Kitchen that day arriving at 11.15am for a quick briefing and finishing at approximately 2.00pm.

Please contact Gaylene Raymond in the office on 5577 2384 **by Monday 19 May** if you are able to help. Due to safety concerns we are unable to accommodate younger siblings. *Clare Kennedy, SAKG Kitchen Specialist*

KITCHEN - THURSDAY 15 MAY 2014 – YEAR 5 and 6	
11.15am – 2.00pm	Sandy Roache, Sally Graham, Kathy Young, Mariko Horn
KITCHEN - THURSDAY 22 MAY 2014 – YEAR 3 and 4	
11.15am – 2.00pm	Melissa McIntyre, Liz Hinchey, Elaine Schurmann, Kelly McNaughton, Pauline Yule

GARDEN - THURSDAY 15 MAY 2014	
11.30am – 12.30pm Grade 3/4	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Paul Callander, Liz Hinchey
12.30pm – 1.00pm Grade 2	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Paul Callander, Liz Hinchey
1.00pm – 1.30pm Grade 1	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Paul Callander, Liz Hinchey
2.35pm – 3.20pm Grade 5/6	Trish Symes, Brian Mathews, Iven Field, Herman Jansen, Pat Learmonth, Heather Cash, Liz Hinchey

GARDEN - THURSDAY 22 MAY 2014	
11.30am – 12.30pm Grade 3/4	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Val Peters, Sarah Crawford, Karyn Hassett, Heather Cash, Annette Huf
12.30pm – 1.00pm Grade 2	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Val Peters, Sarah Crawford, Karyn Hassett, Heather Cash, Annette Huf
1.00pm – 1.30pm Grade 1	Trish Symes, Helen Hanson, Iven Field, Deb Fenwick, Val Peters, Sarah Crawford, Karyn Hassett, Heather Cash, Annette Huf
2.35pm – 3.20pm Grade 5/6	Trish Symes, Brian Mathews, Iven Field, Herman Jansen, Heather Cash

We have just finished harvesting a beautiful crop of tomatoes – the last tomato plants were removed today, with the green tomatoes going into pickles (thanks Clare!). Also picked were capsicums, radishes, basil, chives, potatoes, parsley, zucchini and eggplants. We have sown and planted onions, carrots, peas, beans, parsley, lettuce, silver beet, dill, garlic chives, broccoli, cabbage, garlic, cauliflower, hollyhocks, violas and violets. By having let some plants run up to seed, we have many volunteer celery, coriander, lettuce, radish and silverbeet seedlings appear, and they always seem to be the strongest and healthiest seedlings.

We have many people to thank for helping us over the last few weeks. Ivo McLaughlin has again grown many beautiful brassica seedlings for us, and Brian Mathews has very generously donated a "chook tractor" that his grandson had made for him. This is the perfect size to fit over the raised

garden beds, so today, after the tomatoes were removed, we placed the "tractor" on top of the bed and put five energetic chooks in it, to scratch and turn the soil, eat the left over plants and some insects, and fertilize the soil with their droppings. It worked really well, and the chooks had a ball! Iven Field took home the three non-starting push lawn mowers, and got them working again – fantastic!

Thank you also to those very generous people that have been sending in pots, tools, seeds and seedlings, we accept anything graciously, and in turn, invite you to take a few coriander, celery, silverbeet or radish seedlings!

Following our mantra of "Reduce, Reuse and Recycle", in the next few weeks the children will be working with Annette Huf, reusing items that would normally be thrown out in the rubbish, and turning them into works of art for the garden. Just wait til you see the results!

The help and support that our Garden Friends have been giving us is fantastic – some mornings we have up to eight Friends, meaning that some groups can be as small as 2 or 3 children. This is a perfect situation! If you would like to come and see how it all works, please contact me, or visit us on Thursdays.

We hope you (safely!) received your violet plant for Mother's Day; the children learnt how to divide a couple of larger violet clumps up into smaller plants and care for them over the last six weeks. This is a cheap and easy way to make a living present – two clumps of violets were divided into 120 smaller plants!!! Could be a good way to earn some money.....?

