## STUDENT BANKING

If parents require a Commonwealth Bank or Bendigo Bank new account form could you please contact the Dunkeld Consolidated School office. Student banking will be held weekly and will commence on Tuesday 5 February.

### MISSING – SCHOOL RUGBY JUMPER

A new school rugby jumper (Size 10) belonging to Merielle has been missing since the 2012 Picnic Day. Could students please check their bags to make sure they haven't taken this jumper home by mistake.

## STUDENT ABSENCES

It is a requirement by the DEECD (Department of Education and Early Childhood Development) that the school be notified regarding any child absence. This has always been the case and most families have been complying through diary notes, phone calls etc.

Parents are encouraged to write a note in their child's diary if they have been absent from school for any reason. *If your child/ren is/are absent and a note is not sent through the diary, a separate form will be forwarded home for completion.*

## PEDESTRIAN SAFETY AT DUNKELD

An important message to parents and friends dropping students off at the Dunkeld Campus please do not impinge on the operation of the school buses. Please do not park in the roundabout when the school buses arrive or are due to arrive in the morning or when the school buses are in the school grounds loading children at dismissal time.

There are pedestrian gates either side of the main entrance gates. Please ensure your child uses the pedestrian gates if they are walking home. **Children should not use the main entrance gates.**

I ask for your cooperation as the roundabout has been provided to ensure the safety of children using school buses. As such we request that this area be kept clear at school bus times.

I ask that all parents, and especially parents of children new to the school, to remind their children of safe routes to and from the school buildings. You may wish to discuss where you will normally park to pick up your child and encourage him or her to use the safest route to reach you. Children must be in the care of parents when in the staff or visitor car park as this could be an extremely dangerous area.

I would ask all drivers to keep an eye out for our younger children who sometimes use the main entrance gates to leave the school ground.

## AUSTRALIA DAY

Students and families attended Australia Day ceremonies on Tuesday 26 January. Thank you to our Performing Arts Captain Gemma Hill (School Captains, Anna Kelly and Sophie

Schurmann were unavailable) for representing our students and school.

## SCHOOL SICKBAY

The Sick Bay is for first aid only. If a child is ill he/she will be sent home so please ensure you have provided the school with one, preferably two, up-to-date, emergency contact numbers of people who will be able to collect your child when you are not able to do so.

Sick Bay is equipped to deal with illness and accidents which occur at school. Please do not send children to school when they are obviously ill.

An ambulance will be called in the case of emergency so it is advisable to belong to an ambulance fund.

Please notify the school if the child's medical situation changes from that on the original enrolment form. We also need to be aware of any changes in names and phone numbers of all emergency contacts.

Should your child need specific medication it must be delivered to a member of staff (Principal, Bursar or teacher). This medication should be in a correctly labelled pharmacy container with all relevant information on it – student's name, name of medication together with concentration and dosage of that medication. It will be cared for by the teacher.

If a student needs Sick Bay attention during class time they will be sent to the Sick Bay and the office will be notified. When students first attend school they will be allowed to go to the Sick Bay with a friend.

## SCHOOL COUNCIL ELECTIONS 2013

## From the Kitchen Garden...

**Thank You:** On behalf of the school community, I would like to recognise and thank all those people that helped keep our garden alive during this very warm and dry Summer holiday. Without your help, our children would have come back to a very dry patch of dead plants, instead, they are greeted by healthy and well producing plants and trees. It is a credit to you all. As well as those families rostered on to water, we had many who just popped in to help. Unfortunately, I don't know who all those extras were, but we thank you all. Many families live out of town, and so had to travel in to water, so we also recognise that commitment from you. What a great community we live in!

## Conditions of Bus Travel – Safety Requirements

Moving passengers to and from school safely is our number one priority. It is up parents, principals, drivers and passengers to make the bus environment a safe one. To help promote safe school bus behaviour, parents are encouraged to discuss these guidelines with their children.

To ensure the safety of all passengers on school buses at all times the following conditions apply.

### To ensure safe travel on school buses, students must agree to the following:

- At the bus-stop do not play on the road or try to get on the bus before it has stopped.
- Make sure you and your belongings are inside the bus at all times.
- Do not throw anything from a bus window or have anything hanging out a window.
- Place bags and other belongings in the allocated storage areas.
- Get on and off the bus quietly and in an orderly manner.
- Stay in your seat while the bus is moving.
- Do not distract drivers with screaming, shouting or unruly behaviour.
- When you get off the bus only cross the road when the bus has left and it is safe to do so.
- No dangerous or flammable goods are allowed on the bus, for example aerosol cans.
- Seat belts must be worn where fitted.