Our supply of sheep, chook and horse poo and straw has just about run out, if you are able to donate anything to the school garden, we would be very grateful! Please contact me on 5574 9235.

Lisa McIntyre, SAKG Garden Specialist

Wanted, Wanted, Wanted

Our school garden is looking a little drab, and so we plan to brighten it up with some wonderful and quirky pieces of student-created art works. We will create amazing things out of seemingly nothing – namely recyclable "rubbish". Just wait 'til you see them!!

But - we need your help! Over the next few weeks, please wash and send in:

- Plastic coloured lids of all shapes, sizes and colours (e.g. from milk bottles, honey tubs etc).
- Tins (e.g. fruit and spaghetti tins, labels removed)

Please place in the box provided inside the School Kitchen.

Thank You!

Lisa McIntyre and Annette Huf

SOCIAL SERVICE STALL

Students were able to purchase some lovely gifts for Mum at the Social Services Stall on Friday 9 May. A total of \$318.70 was raised from the stall and the raffle raised \$179.05 – a grand total of \$497.75. A special thank you to Corinne Smith who volunteered her time to run the raffle. Thank you also to Jan Steff for her donations to the raffle. Jan has been a regular at our Social Services Stall but unfortunately was unable to attend this time around. All donations were very much appreciated. The winners of the raffle were:

1 st	Cherries print	Matthew Calvert
2 nd	TV blanket	Adam Crawford
3 rd	Digital picture frame	Will Kent
4 th	Ceramic herb set	Xanthe Huf
5 th	French press Café set	Thomas Calvert
6 th	English Breakfast tea/teapot	Aleisha Cross
7 th	Four mugs	Sophie Darroch
8 th	Mama Mia recipe book	Sam Cullinane
9 th	Memories frame	Merielle Patullo Encabo
10 th	Sandalwood pack	Jonah Morganti

11 th	Heat Pack	Zarli Hassett
12 th	Natural Pack	Ellen White
13 th	Polar Fleece blanket	Oliver Fenwick
14 th	Pomegranate pack	Ashleigh McNaughton
15 th	Photo coasters	Addison Linskens
16 th	Photo coasters	Edward Williamson
17 th	Garden pack	Archie Gordon
18 th	Garden pack	Julia Kelly
19 th	Garden pack	Brodie Reynolds
20 th	Our Cookie jar	Bailey Dewan-Holmes
21 st	Anne Geddes Album	Isabel Hanson
22 nd	Coffee mug	Angus Frost
23 rd	White frame	Josh Hill
24 th	Pink frame	Jessica Field
25 th	Gift cards	Lucy Calvert
26 th	Candle	Natalie Featherston
27 th	Candle	Olivia Mirtschin
28 th	Pink apron	Grace Potter

P & F NEWS

Caulfield Grammar School Visit: On Thursday 8 May we hosted students from Caulfield Grammar. The Grammar students performed for our students, entertaining them with their musical talents. The P & F provided a barbecue lunch and supper for the students. A very big thank you to all who made donations of food and items and to those who volunteered their time to prepare, serve and clean up.

Mother's Day Street Stall: On Saturday 10 May, the P & F held their annual street stall. There was a great variety of food and produce donated by the school community. Thank you to all who donated and to our volunteer "sales staff". We raised \$730.00 from the stall and raffle, which will go toward the cost of the bus hire for the end of year whole school excursion. The Mother's Day raffle (hamper) was won by Mrs Judy Warne, Dunkeld.

2014 Events Calendar:

Date	Event	For
02/06/14	P & F Meeting @ 7.30pm	
09/06/14	Serra Terror Catering	Fundraising

PUPIL FREE DAYS

School Council has approved the following Pupil Free Days: Friday 30 May and Tuesday 10 June.

HUGE SAVINGS ON EDALIVE SOFTWARE

EdAlive has announced the new Complete Learning Initiative (CLI) to give families the opportunity to use the same software at home that we have licensed for use at school.

An EdAlive leaflet has been included with this newsletter. **Please return your orders to school by Friday 16 May. Please make cheques/money orders payable to EdAlive.**

BAIMBRIDGE COLLEGE PRINCIPAL TOURS 2014

COME ALONG AND SEE WHAT WE CAN OFFER YOUR CHILD
IN YEAR 7 AND BEYOND.

TUESDAY MAY 20

9:30AM - 10:30AM AND 12NOON - 1:00PM

TO BOOK PLEASE PHONE 55 722 788.

*****SCHOLARSHIP REMINDER*****

Scholarship applications are due on
Friday May 23, please hand in to the office.

CATHOLIC CHURCH REFURBISHMENT

Over the years there have been many plans for the refurbishment of St Patrick's Church. After several false starts, the congregation had a meeting in July 2013 and decided we needed to take ownership of this refurbishment and came up with a long list of things that needed attending to.

So with great enthusiasm the first project was started, updating the toilet block. With a very simple plan and a lot of hard work by many people, the toilet block was transformed into the outstanding modern facility we now have. Then the simple idea of moving the front fence and reusing it, also with the luck of finding that little bit extra needed to finish off the length of the side fence line.

Tackling the removal of the trees in the immediate vicinity of the Church building, along with fixing the spouting and drainage, as well as cementing around the church were important issues that have been attended to. All these actions should add stability to the church foundations to ensure that the Church stands firmly for the years to come.

On the practical side of things we needed to improve access to the church, the old, broken footpaths were removed and a new level footpath was formed along with a driveway allowing easier access to the buildings.

We have been repainting the doors into the church, but some further repairs are needed on these, as well as extra work on the levelling of the block and planting some trees which will transform the surroundings of the Church.

From clearing away trees and shifting fences to renovating the toilet block and extending the footpath, our committed team of volunteers have proven that anything is possible with a lot of enthusiasm and a just as much faith. All of St Patrick's Congregation wish to thank the volunteers, tradesmen and helpers for all that they have contributed towards our wonderful little church. Thank you.

COMMUNITY NEWS & MEETINGS

DUNKELD PUBLIC LANDS COMMITTEE INC

Caravan Park We started to put some more power underground last week, but it got too wet to finish. Hopefully it will be completed soon. The new unit has had considerable use. We have received a grant of \$5000 from DEPI. This is to renovate the bathroom area in the original cabin.

Salt Creek We have had a busy couple of weeks. Katherine and Josh from Community Volunteers organised 8 groups of Year 8 students from Ivanhoe Grammar. They worked extremely hard and removed briar rose, hawthorn, boxthorn, ash, shiny leaf, plum, poplar and elms. The DPLC is very grateful for their work and I hope Dunkeld residents appreciate their efforts.

I also thank Doug Fleming, Herman Jansen, Joy Darroch, David Hampton, David Gordon and Brian Mathews for assisting as group leaders and cutters of larger woody weeds. On the last day we had a small barbecue to thank Katherine, Josh and our band of helpers. Thanks Prustie for the barbecue.

John Smith, President

ON THE BEAT

What a difference a drop of rain makes. Suddenly, paddocks are being sown and the annual pilgrimage for wood has begun in earnest. Numerous vehicle and utes towing trailers with the hard earned redgum in the back. Whilst the days are cooler people are busier than ever trying to complete jobs before winter sets in. I wonder how the season will unfold this year.

This morning the Dunkeld Kindergarten visited the Police Station and it was a lot of fun. I don't think I'll ever be able to fit that many people into my police car at once! It was a pleasure to have the children visit and hopefully if they ever need help from the Police then they will feel comfortable and confident enough to do so. Thanks to Debbie Millard for organising the visit.

Just a tip hopefully that might help with parallel parking if you're in a town for those of you driving vehicles without rear view cameras. Have a look at the shop windows and quite often (although not always) you can see your vehicle reflection in the glass, either on the side of the road you're on, sometimes on the opposite side. If you're fortunate enough

you can see in the glass just like a mirror and it's very handy because you can see your vehicle as you're getting closer to another vehicle or object.

Thanks to Brendan Gordon, Peter Hinchey, David Hampton, John Kay, Lenny Kendall for helping clean up a tree that had fallen down onto Woodburn Street. Fortuitously, Brendan happened to be coming along the Old Ararat Road with the tractor and a redgum log on the forks to help out the Kindergarten. He turned around, off-loaded the log, and generously helped out and turned an hour job into about 10 minutes.