### To ensure passengers are considerate to one another and their bus driver, they must agree to:

- In the morning, arrive at the bus stop 10 minutes prior to departure.
- Do not eat or drink while on the school bus.
- In the morning, let the school and driver know if you will not be riding home on the bus that day.
- Get on the bus service allocated to you. Do not change to one that will take you to a sports or social event.
- Use a standard conversational tone and do not call out to others on board or to passing traffic or people.
- Listen to the bus driver and bus captain. They are responsible for maintaining school bus safety and also have the authority to report any misbehaviour or vandalism.
- If you ride a bike to the bus-stop, please leave it in a safe and secure place. The Department of Transport and the Department of Education and Early Childhood Development are unable to accept responsibility for the safety of your bike.

Behaving inappropriately on a school bus places the safety and wellbeing of all on board at risk.

### Non-compliance with any of the above conditions may result in the following:

- The driver will stop the bus.
- The offender's name and full details of the breach will be recorded.
- The offender will be carried to school or to their normal drop-off.
- The breach will be reported to the coordinating principal.
- The coordinating principal will take disciplinary measures in accordance with the guidelines below.

In rare and exceptional circumstances – and only as a last resort – drivers are authorised to eject passengers from a bus. (Refer to Policy and Procedures for Contract School contract bus services in Rural and Regional Victoria, Section 8.3.)

### Following the report of a relevant incident, the coordinating principal who may take the disciplinary action below:

- First offence – verbal warning to student.
- Second offence – written warning to parent/guardian.
- Third offence – one week suspension of student from school bus travel.
- Fourth offence – the student will not be allowed to travel on the school bus for the remainder of the year.

### Responsibilities of Parents/Guardians

Parents/guardians are responsible for transporting their children to and from authorised bus-stops and for their safety at the bus stop while waiting for the bus. **It is most important that parents waiting for bus passengers at a roadside bus stop should wait on the same side of the road as the bus. This will prevent accidents.**

### 2013 AUSTRALIA DAY CEREMONY

The early start to the Dunkeld & District Lions Club's 2013 Australia Day ceremony held at the Dunkeld Memorial Park Cenotaph at 8.00am did not deter a large crowd from attending.

Well-known Dunkeld identity, Mr John Smith was the MC for the ceremony. Guest Speaker, Mr Danny McOwan, Director of the Hamilton Art Gallery presented the Australia Day address.

Southern Grampians Shire Councillor Peter Dark was also in attendance.

Gemma Hill, Performing Arts Captain from the Dunkeld Consolidated School proudly raised the Australian flag at the beginning of the ceremony while other students participated in the singing, ably led by Music Teacher, Mrs Heather Macgugan.

Mr Rex Beveridge from "Crombie" at Mirranatwa was this year's worthy recipient of the Australia Day Citizenship Award for his past and present service to the Dunkeld and district community.

John remarked, "Throughout his life Rex has shown those qualities that make our country and community great – friendship, service to others, and a sense of loyalty to his family and community."

While graciously accepting the award Rex said, "That without the help of my wife, Gaye and my family I would not have been able to be involved in so many community organisations."

On behalf of the Dunkeld and district community, Mr Peter Flinn, made a special presentation to long-time local resident, Mrs Joy Clarke, who was leaving Dunkeld to take up residence at the Gold Coast.

Community members were treated to an Australia Day breakfast (sausage sizzle) and a hot 'cuppa' in front of the Dunkeld Visitor Information Centre generously provided free of charge by the Dunkeld and District Lions Club.

## THANK YOU AND GOOD-BYE

I was overwhelmed with the cash in the envelope that I received as a community gift on Australia Day, everyone's hard earned cash! I sincerely thank you **ALL**; I really was speechless for a change and Peter Flinn made me sound something I wasn't.

*I have loved EVERY minute of EVERY day in Dunkeld, not to mention years!*

*To those we love and see each day  
And other loved ones far away,  
To all good friends  
Whose friendship means so much,  
Thank you for all the beautiful fun years together  
– bye, good friends, one and all.  
Love Joy Clarke and Bessie xoxo*

## Historical Aircraft Restoration Society (HARS)

Every Australian is aware that Sir Charles Kingsford-Smith (Smithy) (the man on the \$20.00 note) was the famous Australian that flew the mighty Southern Cross aircraft over the vast Pacific Ocean in 1928. But how many Australians know that he first fought in WWI as a runner on a motor cycle and then as a fighter pilot?

HARS is currently fully engaged in restoring to full flying status the Southern Cross II which is in every way a full size copy of the original and famous Southern Cross that Smithy flew all over the world. Their Southern Cross II, when restored, will be an ideal attraction to focus on new generations on Smithy's story as the original aircraft will be permanently housed static at Brisbane airport.