For those of you venturing into the Grampians, the tracks at the time of writing have been starting to get a bit greasier with the rain. There's also been a bit of roadwork/tree trimming occurring on the Red Hill Road, so just be watchful there as the gravel is a bit slippery.

Leading Senior Constable Bruce McNaughton

MIRRANATWA LANDCARE AGM

The Mirranatwa Landcare AGM will be held at the Mirranatwa Hall at 7.30 pm, Thursday 22 May.

Speakers will be local research scientists Deb Thiele (WA) and Marty Gent (CMA), both currently working on indications of Climate Change in the district and also south-west WA.

Open to all. Questions and supper will follow....also welcome.

Enquiries: Lisa McIntyre, Landcare facilitator, 5574 9235 or Iris Field, Secretary, 5574 0202.

DUNKELD & DISTRICT CWA

The Dunkeld and District branch of the CWA meet on the third Wednesday of every month. Contacts: Louise Patterson (President) 0438 740 212 / 5574 0248 or Katie Adams (Secretary) 0417 470 712.

Our next meeting is on Wednesday 21 May at 7.30pm.

DUNKELD MUSEUM UPDATE

Guest Speaker Meetings: A reminder that Guest Speaker Meetings are not held during the winter months (June, July and August). Our next Guest Speaker Meeting will be held on Monday 1 September.

On Monday 5 May, we were treated to an interesting and knowledgeable speaker, Mr Peter Bakker, from Hamilton. Peter spoke passionately about militaria with a focus on medals and medal ribbons. It was a fascinating and detailed presentation and Peter had on display many medals and medal ribbons from his huge collection, for the audience to view. He was also able to assist with general enquiries about medals that some members of the audience and the Museum had brought along to the meeting.

Peter also generously distributed copies of his recently launched booklet, *Fighting for Country*, which honours Aborigines from South West Victoria who served Australia during war time.

Annual Membership: A reminder that annual membership of \$10.00 is now due.

Committee Meeting: Our next monthly Committee Meeting will be held on Monday 19 May commencing at 8:00pm at the Dunkeld Museum.

Germaine Family: The Dunkeld Museum recently received an enquiry from Claire Monod who is researching the Germaine family. Two of Frederick and Ernestine Louisa Germaine's (nee Kranz) young children, Mary (1863) and Francis

(1874), were buried in the garden of their stringy-bark home in the Victoria Forest. The burial site was formally incorporated in the DCNR Historic Sites Inventory in 1995. A group of Museum members, ably led by Leigh Gordon, accompanied Claire to the site to photograph the children's graves and the foundations of the old cottage, belonging to Frederick and Ernestine. A sincere thank you to Leigh for his assistance and expertise in locating the site.

Museum Duty: The following volunteers are on Museum duty from 1.00pm – 5.00pm on:

Sunday	18 May	Brian & Julie Hermann
Sunday	25 May	Wendy Williams & David Gordon
Sunday	1 June	Jeff Nagorcka & Rex Beveridge

If you are unable to carry out your duty on your rostered day could you please contact one of the other volunteers to arrange a swap.

Terrie Nicholson, Publicity Officer

FROM THE LION'S DEN

The Lions would like to congratulate the RSL for the way that the Anzac Day Service was conducted and to thank the people that supported the Lions sausage sizzle afterwards.

This year we had the same amount as sausages as last year but because of the huge increase in the numbers of people there we did not have enough. We apologise to those that missed out but what a great turn out.

After the service I was talking to some of the locals and the comment was made that our current policeman Bruce McNaughton could play the bagpipes, and that our previous man Dave Walkley could play football, so I was then asked what did I play?

My answer was "the only thing I could play was the fool".

But the sad part about it was I got paid to do it and got away with it for over 29 years."

Peter Hinchey

From the Kitchen Garden...

As part of our transition program for Year 2 participating in Kitchen classes for 2015, a Year 2 Kitchen class will be held on Thursday 5 June while our Year 3/4 students celebrate music at the Hamilton Eisteddfod. This presents a wonderful opportunity for our Year 2 students to experience harvesting, preparing and sharing a meal together. Students are asked to bring \$3.00 to cover the cost of lunch.

Year 2 parents are invited to help in the Kitchen that day arriving at 11.15am for a quick briefing and finishing at approximately 2.00pm.

Please contact Gaylene Raymond in the office on 5577 2384 **by Monday 19 May** if you are able to help. Due to safety concerns we are unable to accommodate younger siblings.

Clare Kennedy, SAKG Kitchen Specialist

2.35pm – 3.20pm Grade 5/6	Trish Symes, Brian Mathews, Iven Field, Herman Jansen, Heather Cash

We have just finished harvesting a beautiful crop of tomatoes – the last tomato plants were removed today, with the green tomatoes going into pickles (thanks Clare!). Also picked were capsicums, radishes, basil, chives, potatoes, parsley, zucchini and eggplants. We have sown and planted onions, carrots, peas, beans, parsley, lettuce, silver beet, dill, garlic chives, broccoli, cabbage, garlic, cauliflower, hollyhocks, violas and violets. By having let some plants run up to seed, we have many volunteer celery, coriander, lettuce, radish and silverbeet seedlings appear, and they always seem to be the strongest and healthiest seedlings.

We have many people to thank for helping us over the last few weeks. Ivo McLaughlin has again grown many beautiful brassica seedlings for us, and Brian Mathews has very generously donated a "chook tractor" that his grandson had made for him. This is the perfect size to fit over the raised garden beds, so today, after the tomatoes were removed, we placed the "tractor" on top of the bed and put five energetic chooks in it, to scratch and turn the soil, eat the left over plants and some insects, and fertilize the soil with their droppings. It worked really well, and the chooks had a ball! Iven Field took home the three non-starting push lawn mowers, and got them working again – fantastic!

Thank you also to those very generous people that have been sending in pots, tools, seeds and seedlings, we accept anything graciously, and in turn, invite you to take a few coriander, celery, silverbeet or radish seedlings!

Following our mantra of "Reduce, Reuse and Recycle", in the next few weeks the children will be working with Annette Huf, reusing items that would normally be thrown out in the rubbish, and turning them into works of art for the garden. Just wait til you see the results!

The help and support that our Garden Friends have been giving us is fantastic – some mornings we have up to eight Friends, meaning that some groups can be as small as 2 or 3 children. This is a perfect situation! If you would like to come and see how it all works, please contact me, or visit us on Thursdays.

We hope you (safely!) received your violet plant for Mother's Day; the children learnt how to divide a couple of larger violet clumps up into smaller plants and care for them over the last six weeks. This is a cheap and easy way to make a living present – two clumps of violets were divided into 120 smaller plants!!! Could be a good way to earn some money.....?

Our supply of sheep, chook and horse poo and straw has just about run out, if you are able to donate anything to the school garden, we would be very grateful! Please contact me on 5574 9235.

Lisa McIntyre, SAKG Garden Specialist

Wanted, Wanted, Wanted

Our school garden is looking a little drab, and so we plan to brighten it up with some wonderful and quirky pieces of student-created art works. We will create amazing things out of seemingly nothing – namely recyclable "rubbish". Just wait 'til you see them!!

But - we need your help! Over the next few weeks, please wash and send in:

- Plastic coloured lids of all shapes, sizes and colours (e.g. from milk bottles, honey tubs etc).
- Tins (e.g. fruit and spaghetti tins, labels removed)

Please place in the box provided inside the School Kitchen.

Thank You!

Lisa McIntyre and Annette Huf

Dunkeld & District Community Bank® Branch 

PROTECTION TAKES ON A WHOLE NEW MEANING

At the Dunkeld & District Community Bank® Branch we have appealed to people many times over to make sure they have adequate insurance cover for all of life's possibilities.

Protecting your biggest assets isn't just good business, its peace of mind. Your home, your health and your income ARE

your greatest assets and it's with that in mind that that Bendigo Bank has committed to donating proceeds up to \$2000 to 3 organisations operating within South West Victoria. For a limited time with each insurance policy taken through our Bendigo Bank branch YOU will get to decide, between the organisations chosen, where the donation is allocated. Watch our Facebook page to find out more on the organisations chosen or call our branch for more information on 5577 2488.