It is the aim of HARS that when the Southern Cross II is flying again after its full overhaul to take it on a barnstorming tour of Australia just like Smithy did in his day. They would like to go to country airports and invite the local schools to bring the kids and sit beside the Southern Cross II at the airport so they can give them a lesson on Smithy and how he like so many others gave so much for this country and why the RSL and ANZAC Day is so very important.

For further information please contact Historical Aircraft Restoration Society Inc, Illawarra Regional Airport, Corner Airport Road and Boomerang Drive, Albion Park Rail NSW 2527, phone: (02) 4257 4333 or visit their website: [www.hars.org.au](http://www.hars.org.au)

## DUNKELD MUSEUM UPDATE

**Committee Meeting:** Our next monthly Committee Meeting will be held on Monday 18 February commencing at 8:00pm at the Dunkeld Museum.

**Guest Speaker Meeting:** Our first Guest Speaker Meeting for 2013 will be held on Monday 4 February commencing at 8.00pm, followed by a light supper. The guest speaker for this meeting will be avid stamp collector, Mr John Duyvestyn. Mr Duyvestyn grew up in the Westland region near Rotterdam and The Hague in the province of South Holland and immigrated to Australia about 58 years ago. Mr and Mrs Duyvestyn moved to the Byaduk district in 1978.

One of John's uncles gave him a small stamp collection when he was a young boy so he has been collecting stamps for about 65 years. John collects stamps from all over the world and he specialises in Sydney Harbour Bridge stamps.

John will have some of his stamp collection on display at the meeting and community members are welcome to bring along any stamps of interest.

**Thank You:** As an inaugural member of the Dunkeld Museum (since 1983), a heartfelt and sincere THANK YOU to

Mrs Joy Clarke for her many, many years (30 years in fact) of dedicated service, support and commitment to the Dunkeld Museum in many, many different ways; including: fundraising; roster volunteering; catering; working bees; obtaining and donating items for our exhibits (particularly for the Bakery display); hosting bus groups; conducting town tours – our “Tour Guide” extraordinaire; researching

information for genealogy requests; ‘hi-jacking’ tour buses when passengers had stopped for a toilet or lunch break; input of valuable local knowledge of past residents, families and events; her faithful offside, Bessie, assisting her while on Museum duty; making her famous world renown sponge cakes for street stalls; raffles and Guest Speaker meetings; opening the Museum outside regular hours; compiling a photographic collection in large folders of Dunkeld and district people, events and changes; producing photo cards and last but not least, encouraging and cajoling new members to join.

Past and present Dunkeld Museum members have greatly appreciated all of Joy’s hard work and efforts. Volunteers are the lifeblood of our communities and organisations and Joy has gone “above and beyond” the call of duty for the Museum. She has been a vital and passionate member and a wonderful ambassador for the Dunkeld Museum – Joy, you are a real treasure and you and Bessie will be sorely missed!

**Silverwood Memoirs inspired by ‘The Way’:** Earlier this month, Mr Alan Silverwood from Heathmont visited Dunkeld including the Dunkeld Museum, Dunkeld Consolidated School and other sites of interest. Alan explained, “Last year my wife Bonnie and I saw the movie ‘The Way’, about a pilgrimage in Spain. It inspired me to have my own mini-pilgrimage to three country towns I grew up in – Dunolly, Dunkeld and Robinvale.”

He also mentioned, “I am turning 60 this year and I am putting together my memoirs. As I connect with different people who remember us in Dunkeld I am ‘putting meat on the skeleton’ of my history. One amazing connection is my Prep teacher, Mrs Heather Napier (nee Angus).” (It has been 55 years since Alan has seen Mrs Napier.)

Alan’s father, Graham, was the Methodist minister in Dunkeld from 1958 to 1961. Alan commenced Prep at Dunkeld Consolidated School in Parker Street and he can remember when he was confined to bed with the measles, he would longingly look out his bedroom window (at The Manse) and see the children playing in the

school playground.

Alan has two younger siblings, Gaye and Mark. Mark was born in 1960 while the family was living in Dunkeld. The Silverwood family, mother Shirley and father Graham, and the three children lived in the Methodist Church Manse when they resided in Dunkeld. Reverend Graham Silverwood was also an active member of the Dunkeld Development League Committee. If you have any information or photos to share with Alan he may be contacted on 0425 881 657.

#### **DUNKELD LOSES A LEGEND**

In case you have not heard, Joy Clarke has left town for Queensland. *Unthinkable, but true.* Dunkeld will never be the same again.

Dunkeld without Joy Clarke will be like the Grampians without Mt Abrupt. Joy has lived here nearly all her life and is one of Dunkeld’s most well-known and respected citizens. The word “legend” is over-used these days, but it certainly applies to Joy.