Dunkeld & District Community Bank® Branch 

SUPPORTING THE RCH: AS EASY AS A SWIPE OF THE CARD

Another development from Bendigo Bank has been the introduction of the *Community Choice Royal Children's Hospital Platinum VISA and Classic VISA Credit Cards*.

These Credit Cards are a great way to support the Royal Children's Hospital year round without impacting your own balance sheet.

Every time you shop using the Credit Card, Bendigo Bank will make a contribution to The RCH Foundation on your behalf. Find out more by calling us.

DUNKELD RSL SUB-BRANCH

RSL Membership: We invite ex-service men and women to be members and renew their membership to ensure the future of the RSL locally. If you are a relative of ex-service men or women you can also join the RSL. By becoming a member of the RSL you will be helping the welfare of disabled war veterans and supporting your local RSL Sub-Branch. Dunkeld RSL Sub-Branch members are reminded that annual subs are now due. Application forms are available from the Secretary/Treasurer, Terrie Nicholson on 5573 3353.

How you can help in the Centenary of the ANZAC: In the insane battle in 1916, the survivors of Gallipoli, divided into the 1st, 2nd and 4th Divisions were thrown into battle in Pozieres, France.

Six weeks later, all three Divisions had been destroyed, with a loss of life of 7,000 men (4,000 of whom were never found or identified) and 16,000 wounded. This is over 10% of the losses for Australia in the whole war, and it happened in only six weeks.

In the last 97 years these men have become forgotten, with all attention thrown on Gallipoli, Villers Bretonneux and Fromelles.

The battle is not commemorated by Australia, it is not taught in our schools, and the village – a village of 250 persons, funds commemorations every year. The Pozières Remembrance Association is building a Memorial Park in Pozières to be opened at the centenary in 2016.

We are seeking the help of all Australians to make the Memorial Park a reality. We are asking that you go to our web page www.pozièresremembered.com.au – read what we are trying to achieve, consider buying a brick and tell all your friends.

If you want to know more, please contact Barry or Von on pozières1916@bigpond.com or phone: (02) 6651 5687.

Finally I would like to invite **ALL** Australians to visit Pozières for the centenary in July 2016. Everyone is welcome, and there will be **NO BALLOT**. *Barry Gracey, President, Pozières Remembrance Association*

Terrie Nicholson, Secretary/Treasurer

CHILDREN WITH TYPE 1 DIABETES - ARE YOU CHALLENGED BY YOUR CHILD'S DIABETES?

University of Queensland are researching parenting children with type 1 diabetes.

The University of Queensland is conducting research into parenting children with type 1 diabetes. Parenting a child with diabetes presents many challenges (everything from the regular blood glucose monitoring and insulin intake, to more general parenting tasks). The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult, and to use this information to develop strategies that might assist parents in managing their child's diabetes.

If you are a parent of a 2 to 10-year-old child with type 1 diabetes, we would love to hear from you!

By sharing your experiences (confidentially), you will be making a valuable contribution to the development of much-needed childhood diabetes management strategies for parents.

To complete the online survey, please log on to: <https://exp.psy.uq.edu.au/type1diabetes>

For further information about the project or to request a survey to be posted to you, please email Aditi Lohan (aditi.lohan@uqconnect.edu.au) or call (07 3365 7689) at the Parenting and Family Support Centre in the School of Psychology at the University of Queensland, St Lucia QLD 4072 (Fax: 07 3365 6724).

Thank you for your time and participation.

Aditi Lohan, Alina Morawska, and Amy Mitchell
UQ Parenting and Family Support Centre

GARDENING NOTES

Main vegetable plantings during May includes cabbage and late cauliflower, also onions, peas, broad beans and turnips.

May to July is a good time to apply garden or agricultural lime to your lawns. This has many benefits including the breaking up of any surface soil 'crusts' which may form during the summer. Many lawn fertilizers will drop the soil pH into a range below that preferred by lawn grasses i.e. it will make the soil more acid, whereas lawn grasses do best in a neutral to slightly alkaline soil. Lawns which love lime dressing at least annually also have more earthworm activity and are less likely to have moss problems unless your lawn is shady or badly drained. Iron Sulphate mixed with water and sprinkled on your lawn will give temporary moss control.

As part of your ongoing fungus control program, your peach, apricot and nectarine trees should be sprayed with a copper fungicide when about half of the leaves have fallen – usually mid-May. Also don't forget to keep your fruit trees well watered during autumn as this is when next season's fruit buds are being formed.

May is a good time to begin your hydrangea pruning. All you need to do is to remove dead and weak growth as well as cutting to just above a good double bud, any shoots which produced flowers last season. If you wish to change the colour of your hydrangea flowers, you should commence treatment no later than May and continue regularly until flowering, acid soils produce blue flowers; alkaline soils produce pink while white does not change. Hydrangea blue fertilizer can be used to acidify the soil i.e. to change flowers to blue or to keep them blue, whereas Epsom salts or garden lime will keep them pink.

Now is an excellent time to plant citrus trees, lemon, orange etc. A sunny well drained position is required with your soil well loosened up and a small quantity of well-rotted manure added. Eureka, Lisbon and Meyer are the best lemon varieties for this district. Valencia and Washington Navel are the best orange varieties. Lime, cumquat, Mandarin, Tangelo and Grapefruit also olives are worth trying.

Happy Gardening - *Stephen Hughan*

HOST FAMILIES NEEDED IN JUNE/JULY 2014 EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS

IMPROVE YOUR LANGUAGE STUDIES AT HOME

Student Exchange Australia New Zealand is a not-for-profit organisation that is registered with all state and territory Departments of Education around Australia and with the Ministry of Education in NZ. We are the first and only secondary exchange organisation in Australia and New Zealand to be certified to ISO 9001 (Quality Management System) and we ensure the highest standards of care and support to our participants.

In June-July we will be receiving exchange students from Europe, the USA & Latin America. Our new arrivals will live with a host family and attend a local school for 2 or 10 months. As we plan for their arrival, we are looking for host families across Australia to welcome these students into their home.

Our students originate from a variety of countries. Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. You might even make a friend for life!

MARKETING FOR GROWTH

Big help Small business
Business.vic.gov.au

This workshop will help you to achieve your growth targets by identifying areas for improvement in communication, development of products or services and working more effectively to meet the needs of your target market.

Marketing for Growth has been developed for existing business owners planning to expand their business. Participants should have a good understanding of the market they are operating in and be looking to increase the effectiveness of their marketing activities.

How will this workshop help my business? You will learn how to:

- ♣ Match your product or service offering to customer needs.
- ♣ Identify areas where you need to improve your marketing and communication activity to achieve growth targets.
- ♣ Monitor and evaluate the effectiveness of your marketing strategy and activities.
- ♣ Develop comprehensive business and marketing plans designed to grow your business.

Full details are attached and you can book direct with Business Victoria or by ringing Sharon on 5573 0202.

FOX AND WILD DOG BOUNTY PROGRAM

The Victorian Fox and Wild Dog Bounty resumed on 3 March 2014. The aim is to encourage hunters to continue their vital contribution in the management of these destructive pest animals.

More than 243,000 fox scalps and 1,000 wild dog pelts were handed in between October 2011 and October 2013 with more than \$2.5 million paid out under the bounty.

Eligible participants can submit entire fox scalps at 21 designated collection centres and wild dog pelts at seven designated collection centres at scheduled times. Local collection dates as follows:

Hamilton	Depot, DPI Centre Mt Napier Road	Fox only	Wednesday 28 May	1.30pm- 3.30pm
Hamilton	Depot, DPI Centre Mt Napier Road	Fox only	Wednesday 25 June	1.30pm- 3.30pm

SPORTS REPORT

**GLENTHOMPSON DUNKELD
FOOTBALL NETBALL CLUB**

Both our footballers and netballers had mixed results in Rounds 2 and 3. We hosted Lismore Derrinallum at Dunkeld in Round 2, losing all three football games convincingly and also struggling on the netball court, with only our C Grade and Under 17 teams taking the points. It was a disappointing result after the encouraging opening to the season.