Special mention was made of Joy at this year’s Australia Day ceremony. It was the only opportunity for the community to publicly recognise her enormous contribution to Dunkeld in so many ways over so many years. It was also the right time and place, because Joy personifies all the best Australian qualities. In fact, Joy was the first recipient of Dunkeld’s annual Australia Day Award - and how appropriate that was. If *anyone* is a fair dinkum Aussie, it is Joy Clarke. Down to earth and blunt, she has no time for blather and hype, but she has a heart of gold, is friendly and welcoming towards all, and incredibly generous. She would give you the shirt off her back.

Joy’s home has been the geographic and social centre of Dunkeld for years - all sorts of people coming and going every day, and woe betide you if you didn’t stay for lunch or dinner or a cuppa. And you would probably not get out the door without having a sponge thrust at you. Joy’s sponges are the stuff of legend.

She has been a tower of strength in the Tourist Information Centre, the Museum, the Uniting Church, Senior Citizens, School Kitchen Garden Program and a host of other community groups. Joy Clarke was the unofficial Dunkeld Ambassador. Visiting tourist groups have frequently been “hi-jacked” by Joy to visit the Museum and other Dunkeld attractions, with some even invited to stay the night at her home if accommodation was tight. If you wanted something done, Joy would do it. No ceremony, no nonsense, no palaver - she just did it.

But now, the bird has flown the coop. Joy has left Dunkeld to live in an aged care facility in Queensland. As a result, the Dunkeld community is feeling bewildered and bereft. It has happened so fast, and the reality has not sunk in yet.

Joy's family obviously thinks this move is for the best, and we have to respect that. But she, and her beloved dog Bessie, will be deeply and sorely missed by her other family - the Dunkeld community. That is a certainty.

Over the last week or two, Joy has been madly cleaning out her house and giving away many of her belongings. The thing that really hit us was when she gave Helena her rolling pin. Joy Clarke, baker's daughter, extraordinary cook, provider of sponges and scones to all sorts of community events, giving away one of her most important tools of trade? How poignant is that! Perhaps it is her way of passing on the baton.

However, in this day and age, Queensland is not that far away, really. We can keep in touch - and we will. Today, I throw down a challenge to all Dunkeldians: anyone who visits Queensland for any reason from now on must call and visit Joy Clarke - or else.

We hope those Banana-Benders will look after our Dunkeld legend. We all wish Joy the very best of health and happiness in her new abode. The note which appeared on her front door the night before she left said it all, in typical Joy Clarke fashion:

We've moved - lock, stock and barrel.....  
 Joy and Bessie Clarke are moving  
 on Tuesday 29 January 2013.  
 Our new address is:  
 Room 57 Sandbrook, 10 Executive Drive, Burleigh Waters  
 Qld 4220  
 Phone: (07) 5593 5323

Joy's final comment to me was, "I'll miss you all, but I'll do a General McArthur sooner or later." For those who don't know, McArthur's famous statement, when forced to leave the Philippines for Australia in the face of the Japanese onslaught in 1942, was "**I shall return.**"

*Peter Flinn*

**FROM THE LIONS DEN**

The Australia Day celebrations were conducted on Australia Day in the Dunkeld Memorial Park and were well attended by local residents. The Lions would like to thank John Smith and Heather Macgugan and all the others that helped at the ceremony. The recipient of the Australia Day Citizenship Award was Mr Rex Beveridge, it was incredible to listen to what work Rex has put into the local communities over many years. Thank you, Rex, and congratulations, and thank you to the past recipients for the work that they have done and continue to do for our community.

The guest speaker was Danny McOwan, Director of the Hamilton Art Gallery.

I was talking to our policeman Dave the other day and asked him how work was going, and he told me about an accident he had attended. A man was driving to work when a truck ran a stop sign, hit his car broadside and knocked him out cold. Dave saw the accident

happen, he rushed over and pulled the driver from the wreck because of fuel leaking from the tank. Dave was able to revive the driver who on waking began a terrific struggle which didn't stop until he was tranquilized by the ambulance crew who had also arrived at the scene.

Later, when he was calm, Dave asked him why he put up so much of a struggle. The driver replied, "I remember the impact, then nothing. I have been an atheist all my life and I woke up on a concrete slab in front of a huge flashing 'Shell' sign, but somebody was standing in front of the S."

### Thank You

On behalf of the school community, I would like to recognise and thank all those people that helped keep our garden alive during this very warm and dry Summer holiday. Without your help, our children would have come back to a very dry patch of dead plants, instead, they are greeted by healthy and well producing plants and trees. It is a credit to you all. As well as those families rostered on to water, we had many who just popped in to help. Unfortunately, I don't know who all those extras were, but we thank you all. Many families live out of town, and so had to travel in to water, so we also recognise that commitment from you. What a great community we live in!