Round 3 involved a road trip to Ararat, in wet and cold conditions and thankfully the day was far more successful. Our senior footballers got back on the winners list, dominating the second half to run away with a solid victory which was all the more impressive considering the key players missing from the previous week's team. Juddy Coote continued his impressive season to date, and combined well with Matty Augustinus and Matt Wishart to dominate the midfield. James

Hayes did not look out of place on debut, and Dean "Jumbo" Jenkinson turned back the clock with some vintage ducking and weaving inside forward 50.

Unfortunately the absences from the seniors hurt the reserves, who were soundly beaten by a strong Ararat line up. Coach Nick Starkie did a great job just to get a team on the park, and the club is grateful for the support of some veterans who pulled the boots back on to help out in such ordinary conditions. Hopefully we will welcome some key players back in coming weeks.

The netballers also rebounded in Round 3, winning every grade in a fantastic day out at Ararat. The A Graders won comfortably on the back of great games from recruits Kate Wear and Sarah Alderman, and B and C Grade were also big winners. Our junior netball teams continued to impress, particularly the Under 17's who are undefeated after three rounds.

Auskick and Net Set Go continue to draw big numbers each week which is a fantastic sign for the future of football and netball at our club. Brad Mawson certainly has his hands full with over 40 budding footballers eager to impress each week. Assistance from parents makes life much easier and helps the kids get the most out of the session, so don't be shy in getting out on the ground to help out. Dinner is available each Thursday after Auskick, with cheap meals for both kids and parents.

Following a trip to Caramut on May 17 and a week off on May 24 our next home game is against Hawkesdale Macarthur at Dunkeld on May 31. This match will be followed by the RAMS Ball at Devon Park woolshed on the evening of May 31st. Please join us for what will no doubt be a fantastic event. See the flyer attached for further details.

DUNKELD MUSEUM ANNUAL MEMBERSHIP FORM

The Dunkeld Museum is a museum of social history of the Dunkeld district. The collection encompasses artefacts from settlement to recent times including exploration by Major Mitchell, history of the wool industry, the baking industry, telecommunications, the effects of the World Wars on Dunkeld district, links with Dunkeld in Scotland and various items of memorabilia. There is a substantial holding of information on some early families in the district and an extensive photographic collection.

The Museum is open to the public on Sundays and Public Holidays from 1.00pm to 5.00pm or by arrangement for groups and tours. Admission is \$5.00 per adult and \$3.00 per child. For access outside regular times please contact:

HELP DIVERT WASTE FROM LANDFILL

The Dunkeld Kindergarten has joined Terracycle Australia's Oral Care Brigade & Cleaner Packaging Brigade and is encouraging friends, family and the community to get involved.

ITEMS TO SAVE FOR TERRACYCLE COLLECTION BOXES -

ORAL CARE WASTE

- Toothpaste tubes and caps
- Toothbrushes (excluding electric)
- Floss containers
- Toothbrush, toothpaste & floss outer packaging
- Inter-dental brushes
- Stand up toothpaste bottle

CLEANING & BEAUTY PACKAGING

- Hand wash pumps
- Body wash pumps
- Shampoo/Conditioner pumps
- Beauty product pumps
- Cleaning product triggers
- Laundry liquid tabs
- Dish tabs plastic bags
- Beauty product tubes
- Face wipes packaging

Please collect accepted waste items and place them in the collection boxes located at Kelly & Henson

Terracycle is helping to divert difficult-to-recycle packaging & products from landfill. The Dunkeld Kindergarten will receive a small donation from Terracycle in return for offering this collection service to the community.

Any brand of products is accepted. Please make sure items are empty.

The list of accepted waste is very specific – similar items are not accepted. For example, face wipes packaging is accepted but baby wipes packaging isn't. This is due to the specifications of Terracycle's partners who help fund the Brigades. (In future, more types of packaging will be accepted as more partners get on board.)

Some of the accepted waste can be recycled through the shire collection service but it would be great if you get in the habit of saving items for the Terracycle boxes instead.

Spread the word - ask friends, family, clubs and colleagues to start collecting items too!

If you'd like to arrange a collection site or this flyer emailed to you please contact Kate Brian Telephone: 5577 2647 Mobile: 0408 150 175 Email: kate.enjo@outlook.com
